

Sports Illustrated Swimsuit 2018 Mini Wall Calendar

A taxi driver seeks meaning in the Alaskan backcountry and through stories of the people in his cab in this thoughtful memoir of travel and nature. Rob McCue takes us on a journey from the mountains of Alaska to the streets of its second largest city in a quest to better understand whatever the heck is going on in this world. Along with anecdotes about his encounters with colorful characters and his many wilderness adventures, McCue provides fascinating and insightful descriptions of the geological, biological, and climactic circumstances that have shaped this great land. From Fairbanks to the Yukon River and beyond, McCue brings interior Alaska to life. Meanwhile, he explores his own transformation from a hedonistic young drifter to an adult who accepts his responsibility to his family and community.

A children's board book about respecting body boundaries. Teaches babies, toddlers, and thoughtful parents that it is okay for kids to say no to hugs and kisses, and that what happens to a person's body is up to them. Inspired by the #MeToo movement, written by a mom, illustrated by a feminist artist, and successfully crowdfunded on Kickstarter. Follows recommendations by child experts about allowing kids to decide when and how to offer affection to others. Helps young kids grow up confident in their bodies, comfortable with expressing physical boundaries, and respectful of the boundaries of others.

The collected thoughts and reflections of the Yale class of 1970 upon the occasion of their 40th college reunion.

With more than 250 photographs and behind-the-scenes images, Swimsuit Portfolio: The Explorers Edition offers an exclusive tour with models and photographers seeking adventure in the world's most luscious locales.

The Mirage of Big Data

For many in the west, the mention of Africa immediately conjures up images of safaris, ferocious animals, sparsely dressed "tribesmen," and impenetrable jungles. Newspaper headlines rarely touch on Africa, but when they do, they often mention authoritarian rule, corruption, genocide, devastating illnesses, or civil war. Advertising, movies, amusement parks, cartoons, and many other corners of society all convey strong mental images of the continent that together form a collective consciousness. Few think to question these perceptions or how they came to be so deeply lodged in western minds. Mistaking Africa looks at the historical evolution of this mind-set and examines the role that popular media plays in its creation. The authors address the most prevalent myths and preconceptions and demonstrate how these prevent a true understanding of the enormously diverse peoples and cultures of Africa. Updated throughout, the fifth edition considers images of Africa from across the world and provides new analysis of what Africans are doing themselves to rewrite the stories of their continent, particularly through social and digital media. Mistaking Africa is an important book for African

studies courses and for anyone interested in unraveling misperceptions about the continent.

Patterns in data are often used as evidence, but how can you tell if that evidence is worth believing? The Phantom Pattern Problem helps readers avoid being duped by data, tricked into worthless investing strategies, or scared out of getting vaccinations. Becoming a sceptical consumer of data is important in this age of Big Data.

This edited collection explores how First Lady Michelle Obama gradually expanded and broadened her role by engaging in social, political and economic activities which directly and indirectly impacted the lives of the American people, especially young women and girls. The volume responds to the various representations of Michelle Obama and how the language and images used to depict her either affirmed, offended, represented or misrepresented her and its authors. It is an interdisciplinary evaluation by African American women and girls of the First Lady's overall impact through several media, including original artwork and poetry. It also examines her political activities during and post-election 2016.

Good News!—There IS a Right Weight-Loss Plan for You and YOU Alone! For decades, people have chosen diets based on what worked for someone else—some celebrity they admire, a coworker, or friend. Wrong approach! Diet and fitness expert Christine Lusita has been there. As she points out, “All my life I’d been hearing about workouts and diets that were supposed to be good for me. But each time I ‘failed,’ I felt as if I was the problem. I knew something had to change, and it wasn’t about finding the next gimmick. It was about finding what worked for me.” In this highly-relatable and easy-to-follow guide, Christine shows you how to achieve YOUR version of personal success. Having battled for years with endless dieting, Christine has created a unique, individualized weight-loss transformation system for people exactly like you—who have no time, tons of stress and a constant battle with the mirror and the scale. You’ll learn to: Pinpoint exactly what fitness and food plan works for you Have fun (really!) with your workout routine Get rid of toxic people, problems and other energy-sucks Find guilt-free “me” time Kick your inner critic to the curb Calm your kind of crazy--without the milkshakes! Love who you are, what you are, and where you are Create a lifestyle that empowers you instead of defeats you Forget any ideas you've had about how you're "supposed" to lose weight. The Right Fit Formula shows you how to fuel your aspirations and reach your goals that don't involve landing on some magic number on the scale. With personality-driven recipes, food plans, and workouts, you learn to live your best, fittest, and healthiest life, not someone else's idea of perfection. Let Christine show you how easy it is to live your life, and lose weight, too!

