**"Funny, tender, and occasionally wacky, this trio of short romantic comedies gets the holidays off to a lively start as three heroines find love in unexpected ways. Plumley's lighthearted sense of fun, sassy dialog, and likable characters make for an appealing holiday collection." --Library Journal**

**This Christmas, chill out and cuddle up with these enchanting holiday stories... Mistletoe and Holly Accountant Holly Aldridge scrupulously plans everything in her life—until her boyfriend gets spontaneous by dumping her right before Thanksgiving. Still, Holly's sure he'll reconsider, given a little time...and a reason to be jealous. That reason, all six-feet-plus of him, is her new roommate, Sam McKenzie. If Sam has his way, Holly will have a sizzling new romance by Christmastime... Christmas Honeymoon Some women would consider it the perfect Christmas gift: an all-expenses-paid Vegas honeymoon. But Stacy Ames isn't some women. Actually, she's supposed to be posing as her cousin Janie.**

**Too bad Stacy's faux hubby turns out to be her infuriatingly sexy ex, Dylan. Fortunately, mistletoe and free champagne have a way of turning "too bad" into very, very good... A Baby for Christmas Kahlúa, coffee, and sympathy—it's amazing the trouble they can get a girl into. Chloe Carmichal was only trying to help her best pal (and secret crush), Nick, drown his sorrows. She never expected they'd end up having a hot-and-heavy tryst that Nick's hangover would make him forget, but that Chloe will always remember...since she'll have his baby as a Christmas memento...**

**THROUGH THE EYES OF A CHILD is a true story of how I understood my life as a child and some of the decisions and consequences that followed as an adult due to the lack of parental guidance, love, and the feeling of being accepted as an OK**

person. I am a true believer that if God had not shown up in my life when He did and had not intervened, I and my two children would not be alive today. I was born in East Texas in Marshall in 1947 and was the oldest of three children born to my parents. We were children from the first marriage. Later my dad married seven more times and my mom eight more times, marrying the same man twice. As I talk about the path of life that I followed, you can understand as a reader how the dysfunctional childhood played a large part in my life. Along with the dysfunction was a mixture of physical abuse & neglect, abandonment, domestic violence, alcoholism, and poverty. The first book that my sister, Mary King, wrote and I contributed is titled NO POT, NO WINDOW. She and I collaborated on the past memories in her book as well as her writing of her decisions and consequences in life. She joined the military and later retired after 21 years of active duty service as a Lieutenant in the United States Navy. I retired this year from the work force with the State of Texas and have built a cabin in the mountains of south east Oklahoma where I currently reside, single, with my two Chihuahuas, Yo Quiero and Little Man. My two children are

**married and live with their families in the Dallas, Ft. Worth area of Texas. I have a total of six grandchildren.**

Kawasaki Z1, Z/KZ900 & Z/KZ1000 is for all owners and enthusiasts of the legendary Kawasaki Z1 900, Z/KZ900 and Z1000 built between 1972 and 1980. The book covers the complete restoration of a 1976 KZ900, from the sourcing of the bike to its completion as a fully restored machine. Every area is covered starting with advice on the different models, spares availability, and where best to source a bike to restore. Every area of the restoration is then covered in full detail including the engine, frame, gearbox, wheels, suspension and forks, brakes, ancillaries, bodywork and electrics, accompanied by hundreds of clear color photos to illustrate the text. Additional work on a 1974 Z1A model adds complementary information. What really sets this manual apart, however, is the style in which it is written: not as some dull and distant workshop manual but in a friendly, humorous manner by an enthusiast of many years who is able to involve and

entertain the reader, as well as guiding them through the restoration process. This is the third restoration guide from Chris Rooke, whose previous works have been a massive hit with mechanics, enthusiasts and restorers throughout the world.

WALNECK'S CLASSIC CYCLE TRADER, MARCH 1997

American Motorcyclist

Originally published: Center Conway, N.H.: Whitehorse Press, 2004.

Anita Lahey's second collection, Spinning Side Kick, is a

hard-knuckled look at the other half. These lively poems mix a girl-about-town cockiness with an all-too-rare emotional honesty about men, love, and relationships. Whether the subject is a one-man chimney demolition, lifelong fidelity of seahorses, a lover at war in Afghanistan or a kickboxing match, Lahey confronts the enduring disconnect between the sexes in a language that is slangy and quick, punctuated with jabs. She eyes those moments—in a day, in a life—when the normal clues we rely on disappear, shifting the line between domesticity and danger. In *Spinning Side Kick*, a talented poet returns with sharper aim.

Life has gotten a bit boring for Zuria Johnston, and with the exception of her Friday nights out with her best, flamboyant friend, Chase, and her job as a guidance counselor, she seems to have hit a rut. After a rough breakup with her longtime boyfriend, Manuel, her prospects of finding a man also seem pretty bleak. That is, until she connects with her poetic crush, Amir, and he opens her eyes to a world of romance and passion that she didn't know existed. She discovers what it feels like to be loved as a real woman should, and to overcome the difficulties of being a young, strong, black woman who is afraid to have her heart broken for a second time. The thrill of new romance seems to fill the emptiness in her life, but her life isn't as easy to escape as she first thought. Mistakenly, she thought she had left behind threaten to undo everything that she has begun to build in this new chapter of her life, but she isn't the only one battling the demon

her past. The poetic and passionate Amir harbors some dark secrets of his own, and when the truth begins to come out, the connection between her two lovers, old and new, may end her short reign of happiness before it even fully begun. With love from one man and sworn vengeance from another, Zuria is trapped in the middle trying desperately to make her way through the tangled troubles of family, love, and happiness. The problem is, she might lose more than the man of her dreams. As this complex and spellbinding story reaches its peak, Zuria will have to risk mind, body, and soul for herself and the people she loves, but will that final risk mean achieving the life she'd always dreamed of? Or will she end up making the ultimate sacrifice?
