Let every voice be heard! Developing Voice Through the Language Arts shows prospective teachers how to use the language arts to connect diverse students to the world around them and help them develop their own literate voices. This book considers the integrated nature of the primary language arts - reading, writing, listening, speaking, viewing, and visual representing. Authors Kathryn Henn-Reinke and GERALYN A. Chesner encourage preservice and inservice teachers to take a reflective, balanced approach in preparing to teach language arts.

Writing from the Core is more than a handbook: it is a roadmap that leads to correct and effective writing. -An effective writing style begins with well-written sentences: sentences that speak to the reader clearly and concisely. - Structure your sentences: cross paths at the sentence core: gain control of the sentence core, and you also gain control of your editing and revision. - In fact, once you can edit and revise with skill, you may spend more time mulling over your writing and reaching deeper insight, improving substance as well as style. Writing from the Core takes the mystery out of how to produce correct and concise writing, building confidence along with skill. I love this approach; it's practical yet personal. Writing from the Core is a guide with personality - it takes theory and makes it real. -Elizabeth Anderson, Writing Instructor, College of DuPage A straight-forward handbook that has been infinitely more useful than any handbook or workbook I've used in college. -Dominic Schiralli, Fine Arts major, Indiana University Northwest Students who use this method have a much easier time with composition. Structure becomes easy, so they can focus on building their writing skills. This is a great method producing fantastic results. - Peggy Patlan, Adult Education Instructor, Moraine Valley Community College

Writing from the Core

This text covers the key features of a technical communicator's work, from understanding an audience to effectively creating documents. many chapters contain a Practicum - a brief narrative written by a workplace professional.

A scrambled mess . . . Humpty Dumpty had a great fall. Or--as his brother Detective Joe Dumpty thinks--was he

pushed? This case isn't all it's cracked up to be. Suspects are plenty (as are the puns) in this scrambled story of nursery rhyme noir. Was it Little Miss Muffet? There's something not right about her tuffet. Or could it have been Chicken Little, who's always been a little cagey? Or was it the Big Bad Wolf, who's got a rap sheet as long as a moonless night? Joe's on the beat and determined to find the truth. Readers of all ages will delight in the word play and hilarious illustrations in this mystery of what really happened to Humpty Dumpty on that fateful day. Quick, comprehensive writing guidance at a low cost—the At a Glance series can be paired with any developmental title or used independently. This flexible series includes a separate textbook for sentences, paragraphs, essays, and a reader. Each book features clear, concise instruction reinforced by extensive practice, exercises, and examples. The Third Edition of At a Glance: Sentences continues to focus on the essential grammar and sentence mechanics. A clear, concise discussion of writing strategies includes examples from student writing to illustrate all stages of the writing process. Classroom-tested exercises help students with sentence, paragraph and essay organization and writing. Career-related and reading-related writing assignments capture students' interest, and questions on the readings stimulate discussion, writing, and critical thinking. A self-evaluation chart helps students measure their own writing progress and identify their difficulties. A writer's checklist at the end of every chapter outlines the stages of the writing process.

A total of 141 ninth grade students were observed all day in their classes to assess the typical school day of the average ninth grade student. The students were from junior high schools, high schools, and junior-senior high schools. Student behavior was observed and recorded at five minute intervals, and students were interviewed at the end of the school day. Results were analyzed and presented in this volume, which includes chapters on: (1) "The Ninth Grade Study: Why and How"; (2) "The Ninth Grader: A Profile"; (3) "What Are Ninth Graders Experiencing in School?" (4) "Does Organizational Pattern Affect Program"; (5) "Six Samples of Reality"; and (6) Conclusions and Recommendations. Appendices present information on the shadow study technique, observers, analysts, and schools in which the observations took place. (CB)

Pour an amber pool of pure sorghum syrup onto a clean plate. Make your pool about three inches in diameter, the size of a homemade chocolate chip cookie or a slice of summer tomato. In the middle of the sorghum pool, put a chunk of pure, sweet butter that is not too soft and not too hard. With a fork, press the butter into the sorghum. Scoop up the edge of the syrup with a fork and drizzle the syrup on top of the butter. Scoop-mix-scoop-mix until you form a happy thick gold union of sorghum and butter. Take a bite, and join past, present, and future, fine taste and excellent nutrition, in one sweet mouthful. Sorghum is that rare food that is good, good for us, good for small farms and farm families, good for communities, and good for the earth. Until now, pure sorghum syrup has been a secret known only in a few midwestern and southern states. This book lets readers in on such secrets as sorghum's newly discovered super anti-oxidant power, along with the all-important sources of the very best syrup. For readers new to sorghum, this book offers tasty bits of information about this caramel syrup's origins, cultivation, nutrition, and uses. Longtime sorghum fans will find fresh tidbits to savor. Eight great recipes promise new taste adventures in the kitchen. In Sorghum Nation, we treasure the traditions of sorghum, the pressing and cooking outdoors that attract an eager crowd, the smell of the cane juice cooking down on blue autumn days, the taste of the green foam licked off the end of a peeled piece of cane. Indoors, we celebrate the happy moment after a good meal when butter and sorghum begin their swirling dance and prepare to glorify a biscuit. Even so, sorghum's past and present pale compared to its future. Eco-friendly, cash-producing sorghum cane, which growers around the world use for food, fiber, and fuel, can support our farms and small communities. Those of us who love the small farms and farmers of Sorghum Nation have the future in our sticky hands. The more we buy and use this intriguing, flexible food, the more sparkling and prosperous

our beloved communities will be.

Numerous studies indicate that completing a college degree reduces an individual's likelihood of recidivating. However, there is little research available to inform best practices for running college programs inside jails or prisons or supporting returning citizens who want to complete a college degree. Higher Education Accessibility Behind and Beyond Prison Walls examines program development and pedagogical techniques in the area of higher education for students who are currently incarcerated or completing a degree post-incarceration. Drawing on the experiences of program administrators and professors from across the country, it offers best practices for (1) developing, running, and teaching in college programs offered inside jails and prisons and (2) providing adequate support to returning citizens who wish to complete a college degree. This book is intended to be a resource for college administrators, staff, and professors running or teaching in programs inside jails or prisons or supporting returning citizens on traditional college campuses.
