The Professional Thief

An in-depth look at the sociology of what Sutherland terms "The Professional Thief". This encompasses pickpockets (cannons), shoplifters (boosters), forgers and con men. It is based on his interview with one particular thief, however, it includes commentary from a range of people in the "industry" including police, lawyers and judges.

The Professional Thief by Edwin H. Sutherland

The Professional Thief presents in amazing detail the hard, cold facts about the private lives and professional habits of pickpockets, shoplifters, and conmen, and brings into focus the essential psychological and sociological situations that beget and support professional crime.

The Professional Thief (Midway Reprint): Amazon.co.uk ...

About This Game. Professional Thief - a first person stealth simulator where you play the role of a burglar and are supposed to rob a house. The main goal is to find a specific amount of money in the house and leave without being seen by the owners or their guests. However, robbing a house is not an easy task... READ MORE.

Professional Thief on Steam

This monograph by a professional thief—with the aid of Edwin H. Sutherland's expert comments and analyses—is a revealing sociological document that goes far to explain the genesis, development, and patterns of criminal behavior. "Chic Conwell," as the author was known in the underworld, gives a candid and forthright account of the highly organized society in which the professional thief lives.
