Shorthand Pitman 2000 is a reasonable book giving an insight to the world of shorthand. It claims that it is good for beginners and self-tuition, but the contents of the book clearly reveal this claim to be a lie. Granted, the authors do start out simple, progressively adding new rules at what first appears to be a reasonable pace.

In Pitman, you write the consonant sounds first to form a shorthand "outline" and then, if necessary, mark in the vowels. In many instances, no vowel marks are necessary. Vowels should, however, be marked in full the first time a proper name is mentioned (or if the name has an unfamiliar spelling, it should be spelled out in regular letters).
