The American Comic Book Chronicles continues its ambitious series of FULL-COLOR HARDCOVERS, where TwoMorrows' top authors document every decade of comic book history from the 1940s to today! Kurt Mitchell and editor Roy Thomas composed this volume about the "Golden Age" of the comic book industry, a period that presented the earliest adventures of such iconic super-heroes as Batman, Captain Marvel, Superman, and Wonder Woman. It was a time when America's entry into World War II was presaged by the arrival of such patriotic do-gooders as Will Eisner's Uncle Sam, Harry Shorten and Irv Novick's The Shield, and Joe Simon and Jack Kirby's Captain America. It was when teenage culture found expression in a fumbling red-haired high school student named Archie Andrews. But most of all, the first five years of the 1940s was the age of the "packagers" when studios headed by men like Harry A Chesler, Will Eisner, and Jerry Iger churned out material for a plethora of new comic book companies that published the entire gamut of genres, from funny animal stories to crime tales to jungle sagas to science-fiction adventures. These are just a few of the events chronicled in this exhaustive, full-color hardcover. Taken together, American Comic Book Chronicles forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

Your favorite DC characters, written and drawn by the incomparable John Byrne! A threat of cosmic proportion to DC's newest (and oldest) universe compels one of the most unusual groups of heroes ever assembled to take on the most mysterious foe they have ever encountered. What started in Detective Comics #1027 explodes out of Dark Nights: Death Metal to tell the story of the generations-spanning history of the DC Universe! Join the original Batman, Kamandi, Starfire, Sinestro, Booster Gold, Dr. Light, Steel, and Sinestro in their quest to save the universe before time runs out...

In Elseworlds, heroes are taken from their usual settings and put into strange times and places—some that have existed, or might have existed, and others that can't, couldn't or shouldn't exist. The result: stories that make characters who are as familiar as yesterday seem as fresh as tomorrow. Gotham City is caught in a vortex of corruption and decay, and those who feed on blood and despair are about to suck any remaining life from her dying veins. All that stands against them is the Batman, their legendary companion in the darkness, the last line of defense between the innocent and the screaming chaos of mindless appetite. To combat this primeval threat, however, the Dark Knight must give up everything he holds dear, including life itself—for death is only the first step toward the final reckoning between good and evil.

Written by Doug Moench and illustrated in full gothic glory by Kelley Jones, John Beatty and Malcolm Jones III, ELSEWORLDS: BATMAN VOL. 2 gives free rein to the darker side of the World's Greatest Detective, collecting BATMAN & DRACULA: RED RAIN, BATMAN: BLOODSTORM and BATMAN: CRIMSON MIST.

This is not the Superman you know. Not yet. Illustrated by some of the greatest artists in comics today-including Jock (BATMAN: THE BLACK MIRROR), Francis Manapul (DETECTIVE COMICS), Jae Lee (BATMAN/SUPERMAN), Joëlle Jones (LADY KILLER), Nick Dragotta (EAST OF WEST) and more with covers by Ryan Sook (ACTION COMICS)-SUPERMAN: AMERICAN ALIEN tells the very human story of the Last Son of Krypton.

In a fascinating alternate reality story of tiny accidents that cascade into cataclysmic disasters, writer/artist Alan Davis creates a world that never knew a Superman, and a Justice League that is about to face its greatest test of might and morality. All because of something as simple as a nail. Formed by the World's Greatest Heroes, the Justice League of America stands tall as the mightiest group of protectors Earth has to offer. Since the group's founding, one hero above all others has stood as their inspiration, guiding light and moral center: Superman. Now imagine a world without the Man of Steel.
