Finding the Courage to Laugh The
Healing Power Of Humor

Brimming with pointed, humorous anecdotes and learn-to-laugh techniques, The Healing Power of Humor combines the wisdom of the world's great spiritual teachers with the insights of famed humorists, comedians, and others to help you turn life's negatives into positives. It is the ideal book for anyone going through troubled times—whether it's the loss of a wallet, the loss of a job, a spat with one's spouse, or a stay in the hospital.

ways.

The Healing Power of Humor

Ridgeview Institute

The cliché that laughter is a great medicine is true. Laughing has been scientifically proven to reduce stress and physical tension, boost the immune system and release mood-enhancing endorphins. I experienced a little of the miraculous healing power of humor just last week. I'd had a rough day and by the end of it, was feeling down on myself.

The healing power of humor and its positive effect on mood ...

The belief that laughter can help to speed up the healing process is supported by the teachings of the Law Of Attraction, as when we are laughing we are emitting our more powerful

healthy. For more quotes, see part two of this post here. "Laugh as much as possible, always laugh. It's the sweetest thing..."

25 Quotes on Humor | Psychology Today

Humor also reduces anxiety, enhances participation, and increases motivation . Humor has positive physiological effects, such as decreasing stress hormones like epinephrine and cortisol and increasing the activation of the mesolimbic dopaminergic reward system (3a, 45). Furthermore, teaching is about relationships, and humor builds bonds as well as brains, by strengthening the relationship between student and teacher.
