Does God still speak to us today? Amidst the chaos and distractions of the world we live in, it can be difficult to be still and listen for God as He may be speaking to us. With the constant sounds of bustling traffic and phone notifications overwhelming our daily lives, many believers today feel disconnected from the God whom they desire to know. They no longer hear God’s voice and are led to doubt whether or not God even desires to connect with us. However, according to the Bible, the God that led Moses out of Egypt and brought Mary and Joseph to Bethlehem is the same God who is with us today. He spoke to those He called, and He still speaks today. In Lion’s Calling, Estrela Luna encourages you to listen for the messages that God has in store for you today”no matter where you may be in your faith walk. Written at various points throughout her teenage and adult life, Luna’s collection of contemporary poems seek to challenge you to reflect on how Christianity has been manipulated to fit the modern lifestyle. Through the transformative messages contained in these Psalms, she also seeks to inspire you to seek God wholeheartedly. Only by connecting with our Creator may we discover our inheritance in Christ and reclaim our birthright as a Child of God. The Father’s kingdom holds many secrets and treasures, which He exclusively gives to those who are called to be His children. This is the beginning of a journey back to the One who yearns to guide us in the hectic world in which we live.

*Greek Angels in the Lion’s Den is a candid and passionately written memoir, eight years in the making, introducing the reader to a motherless daughter. Nicolette worked hard to discover her roots and identity while living with a mean-spirited and abusive Greek "stepmother" and an aloof, womanizing Greek father. This memoir addresses more than what one thinks exists in Greek households and what has been portrayed in a popular Greek film and its sequel. On the contrary, this memoir delves deeply into spousal and child abuse, alcoholism, ethnocentrism, racism, poverty, sports fame, health issues, the Greek underworld, sexism, arranged Greek marriages, and the effects these issues have had on the mental and physical health of those family members and friends.*
