Despite its ideological undertones, however, which admittedly got its author into serious trouble, The Buenos Aires Affair is anything but a lugubrious political document—it is, in fact, a highly suspenseful novel that begins as a thriller would, with a mother discovering that her middle-aged daughter is missing from an idyllic beachside apartment. Puig then carefully draws the reader into this mystery, dropping clues as to where the daughter is, as well as hints at the motives and ...

Buenos Aires has a buzzing and eclectic nightlife scene happening in several districts. The best areas to go out are Palermo and Recoleta. If you are a first-time visitor and only have 3 days in Buenos Aires, you should definitely visit a typical Argentinian tango venue. One of the best is the La Catedral in Palermo. If you want to get in on the action, you can obviously show your moves, but it will be difficult not to look like an amateur next to the talented locals.
