From the attic of Driftwood House there are stunning views of the deep green sea and sapphire sky. But Rosie can't tear her eyes away from the faded photograph in her hands, and the words written on the back that will change everything. Back in the tiny seaside village of Heaven's Cove after the death of her mother, all Rosie Merchant wants is to hide her tears, rent out her childhood home, and get back to her "real" life, away from the gossiping villagers and wild Devon weather she escaped from years ago. She's surprised to find a smiling man in hiking boots - local farmer Liam - waiting on the stone doorstep. His kind offer to help clear crumbling, isolated Driftwood House is hard to refuse, and despite Rosie's determination not to let anyone get close, soon they're walking and laughing together along the clifftops. As clouds scud across the endless sky and green waves crash against the shore, Rosie is reminded that nowhere is more beautiful than home. Then, up in the attic of Driftwood House, Rosie stumbles across a photo which exposes the heart-stopping truth about how her mother came to live at Driftwood House years ago - and Liam only seems concerned about the implications for his own nearby farm. Did he know this painful secret all along, and should she run from Heaven's Cove for good? Or will facing up to her devastating family history mean Rosie can finally put down roots in this beautiful place? This book can be enjoyed as a standalone. Get whisked away to the rugged, sweeping Devon coastline in this gripping story about old secrets, learning how to trust, and finding where home is. Fans of Debbie Macomber, Barbara O'Neal and Mary Alice Monroe will adore this gorgeous and uplifting read. Emanuel Swedenborg begins a journey through Scripture, laying out the inner meaning of the Bible verse by verse. He opens with the Creation story, describing how each step in the process relates to our growth and development as spiritual people. He traces the inner meaning history of the peoples described in the Bible and connects their story to our own trials and tribulations, showing how the Flood represents the spiritual devastation that urges us to begin our regeneration.

Secrets of Heaven Revealed! It is by faith, grace, and the spirit of our Lord Jesus Christ that the word was revealed to me. For over a decade, mankind misunderstood the power of our creator. Lord God Almighty has his own plan and purpose for our lives unless he reveals them to you. Through Jesus Christ we can claim our ownership to the kingdom of heaven. I dedicate this book of God to guide Christians and non-Christians for their search and pursuit for the truth. I pray that reading this book will enrich and transform your life. Also he will open your spiritual eyes so you may see; because he is the way the truth and the life. (John 14:6)

Lucy has a secret that if revealed could create havoc in Mary's life, but Lucy is not sure how long she will be able to keep quiet.

The greatest teacher who ever lived, Jesus knew how to reach his audience where they were at. Whether preaching to a group in parable or in intimate conversation, he had an unequalled ability to get across the message that his listeners needed to hear. His teachings in the Gospel are less directly to us today. But so rich in meaning are the words of our incarnate God, so layered and profound his messages, that often they go deeper than scratch their surface. And over time, our habit of superficial encounter with the Word can become self-perpetuating. In *Secrets from Heaven* Sebastian Walshe helps you break free from stale and familiar takes on the Gospel, giving you new eyes to see and new ears to hear the depths of Christ's wisdom. The Parable of the Sowers, the Good Samaritan, the Prodigal Son, the woman caught in adultery - all these are alive in fresh ways, revealing significant details and nuances, scriptural/historical connections, and testaments to Christ's rhetorical and literary genius that you've never noted before. You'll marvel at Jesus' skill as an evangelist; but more importantly, you'll be powerfully moved to do as just as those who heard him in person long ago. Nothing Jesus taught was truly "secret" - he revealed the Father for all the world to see. Secret doesn't mean his revelation is simplistic. Read *Secrets from Heaven* and go deeper into the saving mysteries of his life and words.

