How did colonies, territories, and land purchases shape the United States of America? What differences—and similarities—are there between the states? What does each state bring to the union? From sea to shining sea, The Handy State-by-State Answer Book: Faces, Places, and Famous Dates for All Fifty States explores the history, growth, politics, people, and more of each of the 50 states. It is a resource for learning about the events and personalities that influenced and affected each state, its history, government, cities, and culture. It is a convenient place to look for state facts and trivia. In addition to the state motto, nickname, and when it entered the union, The Handy State-by-State Answer Book answers intriguing questions about the people, places, and events that lend a unique character to each state’s boundaries, government, and places of interest, such as: How important were the Beach Boys to the making of California ’ s culture? Are the Hawaiians still in charge of their state and its economy? Why was it so easy for the Pilgrims and the Puritans to take over eastern Massachusetts? Who were the first inhabitants of what is now South Dakota? Does it ever stop raining on the Washington coast?

This book, first published in 1990, examines the history and development of the world sugar industry. Production, consumption and prices are discussed for the developed and developing world. Changes and trends are established and their effects on the world sugar market are analysed.

Bound for Justice: A Box Set Against the Rules Targeted by a drug cartel, Teague is out for vengeance until Chantel lands in his lap. Is this fiery, redheaded submissive his lifeline or his downfall? One nosy keystroke and Teague's life was changed forever. He lost his identity, his family and is constantly running for his life. There is little doubt that the cartel will eventually find and kill him. Until then he plans to put as many of them away as possible. It has become his single-minded goal. Chantel was raised with the knowledge that bogey men exist. She carries a gun and she knows how to use it. She is confident that she can take care of herself. Her only real fear is of dying alone, without ever knowing the meaning of true love. Teague has a weakness for redheads and the cartel knows it. They've used it against him in the past. When Chantel literally falls into his lap, he knows it is too good to be true. Convinced that it will be his downfall, he pursues her anyway. After a weekend of life-affirming sex, he vows to never see her again. Once Chantel has found the man of her dreams, she's not going to let a threat against her get in the way. Now caught in the sights of a serial killer her father has spent his life hunting down, Chantel learns that there are worse things in life than death. For a chance to save Chantel, Teague must choose between his life's work and the young woman who has made his life worth living. Against the Odds Once their paths cross, their fates are sealed. Sid is a master at solving cold cases. His mind thrives on the challenge. He has a knack for finding elusive clues and piecing the puzzle together, until he starts on the trail of a privileged teenage debutante who in a fit of rage burned down her design studio and brutally murdered her closest competitor. As the years go by, the case becomes an obsession. Using age progression techniques, he knows the girl has grown into a beautiful woman. He wonders how many others have fallen into her web of deadly deceit. Sasha is a brilliant interior decorator. Her designs are coveted by the rich and influential. She has a mysterious air. No one knows about her murky past and she's determined to keep it that way. She survives by relying on no one and avoiding all personal connections. After a break-in at her office brings unwanted police attention, she feels the noose tightening. She must choose between escape and making a stand. To break free, she'll have to do the unthinkable. She'll have to learn to trust. Against the Grain Sam hunts a black widow. Will he untangle the web of lies and deceit or will he be her next victim? Two men, in the prime of their lives, are now dead. The only link is the beautiful, but deadly, Eliza James. Sam Rivers must follow the cold trail of a murderer. His instincts lead him away from the rich widow, though why he couldn't say. All the evidence points to her guilt. Is he falling into her trap as his fellow agents warned? To unravel the secrets from years gone by, Sam must listen to a voice long dead—one that challenges his view of the mysterious and sexy widow. Eliza finds the handsome diplomat too good to be true. He reawakens a desire within her that she thought had been lost. Yet their time together has a stopwatch ticking. Knowing that every moment counts, she accepts his bold proposal to explore her sexuality. Through pleasure and pain mingled together, she discovers a hidden strength that could mean the difference between life and death. Together they must sift through lies and betrayals to unearth the truth before time runs out.

