Star Wars The Blueprints brings together, for the first time, the original blueprints created for the filming of the Star Wars Saga. Drawn from deep within the Lucasfilm Archives and combined with exhaustive and insightful commentary from best-selling author J. W. Rinzler the collection maps in precise, vivid and intricate detail the very genesis of the most beloved story ever to appear onscreen.

### ~~Star Wars The Blueprints (Limited Edition Hardcover ...~~

Star Wars: The Blueprints is a book by J. W. Rinzler, which collects more than 250 blueprints from the filming of the Star Wars saga. The limited edition was published on September 15, 2011, with only 5,000 hand-numbered English copies available. On April 2, 2013, the book was re-released at a more affordable price.

Star Wars Blueprints is a collection of blueprints of designs of sets, vehicles and droids from Star Wars: Episode IV A New Hope. It was originally released in November 1977. It was sold for \$6.95. The blueprints include early uses of the names of landspeeders seen in the film, that continue to be used in the Expanded Universe with some slight variations.
