Holy Qur'an (Arabic Script & Recitation) - IslamiCity

The Qur'an informs Muslims that murdering one person is akin to murdering all mankind; but helping to preserve individual life is the equivalent of helping to preserve the life of all humankind. If anyone kills a person not in retaliation of murder, or (and) to spread mischief in the land - it would be as if he kills all mankind, and if anyone saves a life, it would be as if he saves the life of all mankind.