Can you really feel better as you get older? Is aging without illness possible? Is your own internal fountain of youth waiting to be discovered? Yes, yes, and YES! says Suzanne Somers, the bestselling author of **The Sexy Years**. It can all be true when you take advantage of the science of antiaging medicine—a revolutionary approach to achieving the ageless life. Suzanne Somers has already introduced millions of women to bioidentical hormone replacement therapy and changed the way we look at menopause. Now, in **Ageless**, Suzanne introduces an inspiring, medically validated approach to reversing the aging process and maintaining a healthy, vibrant, mentally sharp, sexually active life—while building the body’s natural defenses against age-related diseases. Suzanne talks about:
• How antiaging medicine can help detox the body of harmful pollutants and chemicals and strengthen our weakest glands and organs
• The dangers of perimenopause and how women can treat it
• Why so many hysterectomies are unnecessary, how birth control pills may have contributed to the rise of hysterectomies, and how to restore your body to perfect hormonal balance after having one
• How andropause is a real condition for men, and how men can lose weight, regain their youthful physiques, and restore heath, energy, and sexuality, all through bioidentical HRT
• The importance of sleep and the healing work that nature does during this time to balance hormones and increase energy
In this “antiaging bible,” Suzanne brings together prominent, Western-trained antiaging doctors to show how the traditional medical approach is woefully inadequate. Its standard of care has been to treat all symptoms with drugs, but in Ageless you will find out how this approach does not make us better. With antiaging medicine you can heal your body rather than keep a chronic condition at bay with drugs. Ageless shows you how to keep your “insides” young, and how this manifests on the outside.

Stock-market crashes show how the world of high finance can negatively impact our daily life, but smart money reveals a two-way street where those savvy to the science of finance can take their personal wealth up a gear. What is a hedge fund? How best to understand private equity? What are the principles of investment? 30 Second Money balances key features of personal finance with those of the financial markets and economic concepts, explaining how mass monetary systems relate to one’s own money management choices. From basic concepts like risk and return to types of borrowing, investment, and risk management, everything is explained without jargon or complexity. This is the handbook that gives the reader an edge in any business conversation. **Do you find it difficult to cook the food you and your family enjoy during a busy day? Do you worry if it is delicious as well as nutritious? With Shilpa Shetty’s quick and hassle-free methods, cooking good food is now easy. In this book, the actor and entrepreneur brings you fifty of her most special recipes-some of which feature in her popular Sunday Binge videos on Instagram. These favourites of the Shetty-Kundra household have been created to give you variety, taste and the occasional food coma. Welcome to the world of the Domestic Diva!**

The World’s Least Erotic Sex Manual

Not sure what – or how much – information to share with children and teens regarding sex and sexual health? Do you fear what they might ask? Or how to respond to their questions? Or whether you even know the “answers” yourself? Saleema Noon knows all about these fears and concerns. An expert in sexual health education and stepparent to two teenage daughters herself, she understands the challenges adults face when addressing sensitive topics with their kids. In Talk Sex Today, Noon delivers an intelligent and sensible blend of current, inclusive, and practical information for children and teens – and the adults who love them. Noon builds on the foundational work of iconic sexual health educator Meg Hickling and her bestselling Speaking of Sex books to offer adults a break-through guide on teaching “body science.” Together, with a combined 40 years of experience, Noon and Hickling broach a host of topics including: gender identity and stereotypes sexual diversity sexual consent bullying and harassment fostering healthy body image internet safety managing media influence pornography sexual decision-making teaching sexual health to children and teens with special needs Not afraid of controversy and firm in her belief that knowledge is power, Noon’s broadly inclusive approach shines with the affirmation that every person – regardless of race, religion, age, ability, gender identity, gender expression and sexual attraction – deserves respect and the information that will keep them safe. This is the ultimate guide to teaching children about sexual health and is ideal for educators and parents alike.