High on the clifftops, Lettie takes a deep breath of salty air and opens the letter. There is no signature, and the old-fashioned handwriting is written against the yellowed paper. The message, and the tiny gold key inside, will turn her life upside down... Lettie Starcross makes her way through the streets of Heaven's Cove, clutching a little key and searching for answers about her kind, twinkly-eyed Great Aunt Iris, whom she missed when she had no job back home, and no-one in her family understanding how adrift she feels, Lettie wonders if her aunt was lonely just like her - is that why she left this pretty seaside village years ago and never returned? Staying at Driftwood House where Iris lived, now a cosy B&B, Lettie can almost hear the laughter on the breeze. And when she locks eyes with brooding fisherman Corey as he's singing a haunting sea shanty in the local tavern, the sparks that fly between them are a welcome distraction from her grief. But everything changes when Lettie meets Corey's grandmother. Hearing the name 'Iris Starcross', her wrinkled face turns pale. Then she tells Lettie a devastating secret: seventy years ago, a choice Iris made tore apart the community. Heartbroken, Lettie questions if she ever really understood her beloved aunt - and if Corey knew about this shocking rift all along. When her sister calls begging her to come home, Lettie is torn. If she stays to find what the key unlocks, can she discover the truth about her aunt and fight for her own fresh start? Or will she be the next Starcross woman to run from Heaven's Cove forever? This book can be enjoyed as a standalone. An absolutely gorgeous read that will whisk you away to the stunning Devon coast, about family secrets, long-lost love and redemption. Ignite the hope of your calling. Soar on the wings of destiny. In this inspiring book by Paul Keith Davis, you'll discover supernatural visions, astonishing revelations, and divine encounters that describe rooms in Heaven containing precious mysteries. Read and discover a treasury of wisdom awaiting you in God.

The Victorians built tens of thousands of churches in the hundred years between 1800 and 1900. Wherever you might be in the English-speaking world, you will be close to a Victorian built or remodelled ecclesiastical building. Contemporary experience of church buildings is almost entirely down to the zeal of Victorians such as John Henry Newman, Henry Wilberforce and Augustus Pugin, and their ideas about the role of architecture in our spiritual life and well-being. In *Unlocking the Church*, William Whyte explores a forgotten revolution in social and architectural history and in the history of the Church. He details the architectural and theological debates of the day, explaining how the Tractarians of Oxford and the Ecclesiologists of Cambridge were embroiled in the aesthetics of architecture, and how the Victorians profoundly changed the ways in which buildings were understood and experienced. No longer mere receptacles for worship, churches became active agents in their own rights, capable of conveying theological ideas and designed to shape people's emotions. These church buildings are now a challenge: their maintenance, repair or repurposing are pressing problems for parishes in age of declining attendance and dwindling funds. By understanding their past, unlocking the secrets of their space, there might be answers in how to deal with the legacy of the Victorians now and into the future.

An unimaginable series of events have been taking place all over Europe. From north to south, divine beings are revealing their existence to humanity to deliver a message that shakes the foundations of mankind: we are your gods. The terrifying occurrences that take place after the revelation, push Arkadia and others to question the authenticity of the gods. Are these really their gods? Are they being manipulated by evil? Overwhelmed by the recent loss of his family during the events, Arkadia leans on the only thing that he has left in this world, his love for Sotiria. Will their love for each other help them survive the fall, or will it be the very emotion that destroys them as they try to inhale this new found way? Find out as the Archangel Raphael, gives his witness and testimony to Almighty God of the bloodshed, during Genesis chapter 6; what ultimately became known as the mythologies of the world. The mythologies that knew the beast of Revelations.

What are the ancient pathways that opened up the supernatural for the ancients like Moses, Elijah and Solomon. What ancient wisdom did the wisest man in the world possess allowing him to be an king, inventor, writer, scientist, psalmist, businessman, and see the glory cloud first hand as well as allowed Israel to even travel worldwide including ancient America. Where are the geographical and seasonal portals that have been forgotten. How does one tap into resurrection power as Elijah, Jesus and other did. Ancient secrets to world harvest including the mystery of role of the sons of Isaac and Ishmael unlocking world harvest.

Two sisters come to terms with their extraordinary powers in a new middle grade fantasy from Supergirl's Melissa Benoist and her sister, the writer Jessica Benoist, with the New York Times bestselling author, Mariko Tamaki Ellie McFadden has intuitive gifts. She can sense what other living things are feeling. She can even talk to animals! Too bad she can't connect with her twin sister, Parker. Parker McFadden has kinetic gifts. She can cause shocks to the earth and produce heat energy that explodes from her body like fire, especially when she is angry. The sisters aren't aware of the legacy they inherited from their mother until, on their thirteenth birthday, two mysterious relatives on the Power side whisk them off to an isolated sanctuary called Haven. Ellie immediately adapts to their new routine, but Parker has one impulse: to get back to her normal life of friends and sports, fast. Unlocking Haven's secrets is just the beginning of what Ellie and Parker can do if they choose to work together to harness their abilities. But the sinister force that took their mother has other plans; and if the sisters' fragile relationship succumbs to The Danger, a terrible fate may befall the people they love. This epic tale of two remarkable girls and the powers they wield is sure to appeal to fans of Chris Colfer, Rick Riordan, and Tui T. Sutherland.