The Second Continuum: Book One of the Collective Cosmos Series

Stoic men, who believe they're happy alone, find the world turned upside down when their perfect someone stumbles across their path. In four novellas, eight men encounter unique struggles on their way to their well-deserved happily ever afters. Marc joins the Lonely Hearts chat room where men support men on their way to finding true love. He wants to believe that kind of love is possible for him, but his once-burned heart stops him from going all-in with anyone. The chat group's philosophy is, "Figure out how you keep screwing up your happily ever after. Once you know, you're more likely to find the true thing." Skeptical as he is, Marc logs in and meets men in various degrees of getting there. At least he's not alone. Luther truly loves his single life on the Bakken oil fields. William's not sure he'll ever measure up, let alone find someone he can be himself around. And Andrew still pines for a guy he hooked up with on a reenactment battlefield before he got blown up on a real one. One by one they start dropping like flies. Flies drunk on love. And sooner than he expects, Marc's luck starts changing thanks to these new friends. Walk alongside these men as they find the men of their dreams and discover their happily ever afters. Includes Bent Arrow, Stroke of Luck, Momo, and Love on a Battlefield.

Revised and updated for 2020! The New England Patriots' feat of six Super Bowls in 17 years represents the gold standard of dominance every sports franchise strives for. With Bill Belichick and Tom Brady at the helm, the Patriots' unlikely victory back in February 2002 became a fulcrum that tipped decades of failure into a run of dynastic success. In this revised and updated edition, bestselling author Jerry Thornton provides a behind-the-scenes look at each of the team's six championships, revealing the adversity they faced and reveling in the hard-fought victories they earned. This is the story of a franchise, a culture, and a people told from a true fan's perspective. It's about a franchise that has seemingly dealt only in extremes, hated by the nation in a way that has only fortified the strength of its supporters. Most of all, it's a story about remarkable people defying history to write their own. Six Rings is the must-read account of this unforgettable era in football.

Poet Claudia Emerson begins Figure Studies with a twenty-five-poem lyric sequence called "All Girls School," offering intricate views of a richly imagined boarding school for girls. Whether focused on a lesson, a teacher, or the girls themselves as they collectively "school" -- or refuse to -- the poems explore ways girls are "trained" in the broadest sense of the word. "Gossips," the second section, is a shorter sequence narrated by women as they talk about other women in a variety of isolations; these poems, told from the outside looking in, highlight a speculative voicing of all the gossips cannot know. In "Early Lessons," the third section, children narrate as they also observe similarly solitary women, the children's innocence allowing them to see in farther than the gossips can. The fourth section offers studies of women and men in situations in which gender, with all of its complexities, figures powerfully. The follow-up to the Pulitzer Prize-winning collection Late Wife, Figure Studies upholds Emerson's place among contemporary poetry's elite. The Mannequin above Main Street Motors When the only ladies' dress shop closed, she was left on the street for trash, unsalvageable, one arm missing, lost at the shoulder, one leg at the hip. But she was wearing a blue-sequined

negligee and blonde wig, so they helped themselves to her on a lark -- drunken impulse -- and for years kept her leaning in a corner, beside an attic window, rendered invisible. The dusk was also perpetual in the garage below, punctuated only by bare bulbs hung close over the engines. An oily grime coated the walls, and a decade of calendars promoted stock-car drivers, women in dated swimsuits, even their bodies out of fashion. Radio distorted there; cigarette smoke moaned, the pedal steel conceding to that place a greater, echoing sorrow. So, lame, forgotten prank, she remained, back turned forever to the dark storage behind her, gaze leveled just above anyone's who could have looked up to mistake in the cast of her face fresh longing -- her expression still reluctant figure for it.

