~~The New Constitutional Role of the Judiciary~~

The constitutional role of the judiciary is the application of legislation, if the wording of the legislation is ambiguous or unclear, then its meaning will need to be interpreted. Ambiguity or lack of clarity may arise because the Act might have been poorly drafted (using generic or ambiguous terms) or does not cover all eventualities, particularly in relation to complex subject areas.

The role and responsibilities of the Constitutional Court are defined in the Constitution of Kosovo and the Law on the Constitutional Court. While the courts of other instances deal with the examination of the facts, the verification of the legality of the creation and taking of evidence, the Constitutional Court deals only with the constitutional control of the regular judicial process.