What’s in a name? Everything... if you have my name. At her exclusive Manhattan high school, half the guys lust after seventeen-year-old Gia. The other half are afraid to even walk near her. After all, everyone knows who she is. They know that her father doesn’t have a boss. He is the boss—the capo di tutti, boss of all bosses. But they don't know the real Gia. She's dreaming of a different life—one where she can be more than her infamous name. And lately, she's thinking way too much about Michael, the green-eyed cop who's wrong for her for so many reasons. And yet being with him feels so right. Now the real Gia is keeping secrets of her own alongside her family's. And she's breaking all the rules to get what she wants.

This book examines gendered language use in six gay male subcultures: drag queens, radical faeries, bears, circuit boys, barebackers, and leathermen. Within each subculture, unique patterns of language use challenge normative assumptions about gender and sexual identity. Rusty Barrett’s analyses of these subcultures emphasize the ways in which gay male constructions of gender are intimately linked to other forms of social difference. In From Drag Queens to Leathermen, Barrett presents an extension of his earlier work among African American drag queens in the 1990s, emphasizing the intersections of race and class in the construction of gender. An analysis of sacred music among radical faeries considers the ways in which expressions of gender are embedded in a broader neo-pagan religious identity. The formation of bear as an identity category (for heavyset and hairy men) in the late 1980s involves the appropriation of linguistic stereotypes of rural Southern masculinity. Among regular attendees of circuit parties, language serves to differentiate gay and straight forms of masculinity. In the early 2000s, barebackers (gay men who eschew condoms) used language to position themselves as rational risk takers with an innate desire for semen. For participants in the International Mr. Leather contest, a disciplined, militaristic masculinity links expressions of patriotism with BDSM sexual practice. In all of these groups, the construction of gendered identity involves combining linguistic forms that would usually not co-occur. These unexpected combinations serve as the foundation for the emergence of unique subcultural expressions of gay male identity, explicated at length in this book.

'Asleep at the Chateau' is a book about special people staying at a special hotel in Hollywood. Photographer Jork Weismann captures them in intimate pictures - all of them sleeping. From Patti Smith to Bret Easton Ellis, even the most productive people need to rest.

"With provocative photographs by some of the best-known photographers of the past century, The Model Wife is a striking and original book about the place where marriage and photography converge."--BOOK JACKET. "Friends, lovers, confidantes, collaborators - the multifaceted relationship between husband and wife takes on another dimension when the couple are also artist and muse. In The Model Wife, Arthur Ollman explores the imagery and photographic history of nine twentieth-century photographers who portrayed their wives over a period of years. He delves into issues of marriage itself and the powerful influences that such a partnership can have on artistic production. Comparisons between the couples and the resulting photographs enrich this discussion."--BOOK JACKET.

Find out who's making their mark in a new century--and era--of fashion photography. The 21st century has brought about seismic changes in photography, technology, fashion, and art. At the nexus of these exciting movements is a group of fashion photographers who are breaking ground in a variety of ways, including cultural referencing, digital imaging, photo manipulation, and the use of new media. This stunningly illustrated book profiles more than 30 artists from around the world through exclusive interviews, commentary, and beautiful images. From Nick Knight's paint-soaked portrait of Lady Gaga to Mikes Aldridge's dark surrealism to Alice Hawkins's explorations of body image through satire, new fashion portraiture is challenging conventional ideas of beauty by confronting us with the unexpected. Throughout the book, these photographers explore new avenues previously off-limits in the world of couture, opening the art of fashion photography to thrilling possibilities.

The Vijay Mallya Story

Why Everyone is Shouting and No One is Talking

What makes Piyush Pandey an extraordinary advertising man, friend, partner and leader of men? How does he manage to exude childlike enthusiasm, and bring such deep commitment to his work? You’ve seen most of the things that Piyush Pandey has seen in his life. You’ve seen cobblers, carpenters, cricketers, trains, villages, towns and cities. What makes Piyush different is the perspective from which he views the same things you’ve seen, his ability to store all that he sees into some recesses of his brain and then retrieve them at short notice when he needs to. That ability combined with his love, passion and understanding of advertising and of consumers make him the master storyteller that he is. In Pandeymonium, Piyush talks about his influences, right from his childhood in Jaipur and being a Ranji cricketer, to his philosophy, failures and lessons in advertising in particular and life in general. Lucid, inspiring and unputdownable, this memoir gives you an inside peek into the mind and creative genius of the man who defines advertising in India.

