Peeling the Onion by Wendy Orr - Goodreads
Full of the bravado of youth, the rubble of postwar Germany, the thrill of wild love affairs, and the exhilaration of Paris in the early fifties, Peeling the Onion —which caused great controversy when it was published in Germany—reveals Grass at his most intimate.

Summary and reviews of Peeling the Onion by Gunter Grass
"Peeling the Onion" is a searingly honest memoir that evokes Grass' modest upbringing in Danzig, his time as a boy soldier fighting the Russians and concludes with the writing of his masterpiece, "The Tin Drum", in Paris. Grass' parents ran a corner shop, but his mother, whom he adored, encouraged him towards books and music.

Peeling back the mystery of onions | Food and cooking ...
The key to peeling the onion is to not just ask one question. When you get the answer, ask another question about that answer. It's a variation on the fish bone technique often used in problem solving, and you can even use it in your process to document the key information you need (or get) from each of the questions and help you decide other questions to ask.

Peeling the Onion – Asking Layers of Questions - Success ...
Article Summary X. To peel an onion, hold it sideways on a clean cutting board and use a sharp knife to cut off the root end. Next, place your knife at the top of the onion and slice it in two. Set the two halves cut-side down to reduce the amount of tear-causing chemicals they release into the air. Trim the tops off each half.

How to Peel an Onion: 13 Steps (with Pictures) - wikiHow
In an essentially chronological narrative that frequently looks forward to Grass's later years (he's now in his 80s), we learn of his youth as the dreamy, artistically inclined son of a "bourgeois" shopkeeper's family, as well as the apolitical "faith in the Führer" that inspired him to don a smart-looking uniform that might attract girls and to join Heinrich Himmler's Waffen-S.S. (after attempting to enter the submarine service).
