## Surgical Technology Skills And Procedures Program Two ...

A surgical technologist, also called a scrub, scrub tech, surgical technician, or operating room technician, is an allied health professional working as a part of the team delivering surgical care. Surgical technologists are members of the surgical team. The members of the team include the surgeon, surgeon's assistant, circulator nurse and anesthesia provider. They possess knowledge and skills in sterile and aseptic techniques. There are few mandatory professional requirements for surgical techn