When his disciples asked Jesus why he spoke in parables, Jesus did not say that the parables made his teachings easier to understand. Instead, he indicated that many people would misunderstand his parables. He suggested that they were spoken in a code that would only be understood by believers. "To you has been given to know the secrets of the kingdom of heaven, but to them it has not been given," he said (Matthew 13:11).What secrets are these? They are the identity of Jesus-truly and completely God, truly and completely human, and the world's only Savior and Redeemer-and

the mission of Jesus-to live a sinless life in the place of his people, and to offer that life as a sacrifice to redeem his people. Lacking knowledge of those secrets, the parables of Jesus appear to be lessons about how to live as Christians. Knowing those secrets, the parables are revealed as descriptions of how to have eternal life through the work of Jesus-his sinless life, his sacrificial death, and his victorious resurrection.This book guides the reader to understand the parables of Jesus according to the secrets of the kingdom of heaven. It helps the reader to become that disciple described by Jesus: "Every scribe who has been trained for the kingdom of heaven is like the master of a house, who brings out of his treasure what is new and what is old" (Matthew 13:52).

Now..... the answers to many of the hardest questions people ask about God, the Creation, and the Bible. The Deep Things of God by M.M. Tauson is an eye-opening reference work that all believers, as well as skeptics and unbelievers, must read, and keep! A Biblically, scientifically, and historically documented saga of the universe, the Earth, mankind, and Israel, this book has something for everybody - from the beginner to the master (436 pages). Some unsolicited comments about the book: The Deep Things of God "is excellent! Highly recommended to our readers. It contains a wealth of knowledge in various areas: History, theology, science, Scripture. (The author's) insights are amazing... I kid you not. This book is phenomenal!" - Richard Chaimberlin, Litt. D.; editor-publisher, Petah Tikvah ("Door of Hope"), Rochester, New York, USA. "Wow, what a book! ...It is a very interesting book, in many areas. I am reading it, a little everyday, along with my devotions... I would like to purchase 2 more copies... to share with brother Bill... and another friend." - Brian Allen, minister, The Indian Sabbath Trail, McEwen, Tennessee, USA. The Deep Things of God is "such an earth-shaking book. Turned my beliefs profoundly. I talk about it... in my radio program much... I discovered the Bible is truly fascinating, which you really brought out. From a former doubter, I was suddenly converted." - Manny Topacio, radio program host, "Somewhere in Time," DWBR 104.3 FM, Philippines. "I thank you profusely with deep gratitude for this opportunity to learn of the really important matters. I truly believe you were led by the Holy Spirit... I would like to purchase 10 books... God bless you immensely... I would request some time to talk about your WORK. I have so many questions. God bless you." - Carlos A. Pedrosa, former president, Philippine National Bank, Manila, Philippines. "What you wrote is excellent! This could have only been inspired by the One True God..." - Ferdy Corcuera, Bible student/researcher, Quezon City, Philippines.

What if every father discovered his true identity, power, and necessity? A father's mission is to be a link between heaven and earth, between God and his children. He does this by becoming the voice of the Father that his children cannot hear, the face of the Father that his children cannot see, and the touch of the Father that his children cannot feel. This is his mission, his challenge, and his call to glory. Show Us the Father contains the battle plan for living out this call, offering seven secrets to becoming the father that God has created and destined you to be. It is time for fathers to enter this battle, fully armed, with the bold commitment to sacrifice themselves for their wives, children, and the future of humanity by becoming like St. Joseph, a father on earth like the Father in heaven.

This book is a story of how the human body, has everything to do with the Kingdom of Heaven. For the Lord told us that the Kingdom of Heaven is within us. Many in the churches of today do not yet know this, and if they did, they probably would rather forget it, for with these revelations come many other truths about our God, and the Kingdom of Heaven, which they are not prepared to receive. How many today would even consider the belief that the entire spiritual world is within mankind, and that Heaven and Hell are not a place, but a state of mind. And who would believe that when man dies, he comes right back here to this earth, but in a different world.

