The melodies are written with careful thought and are kept as simple as possible, yet they are refreshingly delightful. All the music lies within the grasp of the child's small hands. A best-seller around the world! Teacher accompaniments are available in a separate book - Teaching Little Fingers to Play Ensemble (412228).

For young students, this book's predecessor, Teaching Little Fingers to Play, is the ideal starting book for young students. There is no other book that I have found that could be any better than Teaching Little Fingers to Play More. It is an easy transition for the young student - and possibly adults who also want to learn to play piano.