Two Best Friends Make It through a Pregnancy, with All its Gut-Busting Hilarity and Gross Bits Maternity isn't all sunshine and rainbows and natural glows. It's also elastic waistbands, hot flashes, and throbbing breasts! When Jillian Parsons's best friend forever, Allison Baerken, finds herself knocked up, both women are thrown into a nine-month roller coaster ride of emotions—even though only one of them is pregnant. Say No to Placenta Pics is the ultimate BFF's uncensored, tell-all guide to the down and dirty of pregnancy for all badass moms-to-be (and their nonpregnant friends watching from the side lines) who desperately need a joke over the next nine months. Together, Allison and Jillian ride the learning curves from first trimester to after birth, rejecting standard pregnancy fluff in self-help books, exploring the issues about mother-to-be-hood no one else seems to have the guts to: The anti-sex appeal of maternity negligees Surviving the high school experience of online mommy groups Resisting the urge to overshare on Facebook Executing the right angles on a maternity photo shoot Listening to yet another birth story from a stranger Witty, tongue-in-cheek, and fearlessly relatable, Say No to Placenta Pics is the realest girl talk between two women who deliver a satirical breakdown of modern-day maternity and what it means to be, and not to be, a Mom

Following the remarkable success of the 50th year anniversary edition, we're pleased to present Playboy: Centerfolds, 60th Anniversary Edition. The content remains the same—every Centerfold from every issue. That's over 600 beauties with additional Centerfolds through the present to make this Playboy's most complete photographic volume to date. Hefner introduces the book and literary luminaries including Paul Theroux, Jay McInerney, and Daphne Merkin comment on the social mores and cultural

climate of each decade. This chronological collection provides an unparalleled view of our evolving appreciation of the female form: from the fifties fantasy of voluptuous blondes to the tawny beach girls of the seventies to the groomed and toned women of today. Playboy: Centerfolds, 60th Anniversary Edition is a breathtaking tour de force.

Antoine de Saint-Exupéry's *The Little Prince* remains one of the most treasured books of all time. This commemorative kit includes: 3" light-up collectible of the Prince's cherished rose, set under a clear dome and on a base bearing the story's most famous quote: "It is only with the heart that one can see rightly; what is essential is invisible to the eye." 32-page book of quotes and full-color artwork from *The Little Prince*

Age range 3 to 6 Astronomy is the science of studying the Universe. But what, exactly, is in the Universe? How do stars shine, and how was our moon created? How many planets are in our solar system? What kinds of tools can we use to see all of these breathtaking things in the sky? What's the difference between a galaxy and a solar system? Simply, what makes the Universe so special? Discover the answers to these questions--and so much more--in this extraordinary book for young readers. Flip through 22 fascinating pages and learn fun facts all about the universe by getting lost in captivating illustrations and text about that big wide-open space above us. Did you know that everything you can see, touch, taste, and smell is actually just a teeny tiny part of the Universe? Or that even though Earth has only 1 moon, Jupiter has 79 and Saturn has 82? Or did you know that there is a planet that's made of diamond? Little Leonardo's *Fascinating World of Astronomy* joins the *Little Leonardo Fascinating World of* series, illustrated by Greg Paprocki.

Living in a Media World

An artist harassed by vandals finds solace with her sexy new neighbor in this romantic suspense thriller by the author of *Buried Truth*. Artist Nina Hutton finds a lottery ticket on the beach, stuffs the crumpled paper in her pocket—then forgets all about it. Distracted and shaken by a series of break-ins at her home, Nina turns to her handsome new neighbor for help and protection again and again. Since the death of his wife in a drive-by shooting, Teague O'Dell has moved from the city to the small town of Siren Cove, determined that his daughter will grow up in a safe environment. But when the intriguing woman next door is plagued by a mysterious vandal, he wonders if his new home harbors unexpected dangers. The winning lottery numbers have been revealed, and the owner will do whatever it takes to claim the prize. And the closer Nina and Teague get to each other, the

closer they may get to exposing a horror that could cost them everything . . . Praise for the writing of Janine Gallant "An exciting new voice in romantic suspense." —Mary Burton, New York Times-bestselling author "Every Move She Makes will have you looking over your shoulder long after the lights go out." —Nancy Bush, New York Times-bestselling author "Jannine Gallant gives you a satisfying read." —Kat Martin, New York Times-bestselling author "Gallant is a talented author who knows how to grab your attention and keeps the suspense in high gear until the end." —RT Book Reviews on Buried Truth

"Based on in-depth interviews with more than 200 leading entrepreneurs, [including the founders of LinkedIn, Chipotle, eBay, Under Armour, Tesla Motors, SpaceX, Spanx, Airbnb, PayPal, JetBlue, Gilt Group, Theranos, and Dropbox], a business executive and senior fellow at [the Harvard Kennedy School] identifies the six essential disciplines needed to transform your ideas into real-world successes, whether you're an innovative manager or an aspiring entrepreneur"--