'The powerful new voice of her generation' The Times 'Funny, nuanced and wonderful' Jon Ronson 'A book that had me hollering, nodding and questioning at the same time' Candice Carty-Williams, author of Queenie 'Funny, educational, enlightening . . . Way ahead of its time' Chris Evans A candid exploration of the state of outrage in our culture, and how we can channel it back into the fights that matter, from presenter and DJ Ashley 'Dotty' Charles. Ours is a society where many exploit the outrage of others in order to gain power - and we all too quickly take the bait. But by shouting about everything, we are in fact creating a world where outrage is without consequence. There is still much to be outraged by in our final frontier, but in order to enact change and become more effective online, we must learn to channel our responses. This is the essential guide to living through the age of outrage.

In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as “Bollywood.” Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India’s increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. "Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema’s filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today’s Hindi film industry, while shining fresh light on contemporary India and the world we live in.” Professor Rosie Thomas, Centre for Research and Education in Arts and Media (CREAM), College of Design, Creative and Digital Industries, University of Westminster

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian. A rare compilation of hand-printed as well as digitalized landmark Hindi film posters from the 1930s to the present - both tracing the journey of an art form and the evolution of cinema in India. The text accompanying each poster carries a synopsis, banner, details of cast and technical crew, date of release, famous songs, awards won, and some lesser-known anecdotes about the film. The posters are from young Hindi film buff, S M M Ausaja's personal collection of posters, lobby cards, record album covers and other memorabilia.

Diary of a Domestic Diva

Two strangers, one city, four days, one night, one lie and a fantastic journey. 'When We Clicked' is my twisted love story. I am Akhil Parlekar, a Mumbaikar in my early twenties. Like every other Mumbaikar I love my city, consider Sachin Tendulkar a God fantasize about Katrina Kaif, but I am about to die. Before I was dying, I lived my life in four days, when we clicked. It was love at first sight for me, but not for her. I spent the four days with her wandering in the city, thinking that she would fall in love with me, but the night that followed the fourth day, changed everything. This journey is about emotions like humour, lust, hatred, betrayal, heroism, friendship and the biggest emotion of them all; love. I am letting you in my heart as well as my brain, you be the judge if this is a love story or not. You are the protagonist of your life’s story, the central character around which all the other characters and incidents occur. When the protagonist of your story changes to someone else, you are in love. That person becomes the central character of your story and everything else revolves around the person you love.'

What Kids Need to Know and How Adults Can Teach Them

A kitchen classic for over 35 years, and hailed by Time magazine as "a minor masterpiece" when it first appeared in 1984, On Food and Cooking is the bible which food lovers and professional chefs worldwide turn to for an understanding of where our foods come from, what exactly they're made of, and how cooking transforms them into something new and delicious. For its twentieth anniversary, Harold McGee prepared a new, fully revised and updated edition of On Food and Cooking. He has rewritten the text almost completely, expanded it by two-thirds, and commissioned more than 100 new illustrations. As compulsively readable and engaging as ever, the new On Food and Cooking provides countless eye-opening insights into food, its preparation, and its enjoyment. On Food and Cooking pioneered the translation of technical food science into cook-friendly kitchen science and helped birth the inventive culinary movement known as "molecular gastronomy." Though other books have been written about kitchen science, On Food and Cooking remains unmatched in the accuracy, clarity, and thoroughness of its explanations, and the intriguing way in which it blends science with the historical evolution of foods and cooking techniques. Among the major themes addressed throughout the new edition are:
· Traditional and modern methods of food production and their influences on food quality
· The great diversity of methods by which people in different places and times have prepared the same ingredients
· Tips for selecting the best ingredients and preparing them successfully
· The

particular substances that give foods their flavors, and that give us pleasure · Our evolving knowledge of the health benefits and risks of foods On Food and Cooking is an invaluable and monumental compendium of basic information about ingredients, cooking methods, and the pleasures of eating. It will delight and fascinate anyone who has ever cooked, savored, or wondered about food.

