~~Plants Unit Study Guide:  
Lessons 1-4 Flashcards |  
Quizlet~~

Plants use a gas in the air called carbon dioxide and release oxygen. The third thing

## Get Free Plant Unit Study Guide

plants need for photosynthesis is water. Plants get water from the soil through the roots. The last thing that plants need for photosynthesis is sunlight. Sunlight is the energy for the plants that helps it change

## Get Free Plant Unit Study Guide

carbon dioxide into food for the plant.

~~Plants Study Guide (Answer Key)~~

Spring is the perfect time to study plants and flowers! In my

## Get Free Plant Unit Study Guide

post yesterday, I mentioned that we are going to be studying seeds and plants quite a bit during these warmer weeks of Spring. My children and I will be using several of these printables, hands-on