Sports Illustrated Swimsuit Portfolio: The Explorers EditionSports Illustrated

Comedian and star of The Office and Unbreakable Kimmy Schmidt Ellie Kemper delivers a hilarious, refreshing, and inspiring collection of essays "teeming with energy and full of laugh-out-loud moments" (Associated Press). "A pleasure. Ellie Kemper is the kind of stable, intelligent, funny, healthy woman that usually only exists in yogurt commercials. But she's real and she's all ours!" —Tina Fey "Ellie is a hilarious and talented writer, although we'll never know how much of this book the squirrel wrote."—Mindy Kaling Meet Ellie, the best-intentioned redhead next door. You'll laugh right alongside her as she shares tales of her childhood in St. Louis, whether directing and also starring in her family holiday pageant, washing her dad's car with a Brillo pad, failing to become friends with a plump squirrel in her backyard, eating her feelings while watching PG-13 movies, or becoming a "sports monster" who ends up warming the bench of her Division 1 field hockey team in college. You'll learn how she found her comedic calling in the world of improv, became a wife, mother and New Yorker, and landed the role of a bridesmaid (while simultaneously being a bridesmaid) in Bridesmaids. You'll get to know and love the comic, upbeat, perpetually polite actress playing Erin Hannon on The Office, and the exuberant, pink-pants-wearing star of Unbreakable Kimmy Schmidt. If you've ever been curious about what happens behind the scenes of your favorite shows, what it really takes to be a soul cycle "warrior," how to recover if you accidentally fall on Doris Kearns Goodwin or tell Tina Fey on meeting her for the first time that she has "great hair—really strong and thick," this is your chance to find out. But it's also a laugh-out-loud primer on how to keep a positive outlook in a world gone mad and how not to give up on your dreams. Ellie "dives fully into each role—as actor, comedian, writer, and also wife and new mom—with an electric dedication, by which one learns to reframe the picture, and if not exactly become a glass-half-full sort of person, at least become able to appreciate them"

(Vogue.com).

A feminist-inflected investigation of color and image-driven consumer culture, Glass Life brings together Sara Cwynar's multilayered portraits and stills from the films Soft Film (2016), Rose Gold (2017), and Red Film (2018). Cwynar's research-driven and visually complex images constitute the hallmarks of contemporary post-Pictures Generation work--in which photography is pursued in relation to film, sculpture, digital culture, and the cultural and technological history of image-making. Cwynar's work revolves around her interest in subjective notions of beauty through images; the fetishization of consumer objects and colors; and the exploration of the informal image archives that have emerged around the industrialization and capitalization of these ideas. As part of her core practice, Cwynar collects, arranges, and archives her eBay purchases and creates studio studies of these consumer objects, exploring how images circulate online and how the lives and purposes of both physical objects and their likenesses change over time. Sara Cwynar: Glass Life is a must-have sourcebook for understanding the multilayered practice of this celebrated, multidisciplinary artist.

Something alien is stalking residents of Lakehaven, New Jersey. It can't see them, hear them, or touch them, but it knows them – their fears, their insecurities, and their secrets. It knows how to destroy them from the inside out. And it won't stop until each of them is dead. Dave Kohlar has never felt like he was good for anything. But when his sanity, his life, and the safety of his only family and friends is in danger, he has to look inside himself for a strength that his otherworldly enemy can't touch – strength that can hopefully save them all.

One of the most outspoken voices gracing the cover of magazines today encourages women to be their most confident selves, recognize their beauty, and reach for their highest dreams in this wise, warm, and inspiring memoir *Voluptuous beauty* Ashley Graham has been modeling professionally since the age of thirteen. Discovered at a shopping mall in Nebraska, her stunning face and sexy curves have graced the covers of magazines, including *Cosmopolitan* and *British Vogue*, and she was the first size 14 model to appear on the front of the wildly popular *Sports Illustrated* swimsuit issue. The face of brands such as H&M Studio, she is also a judge for the latest season of *America's Next Top Model*. This is only the beginning for this extraordinary talent. Ashley is leading a new generation of women breaking ground and demolishing stereotypes, transforming our ideals about body image and what is fashionable and beautiful. A woman who proves that when it comes to beauty, size is not a number, she is the voice for the body positivity movement today and a role model for all women—no matter their individual body type, size, or shape. In this collection of insightful, provocative essays illustrated with a dozen photos, Ashley shares her perspective on how ideas around beauty are evolving—and how we still have work to do; the fun—and stress—of a career in the fashion world; her life before modeling; and her path to her current size without limiting her dreams—defying rigid industry standards and naysayers who told her it couldn't be done. As she talks about her setbacks, Ashley offers support for every woman coming to terms with who she is, bolster her self-confidence, and motivates her to be her healthiest, and most beautiful self.