"The Gang" from It's Always Sunny in Philadelphia attempts their most ill-conceived, get-rich quick scheme yet: publishing a "self-help book" to hilarious, sometimes dangerous, and often revolting, results. The Gang may have finally found their golden ticket. Left alone to close down Paddy's Pub one night, Charlie Kelly inadvertently scored himself, and his friends, the opportunity of a lifetime—a book deal with a real publishing company, real advance money, and a real (ly confused) editor. While his actual ability to read and write remains unclear, Charlie sealed the deal with some off-the-cuff commentary on bird law and the nuances of killing rats (and maybe with the help of some glue fumes in the basement with an unstable editor on a bender). While The Gang is stunned by the news, and the legally binding, irrevocable contract left on the bar, they are also ready to rise to the task and become millionaires—and of course, help Charlie actually write the book. In their own inimitable voices, Charlie, Mac, Dennis, Sweet Dee, and Frank weigh in on important topics like Relationships, Financial Success and Career, Fashion and Personal Grooming, Health and Diet, and Survival Skills, providing insane advice, tips, tricks, and recipes (Rum Ham anyone?) as only they can. Fans of It's Always Sunny in Philadelphia rejoice and welcome the most influential work in the history of the written word (or at least since the script for The Nightman Cometh): The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today.

'The sky turns the colour of a jay's eye. The sea turns a deep royal purple. The mist lifts in quick, lithe ribbons, like a conjuring trick. Before us lies the island...' It's 1935, and an eccentric English family - four children, their widowed mother, and Roger the dog - arrives on the sun-soaked shores of Corfu to start a new life. For eleven-year-old Gerry Durrell, the extraordinary landscape provides the perfect playground. Its exotic fauna inspires a life-long fascination with the animal kingdom - and his much-loved memoir My Family and Other Animals. Janys Chambers' acclaimed stage adaptation was first seen at York Theatre Royal, and invites other theatre companies to make ingenious and inventive decisions, bringing to life all the inhabitants of Durrell's cherished island - whether they walk and talk, fly and squawk, crawl or swim or slither.

'Your best day is today. Not tomorrow, nor day after.' The Covid-19 pandemic is considered as the most crucial global health calamity of the twenty-first century. It caught humankind like a deer in the headlights. All across the globe, people were unprepared to face this disease head-on. Apart from enduring the impact of the socio-economic and political crisis, we had to deal with the consequences of staying inside our homes without knowing what the future held for us. The severity of this disease forced us all to become homebodies. This phase has reminded us that we must strive to find pleasure in life's simplicity. It has also taught us the significance of the smallest of things we always took for granted. As humans, we have a tendency of leaving things for tomorrow, and this crisis has made us realise that the best day to do anything is today . . . Your Best Day Is Today! is a compendium of experiences, lessons, and positive takeaways that will help you deal with the dark times in your life. It is a guide to getting in touch with your inner self and finding solutions to the problems that arise with adapting to changes in life. It is also a reminder of how you are not alone and there is always a way to make the best of any situation life throws at you. This book will inspire you and fill your heart with immense love, faith, and joy.

The Vijay Mallya Story is an extraordinarily detailed and lively chronicle of the life of one of India's most celebrated and reviled businessmen—Vijay Mallya. His extraordinary career spans three decades and is spread across multiple industries. The book covers Mallya's childhood, his relationship with his father and his inherent deal making abilities. It tracks his meteoric rise with Kingfisher and how the airline led to his downfall. K. Giriprakash has closely followed Vijay Mallya's career over the last two decades which gives him a unique vantage point to draw an extraordinary portrait of a man whom everyone is fascinated by but not many know.
