Jason Carrillo is a jock with a steady girlfriend, but he can't stop dreaming about sex...with other guys. Kyle Meeks doesn't look gay, but he is. And he hopes he never has to tell anyone -- especially his parents. Nelson Glassman is "out" to the entire world, but he can't tell the boy he loves that he wants to be more than just friends. Three teenage boys, coming of age and out of the closet. In a revealing debut novel that percolates with passion and wit, Alex Sanchez follows these very different high-school seniors as their struggles with sexuality and intolerance draw them into a triangle of love, betrayal, and ultimately, friendship. Astrid Jones desperately wants to confide in someone, but her mother's pushiness and her father's lack of interest tell her they're the last people she can trust. Instead, Astrid spends hours lying on the backyard picnic table watching airplanes fly overhead. She doesn't know the passengers inside, but they're the only people who won't judge her when she asks them her most personal questions . . . like what it means that she's falling in love with a girl. As her secret relationship becomes more intense and her friends demand answers, Astrid has nowhere left to turn. She can't share the truth with anyone except the people at thirty thousand feet, and they don't even know she's there. But little does Astrid know just how much even the tiniest connection will affect these strangers' lives--and her own--for the better. In this truly original portrayal of a girl struggling to break free of society's definitions, Printz Honor author A.S. King asks readers to question everything--and offers hope to those who will never stop seeking real love.

Inspired by the Greek myth of Iphigenia and the Grimm fairy tale "Brother and Sister," Michelle Ruiz Keil's second novel follows two siblings torn apart and struggling to find each other in early '90s Portland. All her life, seventeen-year-old Iph has protected her sensitive younger brother, Orr. But this summer, with their mother gone at an artist residency, their father decides it's time for fifteen-year-old Orr to toughen up at a wilderness boot camp. When their father brings Iph to a work gala in downtown Portland and breaks the news, Orr has already been sent away against his will. Furious at her father's betrayal, Iph storms off and gets lost in the maze of Old Town. Enter George, a queer Robin Hood who swoops in on a bicycle, bow and arrow at the ready, offering Iph a place to hide out while she tracks down Orr. Orr, in the meantime, has escaped the camp and fallen in with The Furies, an all-girl punk band, and moves into the coat closet of their ramshackle pink house. In their first summer apart, Iph and Orr must learn to navigate their respective new spaces of music, romance, and sex-work activism--and find each other before a fantastical transformation fractures their family forever. Told through a lens of magical realism and steeped in myth, Summer in the City of Roses is a dazzling tale about the pain and beauty of growing up.

From INTERNATIONAL BESTSELLING authors Adam Silvera (They Both Die At The End) and Becky Albertalli (Simon vs. The Homo Sapiens Agenda) comes a long-awaited collaboration about two very

different boys who can't decide if the universe is pushing them together or pulling them apart. Soon to be a feature film, adapted by the creator of 13 Reasons Why! Meet Arthur and Ben.

ARTHUR is only in New York for the summer, but if Broadway has taught him anything, it's that the universe can deliver a showstopping romance when you least expect it. BEN thinks the universe needs to mind its business. If the universe had his back, he wouldn't be carrying a box of his ex-boyfriend's things. But when the boys have a chance meeting at the post office, they leave wondering what exactly the universe does have in store for them. What if - in a city of eight million people - they can't find each other again? What if they do ... and then can't nail a first date even after three do-overs? What if Arthur tries too hard to make it work and Ben doesn't try hard enough? What if life really isn't like a Broadway play? But what if it is? What if it's us? PRAISE FOR WHAT IF IT'S US: 'Romantic, realistic and sweet, this perfectly captures New York, teenage love and life in that gray area when you're not quite an adult and not quite a child either.' The beloved, award-winning novel is now a major motion picture, Love, Simon, starring 13 Reasons Why’s Katherine Langford and Everything, Everything’s Nick Robinson. Sixteen-year-old and not-so-openly gay Simon Spier prefers to save his drama for the school musical. But when an email falls into the wrong hands, his secret is at risk of being thrust into the spotlight. Now Simon is actually being blackmailed: If he doesn’t play wingman for class clown Martin, his sexual identity will become everyone’s business. Worse, the privacy of Blue, the pen name of the boy he’s been emailing with, will be jeopardized. With some messy dynamics emerging in his once tight-knit group of friends and his email correspondence with Blue growing more flirtatious every day, Simon’s junior year has suddenly gotten all kinds of complicated. Now change-averse Simon has to find a way to step out of his comfort zone before he’s pushed out-without alienating his friends, compromising himself, or fumbling a shot at happiness with the most confusing, adorable guy he’s never met.

