Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of

"Do yourself a favor and read this book. This story is original and hard-hitting with terrific world building and some of the best characters I've read. Yum." Patricia Briggs, author of the #1 NYTimes Mercy Thompson series Kit Colbana—half breed, assassin, thief, jack of all trades—has a new job: track down the missing ward of one of the local alpha shapeshifters. It should be a piece of cake. So why is she so nervous? It probably has something to do with the insanity that

happens when you deal with shifters—especially sexy ones who come bearing promises of easy jobs and easier money. Or maybe it's all the other missing kids that Kit discovers while working the case, or the way her gut keeps screaming she's gotten in over her head. Or maybe it's because if she fails—she's dead. If she can stay just one step ahead, she should be okay. Maybe she'll even live long to collect her fee...

Critical essays are the basic mode of expression that students of literature at universities and colleges are expected to master, yet they are given no special instruction in this discipline. To make good the deficiency, Philip Hobsbaum demonstrates that there are techniques in writing criticism which can be both taught and learned. He himself learned his craft from such major figures as F.R. Leavis and

After defining the uses of criticism, he provides invaluable guidance on such topics as what to say about a poem, English prose style and structuring an essay, in each case taking examples from the works of well-known authors. Here at last is the means of bridging the gap between the student as reader and the student as writer. Essential reading for students and anyone interested in the great philosophers, this

Each artist identified in particular ways with Africa's struggle for liberation and made music dedicated to, or inspired by, demands for independence and self-determination. That music was the wild, boundary-breaking exultation of modern jazz. The result was an abundance of

This collective biography demonstrates how modern Africa reshaped jazz, how modern jazz helped form a new African identity, and how musical convergences and crossings altered politics and culture on both continents. Documenting individuals and places, from Lagos to Chicago, from New York to Cape Town, Robin Kelley gives us a meditation on modernity: we see innovation not as an imposition from the West but rather as indigenous, multilingual, and messy, the result of innumerable exchanges across a breadth of cultures.

theology and mission based on his proposed safari motif for the development of theology and mission. Based on his Ph.D. dissertation: The Safari Motif in the Development of Theology in Africa, Dr. Lwamba argues that God has used a series of divine redemptive safaris in the Bible to reveal Himself progressively to people. The author develops his proposed motif around a tri-dimensional conception of reality and time and explores a

threefold aspect of the safari: mwanzo, sasa, and mwisho, which provide keys to the African mindset. He explores the various meanings and uses of the safari idea from both a biblical and theological perspective. In addition to the literal safaris, "journey" is an analogy of the church and believers are on a divine safari, individually and collectively. The safari model highlights the absolute necessity of the biblical message and the contextual

situation to help Christians live effective and fruitful lives in society now and in future. Inspired by both John Mbiti's *The African Concept of Time* and Paul Hiebert's *The Flaw of the Excluded Middle*, the author utilizes biblical, theological, historical, and contextual sources to make his point. In the philosophical aspect of the safari, the author develops his notion of an African conception of time modeled on the cultural safari idea

which he relates to development of theology and mission. He refutes the western influenced or commercially based notion that “safari” refers to a game hunting or tourist expedition to Africa. Dr. Lwamba promotes the argument that the philosophical framework and methodology drawn from the safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations. He also draws parallels to

the safari concept from such sources as Augustine's City of God, John Bunyan's The Pilgrims Progress and others in a refreshing and original style that the reader will find engaging. The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message. Its practical appeal makes Safari-Based Theology a must read for Christians and others interested in their daily journey of faith. The author contends

Vol. 1- , spring 1970- , include "A Bibliography of American doctoral dissertations on African literature," compiled by Nancy J. Schmidt.

This story unfolds amidst the traditional social and cultural life of the people inhabiting Ukerewe in northern Tanzania. It tells of the lives of Mr Mr Myombekere and his wife Bugonoka whose love survives despite their failure to conceive children in a polygamous society where sterility is stigmatised, bearing children is a central source of meaning in life, and a man is expected to marry additional women

until he produces a child. This couple remain committed on to one another and search for a cure to their ailment. Their actions strengthen their relationship, and they become an exemplary couple in their society, finally rewarded by the birth of a son and daughter. The genesis and evolution of Kitereza's epic novel and its context is as perhaps as remarkable as the work itself. Kitereza was born in Ukerewe in 1896 and wrote at the height of colonial rule, in part to preserve a culture threatened with extinction. He wished to keep alive the relationships of a people with one another and the land, and the spirit of cooperation on which their social life was based. He chose to write in his native Kikerewe because 'above all, I wanted this to be a way of preserving

the language of our ancestors, by showing the reader how beautifully they spoke to each other'. This classic Tanzanian story was written in Kikerewe in 1945, but to this day, remains unpublished in this language. Failure to find a publisher for the Kikerewe work persuaded Kitereza to translate his work into Swahili in 1969, which was then published in 1980 and widely acclaimed. Previously only available in the author's own Kiswahili translation, this is the first complete translation into English. The translator, Gabriel Ruhumbika is a writer, professor of literature and descendant of Kitereza. He had unique access to the author's manuscripts and diaries. winner of the prestigious Sinclair Prize, Kenyan writer Marjorie Macgoye deftly interweaves the story of one young woman ' s tumultuous coming of age with the history of a nation emerging from colonialism. At the age of sixteen, Paulina leaves her small village in western Kenya to join her new husband, Martin, in the bustling city of Nairobi. It is 1956, and Kenya is in the final days of the "Emergency," as the British seek to suppress violent anti-colonial revolts. But Paulina knows little about, about city life, or about marriage, and Martin ' s clumsy attempts to control her soon lead to a relationship filled with silences, misunderstandings, and unfulfilled

expectations. Soon Paulina ' s inability to bear a child effectively banishes her from the confines of traditional women ' s roles. As her country at last moves toward independence, Paulina manages to achieve a kind of independence as well: She accepts a job that will require her to live separately from her husband, and she has an affair that leads to the birth of her first child. But Paulina ' s hard-won contentment will be shattered when Kenya ' s turbulent history intrudes into her private life, bringing with it tragedy—and a new test of her quiet courage and determination. Paulina ' s patient struggles for survival and identity are revealed through Marjorie