Ancient Aliens meets The Da Vinci Code: What Alex Jones, Coast to Coast AM and David Wilcock didn't tell you. Ancient conspiracies, secrets and legend: Could ancient secrets have an effect on the polarized human life we live today? What are the origins of the "me too" movement and conflicts between the sexes? Where does the Russian meddling begin and end? From Dan Brown and the Da Vinci Code, Daniel Silva and The Unlikely Spy, to The Illuminatus Trilogy by Robert Shea and Robert Anton Wilson, writers have explored the secrets of religion, government agencies such as the FBI and CIA, the 'deep state', shadow governments and big business as they seek to establish, manage and control the advent of a New World Order. What is their ultimate goal? What truths do they seek to hide? Who is it that truly controls the events that affect human life? This book explores historical elements such as the impact of the Russian Revolution, biblical references and the fall of the Soviet Union as well as the story of Lucifer and the Fallen Angels, the book of Enoch and the role of the Vatican in shaping human history. Organized crime, the Mafia and a deep secret paranormal administrative body that truly influences and guides human kind are also explored as they too seek to exploit humanity in their sinister ambitions. The Narrator is the Author, Dee Martin, drawn innocently into the quest as a scribe, observer and historian but for what ultimate end? The main character is the erudite assassin Mr. French, employed by a deep, secretive administration to re-balance the scales of justice supporting a deep ancient conspiracy while readying the landscape for a final battle. We drift into and out of the backstory of the biblical fall of the Angels referenced but largely written out of the Bible although detailed by a man who walked with God...Enoch. A beautiful young girl taken from her village and exploited during The Fall is explored. The spirit of this long forgotten child is relived through the character of 'The Waif', a gorgeous, sardonic bartender in our modern world with attitude, whose curiosity thrusts her headlong into the story and into a whirlwind

romance. 'The Waif' symbolizes the curious, independent and intrepid feminine spirit that seeks to recover from this fall, a spirit subordinated and marginalized throughout time yet a spirit whose time to rise has come. But is it all too late?

Sacred Lessons from Heaven to Help Us Fulfill Our True Purpose, from the Bestselling Author of *Saved by the Light* In 1975, Dannion Brinkley was struck and killed by lightning. When he awoke in a morgue twenty-eight minutes later, everything was forever changed. Over the next twenty years, Brinkley had not one, but two more near-death experiences. Now, in *Secrets from the Light*, he shares the lessons he learned in the afterlife so we, too, can fulfill our true purpose in life. With wit, humor, and compassion, Brinkley shows that by living the way Heaven intends, you will find happiness in this life and beyond.

The first major theological work of the Swedish scientist-turned-seer Emanuel Swedenborg, *Secrets of Heaven* is in one sense a traveler's account. It reveals the unseen realms that await beyond death--the light, the warmth, and harmony of the angelic heavens and the varied darkness of the multitudinous hells. But in addition, the work offers a detailed examination of Genesis and Exodus, providing a model for a new way to understand the entire Bible. Prized for both the simplicity of its explanation and the breadth and depth of its vision, Swedenborg's reading of Scripture discloses layer upon layer of inner meaning, all without undermining the power and import of the literal word. The New Century Edition of the Works of Emanuel Swedenborg is a modern-language, scholarly translation of Swedenborg's theological works. The series' easy-to-read style retains the dignity, variety, clarity, and gender-inclusive language of Swedenborg's original Latin, bringing his thought to life. This portable edition of *Secrets of Heaven* vol. 1 includes the text of the New Century Edition without the introduction, annotations, and other supplementary of the deluxe hardcover and paperback editions.

Touching Heaven Through Prayer is based on the authors personal experience of embracing a closer walk with God through prayer. In the book you will discover the secrets of a prayer warrior. 1. God's promises are idle until men claim them through earnest prayer 2. Prayer is an indication of your spiritual life and vitality 3. When prayers are answered, it increases your faith, when answers are delayed it increases your patience and when prayers are not answered God has a better thing for you. 4. You see more on your Knees than on your feet 5. Prayer is a sin killer, a power bringer, a victory giver, a holiness promoter, a dispute solver, an obstacle remover and Christ revealer.

