

Reluctant Assassin

Cassel When I gave up life as a hitman, I thought everything was going to be better. I was going to become a PI, help people, and live normally... and then I met Jeremy, the most perfect man to have ever saved my life (I mean, he might be the only one who has saved my life, but he's still the best at it). From that point on, it was all over for me--I knew we were meant to be. The issue is that he doesn't... quite seem to realize that. But when he's targeted by criminals (literally, someone just shot at his head), he needs to rely on someone, so why not me? He might not know about my past as a hitman or that I don't need to be protected, but I'm prepared to do everything I can to save the day. Jeremy When my past comes back with a vengeance, I've never felt so alone and out of my element. That is, until Cassel offers me information that I desperately need, forcing me to drag him straight into danger. The issue is that he's too sweet and innocent for this world and I'm not sure that I'm strong enough to protect him, but I can't bring myself to push him away. As truths come to light, I realize that maybe Cassel isn't quite who I thought he was, and maybe we're not so different after all. While you can read The Former Assassin's Guide on its own, you'll get maximum enjoyment by reading The Hitman's Guide series first. This book contains speedy car chases and not-so-speedy ATV rides, a wager Cassel is determined to win even if it kills him, and way-too-tight sparkly spandex suits.

THE KGB KIDNAPPED HIS DAUGHTER. THE ONLY WAY TO SAVE HER IS TO BETRAY HIS COUNTRY... AND START A WORLD WAR.

You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. And even if the words include things like BLAGGITY BLAGGITY and MY HEAD IS MADE OF BLUEBERRY PIZZA! That's the rule. That's the deal. Brilliantly irreverent and very, very silly, The Book With No Pictures will delight kids and have them begging for more. From award-winning US comic writer and actor, B.J. Novak.

Riley, a teen orphan boy living in Victorian London, has had the misfortune of being apprenticed to Albert Garrick, an illusionist who has fallen on difficult times and now uses his unique conjuring skills to gain access to victims' dwellings. On one such escapade, Garrick brings his reluctant apprentice along and urges him to commit his first killing. Riley is saved from having to commit the grisly act when the intended victim turns out to be a scientist from the future, part of the FBI's Witness Anonymous Relocation Program (WARP) Riley is unwittingly transported via wormhole to modern day London, followed closely by Garrick. In modern London, Riley is helped by Chevron Savano, a nineteen-year-old FBI agent sent to London as punishment after a disastrous undercover, anti-terrorist operation in Los Angeles. Together Riley and Chevie must evade Garrick, who has been fundamentally altered by his trip through the wormhole. Garrick is now not only evil, but he also possesses all of the scientist's knowledge. He is determined to track Riley down and use the timekey in Chevie's possession to make his way back to Victorian London where he can literally change the world.

BOOKS 1-3 IN THE RELUCTANT ASSASSIN SERIES

Riley, an orphan boy living in Victorian London, has achieved his dream of becoming a renowned magician, the Great Savano. He owes much of his success to Chevie, a seventeen-year-old FBI agent who traveled from the future in a time pod and helped him defeat his murderous master, Albert Garrick. But it is difficult for Riley to enjoy his new life, for he has always believed that Garrick will someday, somehow, return to seek vengeance. Chevie has assured Riley that Garrick was sucked into a temporal wormhole, never to emerge. The full nature of the wormhole has never been understood, however, and just as a human body will reject an unsuitable transplant, the wormhole eventually spat him out. By the time Garrick makes it back to Victorian London, he has been planning his revenge on Riley for centuries. But even the best-laid plans can go awry, and when the three are tossed once more into the wormhole, they end up in a highly paranoid Puritan village where everything is turned upside down. Chevie is accused of being a witch, Garrick is lauded as the town's protector, and . . . is that a talking dog? Riley will need to rely on his reserve of magic tricks to save Chevie and destroy his former master once and for all.

