New Music premieres and scores - Rhinegold

Das Rheingold, the first opera in Wagner's celebrated four-part Ring Cycle, blends the powerful imagery of Norse and Teutonic mythology with glorious, robustly inventive music to produce a dramatic allegory of greed and lust for power. Despite its popularity, however, Das Rheingold has long been difficult to find in complete score -- until now. This handsome volume reproduces the full orchestral and vocal score in a clear engraving with large, legible notation for easy reading and study.