SECRETS FROM HEAVEN

Heaven on Earth

I spent most of my life believing I was flawed, ugly, and that there was something wrong with me to the core of my being. I was taught to trust the wrong people through events in my childhood. I found myself in so many abusive relationships and wasn't even aware of the fact that they were abusive. I was shut down, living in "fright or flight," not able to think for myself. It was what I knew to be normal. It took a Near-Death Experience to reconnect myself to my spirit, I then was able to look at my life from a audience perspective. That's when I discovered I was living in complete fear. So much fear that I had attracted a man involved in a Satanic Cult into my life. How did I end up with a man involved in a Satanic Cult I tell a very honest, raw, revealing story of how damaging abuse and bullying was to the emotional part of me. I share tools and techniques that allowed me to heal my wounds. I believe that had I not had the NDE I would not be alive! I do not share details of the abuse however this book is not for the faint of heart! My journey has been terrifying at times, there were moments when I was hanging on by a thread. Yet in those moments I found the strength to my healing. The journey was so guided and I know that I was meant to experience everything to write this book. It is my honour to share how I healed my childhood emotional wounds of bullying and abuse at the hands of my father, as well as my peers. This book is so revilement with the times we are in, "Me

Too."

In her powerful, prophetic teaching style, bestselling author Jennifer Eivaz helps readers to continually sharpen their gifting in order to minister healing, breakthrough, and a supernatural display of God's glory. Helping those with this unique and powerful anointing, she teaches how to · learn the value of spending time in the secret place with God · distinguish the extraordinary voice of God · grow in knowledge of signs and dreams · avoid pet doctrines, fads, and heresies · understand when to keep a prophetic word, and when to let it go The world is desperate to hear the voice of God clearly--it is vital that his prophets give true expression to all that is on his heart. Are you prepared to become all God has created you to be?

*From the pen of prizewinning author Tom Harper, this is a high-octane adventure thriller in the bestselling tradition of The Da Vinci Code. Jam-packed with murder, mystery and mind-blowing revelations, it is perfect for fans of Dan Brown, Clive Cussler and Scott Mariani. 'In the tradition of The Da Vinci Code, a page-turner of a novel. Secrets of the Light

Show Us The Father

What is heaven like? What is your soul's purpose? Can you unlock your divine potential? With advances in modern medicine enabling more and more people to be brought back from the brink of death, it is now possible to paint a vibrant picture of what lies beyond. It is also possible to discover more about our spiritual destiny from near death experiences. Each afterlife experience offers us powerful clues into our soul's purpose, and in this fascinating new book Theresa Cheung unveils these life-changing truths, or insights, as the Ten Secrets of Heaven. It is only through our understanding of their meaning on earth that we can discover heaven and eternal life. After explaining each of the ten secrets, Theresa will show how heaven can disguise itself in aspects of daily life, such as health, career, money, love & relationships and life goals, and also during times of crisis, such as when we are depressed, grieving, lacking direction or experiencing heartbreak. Truly understanding how the Ten Secrets of Heaven can be harnessed for our wellbeing will bring enlightenment, peace and joy. It will also leave no doubt that nothing in this life is as it seems and death is not the end.

DIV We live in an age when events and circumstances fill us with questions and apprehension: "What is going on?" "Why are these things happening?" "What is going to happen next?" Like the commercial about E. F. Hutton, the world is longing to eavesdrop on sec/div

This fascinating book will reveal to mankind for the first time many secrets about the interworking of the Octaves. The author wrote this book with the intension of introducing "light bodies" for the first time to mankind. It describes what light bodies are responsible for and how they can help bring blessings or change in a person's life. The reader will be fascinated to learn the secrets of heaven never revealed before and how heaven is referred to as the Octaves. It makes mankind aware of the good-versus-evil war the Octaves are continuing to fight daily, and how Cosmic Beings, Angels and BEINGS help mankind. It mentions the elaborate computer system, soul exchanges, and why it's necessary to remove a soul from that life, along with an inside personal view of souls and their communication at the karmic board. The helicopter view is a unique written approach that will allow readers a perspective similar to watching a movie of many souls's lives.
