training classes , especially for more advanced methods such as clicker training.

How to Train Your Dog & Top Training Tips | RSPCA
Teaching Kids to Train Your Dog One of the best investments you can make for training the family dog is a clicker; they cost between \$1 and \$3. Even if you prefer not to use one when training, buy a clicker for your children to use when they train the dog. Kids love clickers, and are often sold on the gadget from the very first “click!”

Puppies need to learn basic control and training is an important bonding experience between you both. If you're toilet training an adult dog that hasn't been trained properly before, the stages will be the same, however it may take longer. When you begin toilet training you need to give your dog plenty of opportunities to go. The main times are when they wake up, after every meal, before bed and after they've been left alone.
