Part IV: Are We Living In A Post-Truth World? | On Point

Post-truth is a deliberate distortion of the truth. In other words, post-truth is a manipulation of beliefs and emotions with the objective of influencing public opinion in terms of peoples' attitudes. Post-truth refers to using emotions to unleash people's emotions to change their thoughts and, at the same time, hide facts. The field in which post-truth is most famously used is in politics.