Elizabeth Moynihan, a New York journalist, has hit the jackpot. It's 1996 and a chance remark has sent her to a small farm in Colorado. There resides Russia's most notorious sniper-turned-spy, the one-time beautiful assassin, Tat'yana Levchenko, and Elizabeth knows this story could make her career. When Elizabeth convinces the obstinate and embittered Tat'yana that it is now safe to tell the truth, the old lady begins the story of a mother so devoted to her beautiful daughter that when, aged just four, her child was shot down and killed by a German pilot, all she had to live for was revenge. Enlisting immediately as a sniper, Tat'yana soon racked up three hundred kills and became her nation's most celebrated soldier. But it couldn't last forever, and when she was badly injured during a siege, her superiors had new plans. Eleanor Roosevelt had asked for her to visit the US and tour the nation in a bid to help the war effort. For the Russian army, it was an excellent opportunity to spy for her country. For Tat'yana, it was the chance of a new life.

As World War II reaches a tipping point, one heroic family is determined to help turn the tide. Feeling the mantle of duty lying heavily on their shoulders, the Littlefields are pushed to their limits in the much-anticipated third installment in the AFTER DUNKIRK series. The Blitz is in full force. Bombs rip relentlessly through London, destroying buildings and rattling confidence.

How much more can the country-and one family-take? As Britain falls further into chaos, the Littlefields-ever-dedicated-must keep fighting. Their country needs them now, more than ever, and each sibling will be tested in ways they never imagined. Jeremy prepares to fly a mission without his trusted Eagles. But the sudden capture of someone he loves will force him to choose between fulfilling his duty and following his heart. Still held as a POW at a high-security facility, Lance grows more and more desperate to make an escape. And thousands of miles apart, Claire and Paul-both armed with top-secret war intelligence-experience a similar struggle: They know more than they can say. And that knowledge places their siblings in grave danger. Meanwhile, at home and under German occupation on Sark Island, the Littlefield's parents struggle as food becomes scarce and the fire in their bellies is joined by a gnawing hunger. Then, in a move that shocks the entire world, Germany invades Russia. But is it really a surprise to Churchill? What will it mean for Britain-and for the Littlefield family? TURNING THE STORM is a can't-miss, action-packed addition to the saga of four daring siblings willing to sacrifice everything they hold dear in order to save their country-and do each other proud.

Story Of An Innocent Man, Wrongly Caught As A Terrorist That Changes His Entire Life

A novice assassin is on the hunt for someone killing their own in K. A. Doore's The Perfect Assassin, a breakout high fantasy beginning the Chronicles of Ghadid series. Divine justice is written in blood. Or so Amastan has been taught. As a new assassin in the Basbowen family, he’s already having second thoughts about taking a life. A scarcity of contracts ends up being just what he needs. Until, unexpectedly, Amastan finds the body of a very important drum chief. Until, impossibly, Basbowen’s finest start showing up dead, with their murderous jaan running wild in the dusty streets of Ghadid. Until, inevitably, Amastan is ordered to solve these murders, before the family gets blamed. Every life has its price, but when the tables are turned, Amastan must find this perfect assassin or be their next target. “The Perfect Assassin is a thrilling fantastical mystery that had me racing through the pages.” –S. A. Chakraborty, author of The City of Brass “Full of rooftop fights, frightening magic, and nonstop excitement and mystery, I absolutely loved it from start to finish!” – Sarah Beth Durst The Chronicles of Ghadid #1: The Perfect Assassin #2: The Impossible Contract (coming in November 2019) #3: The Unconquered City (coming in June 2020) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

As Sergeant Oscar Wylton, a six-foot-two, 196-pound marine lines up to exit the rear door of a CH-53S Sea Dragon helicopter, he knows that he has less than a 10 percent chance of surviving his assignment. As he parachutes into a pit of darkness over the rough terrain near the AfghanistanPakistan border, Wylton has no idea that what he thinks is his final mission as an assassin will not be his last. Wylton has served his country well, distinguishing himself in high-risk conflicts in Bosnia and Afghanistan; but after he retires from the Marines and begins a business with his wife, she suddenly divorces him and severs their professional partnership. Left jobless and out of options, Wylton reluctantly becomes a hired hit man targeting societys miscreants who, through legal flukes, have avoided prosecution. But when the stakes are raised and he is assigned to kill a well-protected Mafia boss, Wylton must rely on his training and quick-thinking skills to avoid capture by the FBIor worse yet, his intended victim. A Reluctant Assassin is a powerful story about one mans battle with morality, ethical choices, and personal loss as he faces the greatest challenge of his life.

