Walter de la Mare published "The Listeners" in 1912, as the title poem of his second collection of poetry. It remains one of his most famous pieces of writing, and reflects the author's fascination with mystery and the supernatural. The poem tells the story of an unnamed "Traveller" approaching an abandoned house seemingly inhabited by ghosts, but leaves the reader's many questions as to who these entities actually are unanswered.

The Listeners: Poem Meaning & Analysis - Video & Lesson ...

Poetry often presents a different style of writing to the type of standard story-driven narrative often used for guided reading and reading comprehension activities. There is usually more figurative language used in poetry, which can make basic questions, such as 'what do you think is the poem about?', much more difficult to answer. With poetry, there are also different questions you can ask that probably wouldn't be relevant in a short story or novel.