This cookbook features fetching retro patterns and illustrations, alongside luscious photography, and an e-booklet at the end rendered in a classic style. Blue-ribbon recipes inspired by baking pamphlets from the 1920s to the 1960s are rendered with irresistible charm for modern times in this ebook. Here are more than 50 cookies, pies, cakes, bars, and more, plus informative headnotes detailing the origins of each recipe and how they were tweaked into deliciousness. For home bakers, collectors of vintage cookbooks or kitchenware, this is a gem.

New York Times bestselling author and award-winning journalist, Nina Burleigh, explores Donald Trump's attitudes toward women by providing in-depth analysis and background on the women who have had the most profound influence on his life—the mother and grandmother who raised him, the wives who lived with him, and the daughter who is poised to inherit it all. Has any president in the history of the United States had a more fraught relationship with women than Donald Trump? He flagrantly cheated on all three of his wives, brushed off multiple accusations of sexual assault, publicly ogled his eldest daughter, bought the silence of a porn star and a Playmate, and proclaimed his now-infamous seduction technique: “grab 'em by the pussy.” *Golden Handcuffs* is a comprehensive and provocative account of the women who have been closest to Trump—his German-immigrant grandmother, Elizabeth, the uncredited founder of the Trump Organization; his Scottish-immigrant mother, Mary, who acquired a taste for wealth as a maid in the Andrew Carnegie mansion; his wives—Ivana, Marla, and Melania (the first and third of whom are immigrants); and his eldest daughter, Ivanka, groomed to take over the Trump brand from a young age. Also examined are Trump's two older sisters, one of whom is a prominent federal judge; his often-overlooked younger daughter, Tiffany; his female employees; and those he calls “liars”—the women who have accused him of sexual misconduct. Of these women, Burleigh writes, “where they come from and what they do now and in the future matters because they have or have had the ear of the most powerful man on earth.”

The *Bounty Bay Boxed Set Vol. 1* contains three full-length books from Tracey Alvarez's best-selling series set against the stunning backdrop of Aotearoa, New Zealand. If you like heartwarming, sensual and sweet small-town romances with a touch of comedy, you'll love sharing the journey with these authentic men and women struggling to find their special someone. The three *Bounty Bay* books included in this bundle are: *Hide Your Heart* (Book #1): Novel Hiding in plain sight just got complicated... Lauren Taylor and her young son fled back to her hometown to escape fame's cruel spotlight, and all she wants to do is start over. No press, no pictures, no problem. She thought she'd be safe in the middle-of-nowhere, but her sexy new neighbor is about to ruin everything... *Know Your Heart* (Book #2): Novel When the landlady from hell becomes the one woman he can't live without... Kicked off a movie set, actress Savannah Payne flees to her vacation house in *Bounty Bay* to prepare for the audition of a lifetime. Only a stubborn, sexy lawyer is currently renting it and he won't budge an inch. But all's fair in love and war, including his kisses that make her want to surrender. *Teach Your Heart* (Book #3): Novel Some men need to learn the hard way... Doctor O-for-Awesome Owen Bennett is all about being responsible. But when he's temporarily put in charge of three precocious kids, chaos reigns and his list of household rules gets tossed out the window. Except one. Under no circumstance will he get involved with the kids' tempting new nanny, Gracie Cooper. Some rules are made to be broken... Praise for the *Bounty Bay* series! "It's official...I'm hooked on this series! I want to jump on a plane and fly to this island, because apparently they grow them big and HOT in New Zealand...men that is!!!" ~ *Swept Away By Romance* "Perfection comes in many shapes and forms, and Ms Alvarez delivers in her contemporary voice and quirky character traits that make a distinctive difference between average and stellar storytelling." ~ *InD Tale Magazine*