Death's Choice

The best assassins learn their magic at the Academy of the Subtle Arts. Everyone joins for their own reasons: to give death her proper due, to acquire outrageous fortunes, or to know that history bends to their blade. Zayn Carter joined the Academy to save his family. In the sleepy town of Varna, an ancient evil lurks, preying on the townsfolk and keeping them enslaved by her poison. This arrangement has lasted for centuries because to kill the Lady is to guarantee the death of every man, woman, and child in the town. Faced with this impossible conundrum, Zayn vows to take down the Lady, and all that support her. He'll save his family from this horrible fate—or die trying.

“Paul Vidich’s likable and reluctant spy, George Mueller, will keep readers guessing in this eerily real Cuba of 1958. The Good Assassin is a keen historical adventure from the best noir tradition.”—Elizabeth Kostova, #1 New York Times bestselling author “The Good Assassin opens up Hemingway’s Cuba. Possessing Alan Furst’s attention for period detail and the deft character touches of John Le Carré, Vidich has quickly carved out a place for himself among the very first rank of espionage writers. It’s a masterful effort and the author’s best work to date.”—Michael Harvey, New York Times bestselling author of The Chicago Way “The Good Assassin is first-rate literary espionage . . . Author Paul Vidich has evoked not only the intrigue and brutality of Batista’s Cuba, but the island itself . . . a masterful work of noir fiction.”—Susan Isaacs, New York Times bestselling author of A Hint of Strangeness Paul Vidich follows up his acclaimed debut spy thriller with a suspenseful tale of Cold War espionage set in 1950s Cuba, as foreign powers compete to influence the outcome of a revolution. Former CIA Agent George Mueller arrives in Havana in August 1958—the last months before the fall of Cuban dictator Fulgencio Batista—to look into the activities of Toby Graham, a CIA officer suspected of harboring sympathies for the rebel forces fighting the unpopular Batista regime. Mueller knew Graham as an undergraduate and later they were colleagues in Berlin fighting the Soviet NKVD. Under the guise of their long acquaintance Mueller is recruited to vet rumors that Graham is putting weapons, covertly provided by the CIA to Batista, into the hands of Castro’s forces. Public exposure of the CIA weapons mission, and the activity of one rogue agent, threaten to embarrass the agency. Mueller uncovers a world of deceit as the FBI, CIA, and State Department compete to influence the outcome of the revolution in the face of the brutal dictatorship’s imminent collapse. Graham, meanwhile, is troubled by the hypocrisy of a bankrupt US foreign policy, and has fallen in love with a married American woman, Liz Malone. Paul Vidich has written a powerful story of ideals, passions, betrayals, and corrupting political rivalries in the months before Castro’s triumphant march into Havana on New Year’s Day 1959. This sequel showcases the widely praised talents of Paul Vidich, who Booklist says, “writes with an economy of style that acclaimed novelists might do well to emulate.”

Sent to the Clarissa Frayne Institute for Parentally Challenged Boys, Cosmo spends his days testing highly dangerous products. The average life span of an orphan in the Institute is fifteen years. Cosmo is fourteen. Finally Cosmo is saved - by the Supernaturalists, a group of teens who share his ability to see Parasites who drain the life from injured and dying humans. But they're not the only ones hunting the Parasites; soon Cosmo and his new friends discover a horrifying secret that will change all their lives forever.

