The River At The End

The River at the End of the Road is a play about Flo Sheppard, a girl caught between two worlds, and her dad who works the ferry, and her mum whose absence haunts them both. Every decade when the river is at its lowest, folks from both sides of the river come together for a nightlong celebration they call The Ebb.

A river is a natural flowing watercourse, usually freshwater, flowing towards an ocean, sea, lake or another river. In some cases a river flows into the ground and becomes dry at the end of its course without reaching another body of water. Small rivers can be referred to using names such as stream, creek, brook, rivulet, and rill. There are no official definitions for the generic term river as applied to geographic features, although in some countries or communities a stream is defined by its s

River - Wikipedia
River Severn, Britain’s longest river from source to tidal waters—about 180 miles (290 km) long, with the Severn estuary adding some 40 miles (64 km) to its total length. It rises near the River Wye on the northeastern slopes of Plynlimon, Wales, and flows southward to the Bristol Channel and the Atlantic Ocean.
