

Revelation A Study Of End Time Events

Understand the connection between the Old Testament and the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition. Rabbi K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during the last days and how to stand firm in Christ even in the face of opposition.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

This book is a result of the author's attempt to read through the Bible, and his decision to complete this task by reading the Book of Revelation. The author has made every effort to limit the text in this book to three main categories. The content of this book, he maintains, is either history, prophecy or theology.

Designed to be used by individuals or study groups, this guide written by the bestselling "Left Behind" author takes readers step by step through the high points of Bible prophecy and gives them the opportunity to intensely study about the Rapture, the Tribulation, the return of Christ, the judgment, and much more. This resource can be used with or without "Charting the End Times."

I have been fascinated in future world events ever since reading "The Late Great Planet Earth" by Hal Lindsey in the mid-1970s. At that time, Lindsey asked the question, "Do we live in the era of the antichrist (and End Times) as foretold by Moses and Jesus Christ?" Since then, we all have repeatedly asked that question! It was appropriate that much of his study was focused on the Book of Revelation. This companion book is an attempt to "simplify" End Times events for you. Study the book of Revelation with this book at your side! Verse by verse, I have summarized the book of Revelation into 22 short sections that will be easy for you to follow as you read along with your Bible. Numerous Old Testament references are noted. I have streamlined the study of eschatology; the study of end times events that have yet to occur in our human timetable. Take heart fellow Christians and enjoy the sobering journey! Did you know that the Book of Revelation is the only book out of the Bible's 66 books that explicitly tells us that we will be blessed by God if we read it, and take it to heart? Most people probably don't realize this. Revelation 1:3 says this: "Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near."

Based on two decades of teaching Revelation to seminary students, pastors, and lay groups, this discussion strikes a balance between taking the text's first-century context seriously and making Revelation relevant to twenty-first-century readers."--BOOK JACKET.

The Day of Judgment is nearer now than ever before. There's no better time to understand the present in light of history's final outcome.

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

The author has made every effort to limit the text in this book to three main categories. The content of this book, he maintains, is either history, prophecy or theology. HISTORY Writings that fall under this heading include historical facts or findings, scientific data or information, and any other compilation made by man that has been established out of a non-Biblical perspective. This includes any factual information that cannot be substantiated by scripture. PROPHECY This includes all the writings of the prophets, and any text translated out of the original Greek and Hebrew scriptures. This category also includes every scripture quoted verbatim, chapter and verse, from the Bible. THEOLOGY This includes all writings where two or more scriptures have been used to draw a conclusion or when the author renders the interpretation of a particular prophecy or a series of scriptures. This also includes text where the author has theorized to make a point or when the text being read is a paraphrase of scripture.

Is this the end of the world? Recent events with the recent COVID-19 pandemic and other catastrophes that have affected the entire world signal that the end days are on our doorsteps. The Judge and King, Jesus Christ, is standing at the door. He is ready to come and shake up this world and judge sin. What can we do? What we should NOT do is give into fear and panic, both tools of Satan. There should be no room for fear in our lives when we trust the One who died for us and loves us with immeasurable love. What we SHOULD do is understand what is happening and will happen in the near future according to God's Word. God has graciously explained in great detail what His plan is for the world in the "last days." The End of the Beginning Bible Study on the book of Revelation is an in-depth Bible study designed to teach the Word of God in a clear, understandable way for both individual and group study. Each lesson consists of information and questions to be answered from the text, both essay and fill in the blank. These questions will direct the student into the text and lead them to compare Scripture to Scripture to better understand it. Included are 4 chapters from the book of Daniel into this study because Daniel lays a foundation to understand the truths in the book of Revelation. This study takes the literal view of Scripture unless the passage clearly states it is a figure of speech. I believe in a literal pre-tribulation rapture of the church, a literal 7-year Great Tribulation with a world dictator called the Antichrist, and a literal kingdom age where Christ will rule the world from Jerusalem for 1,000 years. The Bible must be taken literally to be understood as God meant it to be, and it must be studied diligently and correctly. In this study, you will compare Scripture to Scripture, read the passage in its context, and discover the Greek meanings of the words used. You will learn the customs of the day in which it was written. You will be encouraged to memorize a verse or two of Scripture with each lesson. The book of Revelation is told from God's perspective. You will be caught up with John to the "third" heaven, and witness the incredible and awesome things God does in these last days. Having gained a better understanding of what will happen next, you will find hope and peace about God being in control of world events, and you will experience joy in your daily walk as you grow in grace and in the knowledge of our Lord and Savior Jesus Christ. My prayer is that this Bible study will lead to a deeper passion for God and for His Word, and that passion will motivate many to share with those who are lost the hope we have in Christ Jesus. What people are

