Spouse is a book by Shobhaa De based on her personal take on the truth about marriage (Indian marriage). In this book, she writes about how and why marriages work or don't and the way she writes is fun and savvy. In the very first pages of her book the author mentions the need for marriage which I found quite pertinent and is quoted as below:

Spouse - The truth about marriage | Rendezvous with Books

If you feel your marriage is finished, telling your spouse might depend on how you want

Acces PDF Spouse The Truth About Marriage Shobhaa De Beldem

to part ways. If you hope to continue your marriage and rebuild communication, intimacy, and romance, you probably need to come clean. Honesty is the best method for moving forward and the best way to rebuild trust after an affair.

Open & Honest: Telling your Spouse the Truth after an Affair

Marriages are based on open communication, trust, and a common goal. Love, romance, and other sweet unicorns and rainbows lose their novelty after the first few years and are eventually replaced by security
