The Wrath & the Dawn

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards,

fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. THE SELECTION changed the lives of thirty-five girls forever. Now, only one will claim Prince Maxon's heart... It's swoon meets the Hunger Games in the third instalment of *THE SELECTION* series!

From the New York Times bestselling author of The Selection series comes this sweeping standalone fantasy romance. A girl with a secret. The boy of her dreams. An ocean between them.

One woman learns that the price of belonging is often steeper than expected in this heart-wrenching yet hopeful romantic novel and first in the Seoul duology by USA Today bestselling author Jen Frederick. As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows. Every time Hara looks in the mirror, she's reminded that she doesn't look like anyone else in her family—not her loving mother, Ellen; not her jerk of a father, Pat; and certainly not like Pat's new wife and new "real" son. At the age of twenty-five, she thought she had come to terms with it all, but when her father suddenly dies, an offhand comment at his funeral triggers an identity crisis that has her running off to Seoul in search of her roots. What Hara finds there has all the makings of a classic K-drama: a tall, mysterious stranger who greets her at the airport, spontaneous adventures across the city, and a mess of familial ties, along with a red string of destiny that winds its way around her, heart and soul. Hara goes to Korea looking for answers, but what she gets instead is love—a

forbidden love that will either welcome Hara home...or destroy her chance of finding one. Kiera Cass's #1 New York Times bestselling Selection series has captured the hearts of readers from its very first page. Now the end of the journey is here. His father's presidency is almost over, and he just needs to stick to his carefully crafted plan. Once his family's out of the spotlight, he can be honest with his conservative parents about his sexuality and his dream of being a chef. It's definitely not part of Rafa's plan to get a new Secret Service agent who's a walking wet dream, but he's made it this long keeping his desires to himself. Shane's worked his way up through the Secret Service ranks, and while protecting the president's shy, boring son isn't his dream White House assignment, it's an easy enough task since no one pays Rafa much attention. He discovers there's a vibrant young man beneath the timid public shell, and while he knows Rafa has a crush on him, he assures himself it's harmless. Shane's never had room for romance in his life, and he'd certainly never cross that line with a protectee. Keeping Rafa safe at any cost is Shane's mission. But as Rafa gets under his skin, will they both put their hearts on the line? This gay romance from Keira Andrews is the first part of the Valor duology and features a May-December age difference, Jane Austen levels of pining, forbidden love against the odds, and of course a happy ending.