saying about the study: "I loved the thorough research into the passage, the questions that caused us to dig deeper, and how the study taught me to compare the text with other passages of Scripture to provide clarity. Learning the Greek meaning behind the English words was special to me. I appreciated the historical background that the study provided and the personal applications. I learned so much from this study that I intend to teach others in my church." Kathy "The lessons were well thought out and well prepared. I have confidence in Virginia's knowledge of the Bible. She patiently taught helped me understand the Bible better." Lois "It was a very in-depth study, and I learned a lot." Donna

This study guide is designed to help simplify the important biblical prophecies still to come. You'll be amazed at how many of these prophecies are approaching fulfillment in our world today. You'll also find your faith strengthened as you discover how clear Scripture is on what we see taking place in today's events.

The Book of Revelation has long been thought of as a formidable and confusing work, understandable to only elite bible scholars. But, like its very name--Revelation--understanding of this seemingly complex book is available to all! God has even promised a special blessing to those who read it! David Baxley, D.Min., has broken down the perceived barriers and written a simple, verse-by-verse commentary that is understandable to even beginning bible students. It includes maps, a chronology of end time events and wars, definitions, and cross references to Old Testament scriptures that point to the time of the end. He also includes discussion of sections that are still not fully understood or defined, with possible varying interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. It's a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore! A bible student for over 50 years, and pastor for over 40, Dr. David Baxley has studied and taught the Book of Revelation extensively. While in the hospital recovering from a heart transplant, he realized that the sequence of end time events was still not clear in his mind, so he spent the next two years in intense study. This book is the result of that study.

For many years, it has become clear to me that the prophetic Book of Revelation has been avoided by many Christians to study. Why? Quite simply, it is a real faith tester. To be honest, the amount of symbolism and allegory (hidden meaning) leaves a lot of room for one's imagination. That is why many Christians do not pursue the study of this prophetic last book in the New Testament. This companion book is an attempt to "simplify" End Times events for you. Study the book of Revelation with this book at your side! Did you know that the Book of Revelation is the only book out of the Bible's 66 books that explicitly tells us that we will be blessed by God if we read it, and take it to heart? Most people probably don't realize this. Revelation 1:3 says this: "Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near." "Do you realize that 28% of the Bible was prophetic at the time it was written? Dr. John Walvoord, who has dedicated decades of his life to studying Bible prophecy, has identified more than 1000 prophecies in the Bible, 500 of which already have been fulfilled. The others are yet to come. If God already has fulfilled 500 prophecies, with another 500 yet to unfold--can we trust him when he tells us about days yet to come?"--Tim LaHaye, in "The Merciful God of Prophecy." Verse by verse, I have summarized the book of Revelation into 22 short sections that will be easy for you to follow as you read along with your Bible. Numerous Old Testament references are noted. I have streamlined the study of eschatology; the study of end times events that have yet to occur in our human timetable. Take heart fellow Christians and enjoy the sobering journey!

A profound exploration of the Bible's most controversial book—from the author of Beyond Belief and The Gnostic Gospels The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (The Philadelphia Inquirer), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

A commentary on the book of Revelation, chapters 5 - 22, in plain English. This commentary has been written for the average individual. In this commentary on Revelation, author Fred DeRuvo draws back the curtain on chapters five through twenty-two, presenting information in an easy-to-understand style, written for the average person. Whether he succeeds or not is up to each reader to decide. One thing is certain regarding the book of Revelation. Because of its prophetic nature, Christians will continue to debate aspects of it until such a time as we can know for certain. Either the things found within Revelation are yet to come to pass, and that alone will prove their veracity, or they will not come to pass. Only time will tell. Probably the most often-missed point of Revelation is the fact that it reveals the Lamb of God for who He is; King of Kings and Lord of Lords! We must never forget that the book of Revelation is first and foremost about Jesus Christ, God the Son. He is the Alpha and Omega, the Beginning and the End. Without Him, there would be no Revelation! All eyes on the King!

