There are many concepts that qualify as "positive team attributes", but not every team works in the same way or values the same things - so there's no universal guide that every team can follow to find success. With a Team Charter, you build a shared understanding of how your unique teammates will best work together - by outlining the essential elements of your team's communication and defining a set of concepts and skills that will focus and guide you.

~~A Team Charter Template You Can Use Today~~

A team charter template is a type of document created in a group setting which clarifies the direction of the team while setting boundaries. The development of a team charter example occurs during the initial stages of team development. It ' s important to develop this document as a group in order to promote understanding and encourage buy-in.

map for what an organization, team or project is intended to be and accomplish. It includes who ' s involved, what the goals are, who has the authority and over what and whom and if there is a life cycle to the group or project when it is complete.

~~What Is a Charter Document? | Bizfluent~~

The team charter is a living document. It should reflect changing priorities and goals within the team. As new information comes into the team, new members get added or requirements of the project shift, elements of the charter may also change. Just make sure you are not changing the team charter every day.
