And yeah, he spends his nights watching self-curated porn video playlists. But Adam is fine. When a family friend discovers Adam's porn addiction, he's forced to join an addiction support group: the self-proclaimed Knights of Vice. He goes because he has to, but the honesty of the Knights starts to slip past his defenses. Combine that with his sister's out-of-the-blue return and the attention of a girl he meets in an AA meeting, and all the work Adam has put into being fine begins to unravel. Now Adam has to face the causes and effects of his addiction, before he loses his new friends, his prodigal sister, and his almost semi-sort-of girlfriend.

She will have to trust Brannon completely if she is to keep what haunts her at bay...and their baby safe.... Brannon McKay spent the last ten years fantasizing about Hannah. In his mind, he's explored every passionate scenario he can think of while, in real life, Brannon took their budding

When Hannah and his unborn child's lives are threatened, Brannon must stake claim to the woman who has held his heart captive for years...or risk disaster tearing them apart...

*This is a 2-in-1 curvy girl romance bundled set containing two heroes—after-dark standalones—Hot Alpha Nights and Tempted By Trouble. That means twice the heat, double the OTT alpha intensity, and of course, two happily-ever-after endings with all the feels and all the swoon. Enjoy! Book 1: HOT ALPHA NIGHTS He was never supposed to get that text. That dirty, dirty text. To be fair, I'm actually the dictionary definition of a good girl...except when I'm thinking about him. And now that he knows how I feel, what I've been hiding from him this entire time, he won't let me hide from it. He certainly won't let me run from it. The thing is, he's been hiding his feelings from me too. And his version of dirty? So much better than mine. AUTHOR'S NOTE: Even by my steamy standards, this one is admittedly super sexy. Lily may technically still have her v-card, but she is far FAR from innocent...and she's definitely met her match in ultra-gruff, panty-meltingly alpha Major Logan (it's always those serious, quiet ones that can shock the hell out of you...in the dirtiest possible ways). Enjoy! Previously published as Curve Major (c) 2014, revised throughout with newly added content and an extended ending. That means twice the heat, double the ultra-protective gruffness, and of course, two happily-ever-after endings with all the feels and all the swoon. Enjoy!  
**TEMPTED BEYOND REASON** There's a reason I was hired to protect her by one of the few former military buddies I consider a friend. Because I'm the man people call to get the job done, even if the job is guarding the sweetest, most distracting woman I've ever known. I've somehow been able to keep my hands off her lush curves these past months as her bodyguard, but that's before I learn why she's avoiding the biggest decision of her life. The surgery could either restore her sight or take away what little she can see forever; and I'm the reason she's been holding off. She says she wants one night with me--her first time, no less--while she still has a fraction of her vision left. Hell, I don't know what the right thing to do here is. But what I do know is that protecting her isn't just a job for me anymore. And one night? That's damn sure not going to cut it.  
**Author's Note:** I went with a hero-POV tale for a fun & sexy

change here. Buff, gruff bodyguard Wake Robinson just had too many yummy, growly thoughts and I just had to write this story from his POV. Happy reading! **TEMPTED BEYOND RELIEF** Wylie: She's done a bang-up job hiding her past from everyone with that tough exterior of hers, but she can't hide forever. And the more I get to know every facet of Rhea, learn every vulnerability, experience every hot fantasy, the more I'm certain of who she really is. So how would I describe the stubborn woman? That's easy. She's strong, selfless, sexy as hell...and mine. Rhea: I know he wants to break down my walls. I get it, because he's built them around his heart, too. Wylie and I, we're not that different; he knows all about sacrifice and duty—to others, to our past. That's probably why we're both such control freaks at work, and in life in general. So how do I feel about him being so darn bossy in bed? Ha! Get a court order and I'll give up the answer. In the enchanting *Midnight in Scotland* series, the unlikeliest matches generate the greatest heat. All it takes is a spark of Highland magic. A woman hunted Once a hopeless wallflower, Clarissa Meadows blossomed into a beauty for a single splendid season—only to catch the eye of a madman bent on possessing her. Now, she must flee where he'll never follow: a friend's house in the Scottish Highlands. Except he does follow. And Clarissa has nowhere left to run. A protector unbound Campbell MacPherson shouldn't be dreaming about the fair English lass who blushes like a sunrise, blurts out double entendres over breakfast, and shows a peculiar interest in the size of his hands. But when she reveals the threat putting fear in her eyes, this rough, solitary giant vows his protection, even if it means keeping temptation as close as his next breath. A temptation too hot to deny Clarissa couldn't ask for a more imposing—or enthralling—bodyguard than Campbell MacPherson. But accepting his protection puts him squarely in a predator's sights. And soon, she faces an impossible choice: stay in the shelter of his

arms or save the man she loves from the wolf she's brought to his door.