Would you read a great book but skip the last chapter? Not if you want to see how the story ends! This verse-by-verse study of the book of Revelation is intended to dispel the fears, confusion, and misconceptions of this often-avoided "final chapter" of God's Word, and make you hungry for more. You're invited to take an amazing journey through the prophecies of the book of Revelation, looking to the Bible itself for the keys to unlock its mysteries! Whether you are a seasoned bible student or a newcomer, you will easily follow the teaching in this study guide, and small groups will find the discussion questions at the end of each lesson to be helpful." I am using Donna Best's Revelation Bible study guide at a Senior center. The group members all said it's like watching a play, scene by scene. From a teaching standpoint, the research and cross references really make the book of Revelation come alive. It is very easy to teach from Donna's study guide, as the research has already been completed. Many studies I have done left out verses or points that should have been included but Donna's study is "spot on," and I would recommend it to any teacher. Thanks, Donna, for the time and effort you put into preparing this study guide."

On the Book of Revelation

World events with the recent COVID-19 pandemic and other catastrophes signal that the end days, which are spoken of in Scripture as the "day of the Lord," are on our doorsteps. The Judge is standing at the door and He is ready to come and shake up this world and judge sin. Every Christian should know and understand what God is going to do in the last day. With this knowledge, we can better order our days and prepare ourselves and our loved ones for what God has intended for us in the future. The End of the Beginning Bible Study on the book of Revelation, Leaders Edition, is an in-depth Bible study designed to teach the Word of God in a clear, understandable way for both individual and group study. Each lesson consists of information and questions to be answered from the text, both essay and fill in the blank. These questions will direct the student into the text and lead them to compare Scripture to Scripture to better understand it. This edition gives direction and guidance for the leader or facilitator of a study and provides the answers to some of the questions. It is provided as a help and guide, to be used after the teacher has done his or her own study. I have included 4 chapters from the book of Daniel into this study because Daniel lays a foundation to understand the truths in the book of Revelation. The material in all of my Bible studies takes Scripture literally unless a passage clearly states it to be a figure of speech. I believe in a literal pre-tribulation rapture of the church, a literal 7-year Great Tribulation with a world dictator called the Antichrist, and a literal kingdom age where Christ will rule the world from Jerusalem for 1,000 years. The Bible must be taken literally to be understood as God meant it to be, and it must be studied diligently and correctly. In this study, we compare Scripture to Scripture, read the passage in its context, and discover the Greek meanings of the words used. You will be encouraged to memorize a verse or two of Scripture with each lesson. The book of Revelation is told from God's perspective. You will be caught up with John to the "third" heaven, and witness the incredible and awesome things God does in these last days. You will gain a better understanding of what will happen next, have hope and peace about God being in control of world events, and find joy in your daily walk as you grow in grace and in the knowledge of our Lord and Savior Jesus Christ. My prayer is that this Bible study will lead to a deeper passion for God and for His Word, and that passion will motivate many to share with those who are lost the hope we have in Christ Jesus.

People are fascinated with Revelation and end times. Unfortunately, Revelation studies and Bible prophecy books still remain a puzzle for many Christians. Triumph and Terror: Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations. The goal of the Study is to strengthen readers' faith and understanding, as well as to challenge and stimulate the thinking of all who seek. It aims to provide a straightforward, uncomplicated narration of our Lord's glorious Revelation. The writing of Triumph and Terror... is presented in a chapter-by-chapter commentary dealing concisely with each and every verse. Comments critical to the reader's understanding are carefully supported by and referenced to scripture; moreover, to simplify the reading for young Christians and impatient seekers, quite often the referred scripture is quoted. Seldom does the manuscript allow supposition. The Study is strengthened and enhanced by the inclusion of ten teaching appendices, a ten-page glossary of terms and a brief synopsis at the beginning of each chapter. The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader. Prayerfully, the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven. The simplicity of the Study responds to a pressing need in both the Christian and secular world: never before has there been such urgent seeking for answers as to what the future holds for humankind. In some instances, the Study confirms currently accepted theological ideology; however, in other areas it opens discussions never before pursued. It carefully documents, through scripture and historical records, the answers to questions that are as old as Daniel, while opening insight into passages which have generally been avoided by most scholars. Through consistent use of scripture, it informs and challenges teachings that have hitherto been unchallenged.