Maggie Collins, a newly minted NYPD detective, is lovely enough to be a model but wants to make a career chasing bad guys. She volunteers to go undercover to catch a serial killer. “ Don ’ t get in the car, ” her lieutenant says. But, of course, she gets into the car. The killer thinks he is in love, but his idea of love is a little strange. Praise for THE DISAPPEARANCE OF MAGGIE COLLINS: “ Roger Angle has a rare sensibility, part poetry, part literary fiction, and part nitty-gritty crime. I don ’ t know another writer quite like him. Maggie Collins is the result. ” —Kem Nunn, author of Tapping the Source and Tijuana Straits “ A page-turner, full of gritty New York flavor and driven by complex and interesting characters. With this novel, Roger Angle proves himself to be a noir poet who can dazzle us with dark beauty and bring us to the edge of our seats. ” —Adam Meyer, author of The Last Domino “ Razor-sharp NYC detective fiction set in the turbulent, grimy mid-eighties: hookers, pimps, and a serial killer. Captivating characters that kept me up all night. ” —John Shepphird, Shamus award-winning author of Bottom Feeders and The Shill Trilogy “ A grizzled detective, his reckless cop girlfriend, and a deeply disturbed killer on the tough streets of NYC in 1986. This story will grab you by the throat and not let go. Couldn ’ t put it down. ” —DP Lyle, forensics expert, author of Murder and Mayhem and Deep Six “ NYPD Lt. Daniel Dupree is on the trail of a torture-killer of prostitutes, using his PD lover—Maggie Collins—as bait to trap the murderer. What follows is a blacker-than-noir journey through Manhattan ’ s one-time pit of wickedness. Steeped in sex and violence, hinting at Dupree ’ s redemption, this dark adventure is not for the faint of heart. ” —T. Jefferson Parker, author of The Room of White Fire and Swift Vengeance

Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. More than a Body is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.

"It was a pleasure to read this comprehensive and insightful work by leading scholars on gender and football about the 2019 Women's World Cup. With discussions from post-colonial lenses of Women of Color, fan appreciation and adoration, to queer relationships and even the legendary statuesque pose by World Champion Megan Rapinoe, this book interrogates the many layers of complexity in an intelligent and generous manner. From an in-depth analysis of media representation, lingering sexism, and complex discussions about racial inequities in the sport, this is a necessary read for journalists, pundits, academics, and fans interested in critical discussions that are embedded into women's football." -- Shireen Ahmed, Writer and award-winning sports

activist focusing on Muslim women in sports. This book examines the most prolific international women's football tournament--the FIFA Women's World Cup--through media, fandom and how mediated women's soccer can improve on a global scale. Women's soccer has exploded in terms of media exposure, television audiences and live spectatorship. This book explores those macro-level issues, while also digging into micro-level topics such as Megan Rapinoe's celebrations and political activism, VAR reviews, LGBTQ imagery, and cultural obstacles for women's football in Central-Eastern Europe and Nigeria. Using an interdisciplinary approach, scholars look at issues through the lenses of feminist theory, cultural studies, rhetorical criticism, political economy, performative sport fandom, autoethnography, and more. Thus, the book is important reading for students, researchers and media practitioners with interests in women's soccer, gender in sports media, coverage of women's sport, and sport fandom. Molly Yanity is Associate Professor of Journalism at Quinnipiac University, USA. Danielle Sarver Coombs is Professor in the School of Media and Journalism at Kent State University, USA.

It's the ultimate supermodel yearbook. Join the four photographers whose work was featured in the 2011 Sports Illustrated Swimsuit Issue on a behind-the-scenes account of their travels, revisiting their experiences through never-before-seen images and exclusive commentary. In this large-format, 176-page collection, Swimsuit Portfolio: Fantasy Islands showcases 17 of the world's most exquisite bodies at four exotic beach locations-Turtle Island in Fiji, Sentosa Island in Singapore, Peter Island in the British Virgin Islands and Boracay Island in the Philippines. Grab your passport and take the tour with Brooklyn Decker, Irina Shayk, Hilary Rhoda, Esti Ginzburg and Christine Teigen (among others) as your guides. With dozens of previously unpublished swimsuit shots, it's an expanded look at the making of the magazine's best-selling issue.

Steamy romance and contemporary suspense collide in this compelling debut novel from Rya Stone. Cassie Mitchum is interested in one thing and one thing only—closing a deal on the Lucas property. Until she sets eyes on Jason Lucas. He ' s bad news, but he looks damn good doing it. She ' s never been one for tattooed roughnecks, but she ' s willing to make an exception, especially since he won ' t look at her lease offer unless she agrees to a date with him. Jason Lucas needs Cassie Mitchum to stay the hell off his land. There ' s more happening than she needs to be aware of—or mixed up in. With that feisty attitude and those tight jeans...he can ' t get her out of his head. Too bad being close to her would put her on the radar of the most dangerous person Jason has ever known.