**From the number one New York Times bestselling author comes another stunning memoir that is tender, touching...and just a little spooky. "Here's a partial list of things I don't believe in: God. The Devil. Heaven. Hell. Bigfoot. Ancient Aliens. Past lives. Life after death. Vampires. Zombies. Reiki. Homeopathy. Rolfing. Reflexology. Note that 'witches' and 'witchcraft' are absent from this list. The thing is, I wouldn't believe in them, and I would privately ridicule any idiot who did, except for one thing: I am a witch." For as long as Augusten Burroughs could remember, he knew things he shouldn't have known. He manifested things that shouldn't have come to pass. And he told exactly no one about this, save one person: his mother. His mother reassured him that it was all perfectly normal, that he was descended from a long line of witches, going back to the days of the early American colonies. And that this family tree was filled with witches. It was a bond that he and his mother shared--until the day she left him in the care of her psychiatrist to be raised in his family (but that's a whole other story). After that, Augusten was on his own. On his own to navigate the world of this tricky power; on his own to either use or misuse this gift.**

***From the hilarious to the terrifying, Toil & Trouble is a chronicle of one man's journey to understand himself, to reconcile the powers he can wield with things with which he is helpless. There are very few things that are coincidences, as you will learn in Toil & Trouble. Ghosts are real, trees can want to kill you, beavers are the spawn of Satan, houses are alive, and in the end, love is the most powerful magic of all.***

***A fifteen-year-old drug user chronicles her daily struggle to escape the pull of the drug world.***

***From USA Today bestselling author Ava Harrison comes a billionaire romance full of witty banter and a jaw-dropping twist! Unemployed. Check. Zero prospects. Check. An eviction notice in hand. Check. Life in shambles? Check. Check. Check. Desperate to avoid living on my sister's couch, I took a job in the one place I shouldn't. That's where I first saw him. Drew Lawson. Elusive bad boy. Owner of the hottest club in the city. And apparently my new boss. Temptation comes in many forms. For me, it's the way he looks at me. The way he feels. He's my addiction. My secret. I know I should keep my distance. I could lose everything-even myself. But I can't. And neither can he.***

***When a woman is the magnet for the wrong man, it takes a bad boy to break old habits. Carolina Rodriguez is a large-animal veterinarian on a mission to escape South Florida. Willing to do just about anything, she accepts a job in Annona, Texas over the internet from a family connection. At her cousin's wedding, she runs into - literally - a handsome Texan in the parking lot. Matt McLemore is more than gorgeous, he's Carolina's new boss, and needs her help to determine why his cattle keep dying. Matt proposes to introduce Carolina to his family as his girlfriend, giving her the opportunity to work and stay at his ranch without arousing his family's suspicion. Only when she learns she's the last chance to help save his family's cattle reputation (given his father's refusal to listen to reason and modern genetic testing) does she agree to act the part of his girlfriend. Matt's instantaneous attraction to Carolina is an excruciating temptation but a roll in the hay may prove too volatile to handle. He attempts to keep a hands-off relationship until she arrives on his ranch and she is too hot to resist. Carolina refuses to admit Matt's raw sensuality is more than overpowering or that she's the least bit tempted by a smooth talking bad boy. By the time the lab reports comes back, they've explored every inch of each other. All of a sudden, this fiery affair is more than just a fling. When a past flame threatens to overwhelm their newfound romance, Matt must find a way to stake his claim to Carolina's heart before it's too late.***

**'Not to be born is undoubtedly the best plan of all. Unfortunately it is within no one's reach.' In The Trouble With Being Born, E. M. Cioran grapples with the major questions of human existence: birth, death, God, the passing of time, how to relate to others and how to make ourselves get out of bed in the morning. In a series of interlinking aphorisms which are at once pessimistic, poetic and extremely funny, Cioran finds a kind of joy in his own despair, revelling in the absurdity and futility of our existence, and our inability to live in the world. Translated by Pulitzer Prize-winning poet and critic Richard Howard, The Trouble With Being Born is a provocative, illuminating testament to a singular mind.**