Even a master assassin can be foiled.Divination-the magic of seeing the future-provides peace in the realms, because no one can launch a war or assassination without being discovered. But when a strange building appears in the city of sorcery, everyone believes it's benign-everyone except Zayn and his teammates. To save the Hundred Halls, they must use all their talents to deceive and uncover its purpose before it's too late.

"A damn good read."--Alan Furst A brilliant debut novel, at once teasing literary thriller and a darkly comic blend of history and invention, The Torqued Man is set in wartime Berlin and propelled by two very different but equally mesmerizing voices: a German spy handler and his Irish secret agent, neither of whom are quite what they seem. Berlin--September, 1945. Two manuscripts are found in rubble, each one narrating conflicting versions of the life of an Irish spy during the war. One of them is the journal of a German military intelligence officer and an anti-Nazi coded into silence named Adrian de Groot, charting his relationship with his agent, friend, and sometimes lover, an Irishman named Frank Pike. In De Groot's narrative, Pike is a charismatic IRA fighter sprung from prison in Spain to assist with the planned German invasion of Britain, but who never gets the chance to consummate his deal with the devil. Meanwhile, the other manuscript gives a very different account of the Irishman's doings in the Reich. Assuming the alter ego of the Celtic hero Finn McCool, Pike appears here as the ultimate Allied saboteur. His mission: an assassination campaign of high-ranking Nazi doctors, culminating in the killing of Hitler's personal physician. The two manuscripts spiral around each other, leaving only the reader to know the full truth of Pike and De Groot's relationship, their ultimate loyalties, and their efforts to resist the fascist reality in which they are caught.

A Reluctant Assassin

One dark night on the island of Great Saltee, fourteen-year-old Conor is framed for a terrible crime he didn't commit. Thrown into prison by the dastardly Hugo Bonvilain, Conor is trapped in a seaswept dungeon and branded a traitor. He must escape and clear his name; he wants his old life back ♦ his family, his friends . . . and his princess. Conor knows there is only one way out. It's an impossible task, which has never been done before. But Conor is determined to do it. He'll have to fly. Swashbuckling new fiction from the amazing Eoin Colfer, ideal for readers aged 11+.

What if Cinderella had been sent to kill the Prince? Kayden never thought of herself as the Belle of the ball, but she finds herself in the royal palace, surrounded by society darlings – and the only thing she has in common with them is that they're all vying for the Prince. They're after his crown. She's after his head.

Dark haired, slight, with deep-set haunted eyes, Herschel Grynszpan is an undocumented Jewish alien living in Paris. He receives a postcard from his parents – recently bundled from their Hanover flat, put on a train and dumped, with 12,000 others on the Polish border. Enraged, Herschel buys a gun and kills a minor German official in the German Embassy. The repercussions trigger Kristalnacht, the nationwide pogrom against the Jews in Germany and Austria, a calamity which some have called the opening act of the Holocaust. Intertwined is the parallel life of the German boxer, Max Schmeling, who as a result of his victory over the then 'invincible' Joe Louis in 1936 became the poster boy of the Nazis. He and his movie-star wife, Anny Ondra, were feted by the regime – tea with Hitler, a passage on the airship Hindenburg – until his brutal two-minute beating in the rematch with Louis less than two years later. His story reaches a climax during Kristalnacht, where the champion performs an act of quiet heroism.

Fourteen-year-old Cosmo Hill longs to escape from the Clarissa Frayne Institute for Parentally Challenged Boys. When a rare chance to get away comes, he grabs it, but the attempt goes fatally wrong. He can feel his life force ebbing away, sucked out of him by a strange blue Parasite . . . until a wisecracking gang of kids burst in, blast the creature and save him. They are the Supernaturalists, dedicated to ridding the world of these life-sucking blue parasites. When they realise that Cosmo has the ability to see these blue creatures too, they enlist him as one of them. Their mission leads Cosmo into a world of high-level corruption, James Bond type technology, thrilling adventure and finally back to a place that Cosmo ever thought he'd have to return...the dreaded Clarissa Frayne.
