"Forex" stands for foreign exchange and refers to the buying or selling of one currency in exchange for another. It's the most heavily traded market in the world because people, businesses, and countries all participate in it, and it's an easy market to get into without much capital. When you go on a trip and convert your U.S. dollars for euros, you're participating in the global foreign ...

Our forex trading company first started in 2010 and was purely a manual signals service giving live signals through a daily webinar. Since then it has developed significantly covering all aspects of trading, but our roots were in providing manual signals during the main market opening hours. We have developed our manual strategies significantly and everything we do has been grown from what the trader needs and wants on a daily basis.