Over a hundred years after the Mahabharata War, an ancient power threatens to destroy the new Age of Men, by establishing the Age of Terror of the asuras, long believed to be extinct. The only hurdle in its path is Guru Dronacharya’s son, the mighty but accused warrior Ashwatthama, who lost all his powers following Lord Krishna’s curse, and who unwittingly finds himself drawn into the quest of the lost bow of Lord Rama—the Kodanda. As ghosts of the distant past return to haunt him, and the line between friends and enemies blurs, Ashwatthama must fight his inner demons to emerge victorious. He undertakes a perilous journey—across the vast plains of the Ganges, to the snow-capped peaks of the Himavant—where the price of failure is a fate worse than death, and death is a privilege not granted to Ashwatthama. Is this all part of Lord Krishna’s great plan? Will Ashwatthama be able to regain his lost glory?

An emotionally charged story about the power of dreams, and how passion can turn to obsession. Beck hates his life. He hates his violent mother. He hates his home. Most of all, he hates the piano that his mother forces him to play hour after hour, day after day. He will never play as she did before illness ended her career and left her bitter and broken. But Beck is too scared to stand up to his mother, and tell her his true passion, which is composing his own music - because the least suggestion of rebellion on his part ends in violence. When Beck meets August, a girl full of life, energy and laughter, love begins to awaken within him and he glimpses a way to escape his painful existence. But dare he reach for it? Thrilling and powerfully written, this is an explosive debut for YA readers which tackles the dark topic of domestic abuse in an ultimately hopeful tale.

Grasshopper Jungle is smart, cool and laconic contemporary young adult fiction. I read somewhere that human beings are genetically predisposed to record history. We believe it will prevent us from doing stupid things in the future. This is my history. There are things in here: Babies with two heads, insects as big as electric guitars, God, the devil, limbless warriors, rocket ships, sex, diving bells, theft, wars, monsters, internal combustion engines, love, cigarettes, joy, bomb shelters, pizza, and cruelty. Just like it's always been.

“A story that’s sure to stick with you for a long time.” —BuzzFeed “More than a coming-of-age novel.” —School Library Journal “[An] inventive, deeply heartfelt love story that explores connections of many kinds.” —Booklist A teen outcast is simultaneously swept up in a whirlwind romance and down a rabbit hole of dark family secrets when another Taiwanese family moves to her small, predominantly white midwestern town in this remarkable novel from the critically acclaimed author of American Panda. Seventeen-year-old Ali Chu knows that as the only Asian person at her school in middle-of-nowhere Indiana, she must be bland as white toast to survive. This means swapping her congee lunch for PB&Js, ignoring the clueless racism from her classmates and teachers, and keeping her mouth shut when people wrongly call her Allie instead of her actual name, pronounced ?h-l?e, after the mountain in Taiwan. Her autopilot existence is disrupted when she finds out that Chase Yu, the new kid in school, is also Taiwanese. Despite some initial resistance due to the “they belong together” whispers, Ali and Chase soon spark a chemistry rooted in competitive martial arts, joking in two languages, and, most importantly, pushing back against the discrimination they face. But when Ali’s mom finds out about the relationship, she forces Ali to end it. As Ali covertly digs into the why behind her mother’s disapproval, she uncovers secrets about her family and Chase that force her to question everything she thought she knew about life, love, and her unknowable future. Snippets of a love story from 19th-century China (a retelling of the Chinese folktale The Butterfly Lovers) are interspersed with Ali’s narrative and intertwined with her fate.

Now Simon is actually being blackmailed: If he doesn't play wingman for class clown Martin, his sexual identity will become everyone's business. Worse, the privacy of Blue, the pen name of the boy he's been emailing with, will be jeopardized. With some messy dynamics emerging in his once tight-knit group of friends and his email correspondence with Blue growing more flirtatious every day, Simon's junior year has suddenly gotten all kinds of complicated. Now change-averse Simon has to find a way to step out of his comfort zone before he's pushed out-without alienating his friends, compromising himself, or fumbling a shot at happiness with the most confusing, adorable guy he's never met. --Andrew Smith, author of Grasshopper Jungle
