The Political Thought of John Locke: An Historical Account of the Argument of the 'Two Treatises of Government' Paperback – 9 Sept. 1982 by John Dunn (Author)

The Political Thought of John Locke: An Historical Account ...

John Dunn restores Locke's ideas to their exact context, and so stresses the historical question of what Locke in the Two Treatises of Government was intending to claim. By adopting this approach, he reveals the predominantly theological character of all Locke's thinking about politics and provides a convincing analysis of the development of Locke's thought.

The Creation of the Legitimate Polity (Chapter 10) - The ...

Locke was a scholar, physician, and man of affairs, well-experienced in politics and business. As a philosopher he accepted strict limitations on the faculties of the mind, and his political philosophy is moderate and sensible, aimed at a balance of power between the executive, the judiciary, and the legislature, though with a bias toward the last (see separation of powers; checks and balances).

Political philosophy - Locke | Britannica

Thomas Hobbes (1588-1679) and John Locke (1632-1704) were both great thinkers of their time and noted for their influences on political thinking. Each philosopher has a unique viewpoint on the nature of man, man's relationship with society, and man's relationship with government. The elements of their

viewpoints will be compared and contrasted for similarities and differences.

Comparison of Thomas Hobbes and John Locke' Political ...

This last book by the late John Rawls, derived from written lectures and notes for his long-running course on modern political philosophy, offers readers an account of the liberal political tradition from a scholar viewed by many as the greatest contemporary exponent of the philosophy behind that tradition. Rawls' goal in the lectures was, he wrote, "to identify the more central features of liberalism as expressing a political conception of justice when liberalism is viewed from within the ...

Lectures on the History of Political Philosophy: Amazon.co ...

From the end of World War II until 1971, when John Rawls published *A Theory of Justice*, political philosophy declined in the Anglo-American academic world, as analytic philosophers expressed skepticism about the possibility that normative judgments had cognitive content, and political science turned toward statistical methods and behavioralism.
