

## Sheet Music Haendel Georg Friedrich Sarabande

**Richard Simm adds to his successful series of two piano works this wonderful arrangement of a beloved Baroque masterpiece. The piano parts are equal in difficulty and use of the familiar theme, and both lay easily under the hands. The ensemble between instruments is also easily achieved. Sure to be a favorite of students and two piano teams!**

**This clear and comprehensive study of the long history of the Jewish people covers all the key issues, from the experiences of exile to the challenge of feminism and the split between Orthodox and non-Orthodox.**