Everyone should benefit from understanding what happens during the tribulation period or where will the people of God live eternally. I hope to give clarity to the book of Revelation and incite interest in readers to study the exciting conclusion of the Bible.

Revelation

The title of this book is from that of which it came; a group of cowboy believers wanting to know what the Bible really says about the return of Christ Jesus to planet earth. John, the revelator, was in the "Spirit" on the Lord's Day when he heard a loud voice speaking to him as of a trumpet. The voice said to him, "I am the Alpha and the Omega, the First and the Last. What you see, write in a book and send it to the seven churches which are in Asia." It is clear that God wanted to get a message out to the believers. It is that message that we at Cowboy Country Fellowship seek to understand. In our world today we have many who teach on the book of Revelation. Our problem is that they cannot all be right! Some teach a pre-tribulation Rapture. Others teach a mid-or post-tribulation Rapture that must take place at the return of Christ. Still, there are others that teach something totally different. So who is right? Not everyone is going to be right! What is the truth concerning the coming of our Lord Jesus Christ and our gathering together unto him? We wanted to know! It was readily accepted that the only way to know the truth was to know it for ourselves. We set aside our preconceived ideas brought about through doctrinal teaching and set out to learn the truth from the Scriptures for ourselves. If something didn't fit, we would acquit any preconceived idea not backed up in Scripture as un-provable. Nonetheless, it was difficult to let go of some things we had held so dear from our lack of knowledge. It is much easier to believe something that may not be true when it sounds so good

and requires little effort. Few are willing to suffer for His cross. For the first year we spent a lot of time on the words of Jesus given to the early church leaders in Matthew chapter 24, which took us to the book of Daniel. In Daniel 2:44, it says: "And in the days of these kings the God of heaven will set up a kingdom which shall never be destroyed; and the kingdom shall not be left to other people; it shall break in pieces and consume all these kingdoms, and it shall stand forever." We, therefore, set out to identify if those kingdoms were in existence today. After a rather hard start we began to fit Scripture with Scripture found in both the old and New Testament. We began to understand the symbolism God used in scripture based on prophecy already fulfilled. We studied the symbols used concerning the coming of Christ Jesus to become the only propitiation for our sins that God would accept. After about a year we were ready to begin a detailed study into the book of Revelation written by the only disciple of the twelve who lived to an old age who was not martyred (killed) for the testimony of Christ. Some will escape the sword! It may interest you to know that Daniel and John the revelator are the only two men in the Bible of which it is written of them personally that God either "greatly loved" or "whom Jesus loved." We know that God loves us all. John 3:16 tells us that. But for some reason God saw to it to mark these two men by saying he loved them in Scripture. You can find it in Daniel 10:23 and John 10:19, and both wrote some of the most prophetic words ever written. Enjoy this study. Time is running out to forever know the truth within our hearts for ourselves. All we need is the "want to." God will do the rest to open our understanding. You will find that this study places Scripture with Scripture, line upon line, here a little and there a little, and precept upon precept as it is written within the scriptures. This study is much more than just a bunch of drug-store want-a-be cowboys blowing off steam. We discovered Truth! It is exciting to begin a new year with a president who is not a polished politician. Will he drain the swamp? Or will he become a creature of the swamp? Will he keep his promises? Or will he morph into broken promises as one of them? Only time will tell! Personally, I was bred and born a democrat some sixty-two years ago. But within himself, this man is neither! Pray for him. He could be a modern-day king Cyrus. Thank You, Mike Coe
