Gaudí spent twelve years working solely on the Sagrada Família, until the day he died on 10 June 1926 after being run over by a tram. His funeral procession, which passed through most of Barcelona and ended up at the Sagrada Família, was a grand event with people turning out to say their goodbyes to the man who was, and still is, the greatest architect Barcelona has ever seen.

Gaudi obra - Antoni Gaudí - Sagrada Família - Sagrada Família

La Sagrada Família is one of Gaudí’s most famous works in Barcelona. It’s a giant Basilica that has been under construction since 1882 (that’s not a typing error) and it’s not expected to be completed for some time yet. Picture of Sagrada Família - a giant Basilica in Barcelona by Antoni Gaudí.

La Sagrada Família Basilica By Antonio Gaudí

For 135 years, Barcelona’s Sagrada Família has slowly been marching its way toward completion. The focal point of famed architect Antoni Gaudí’s career, the church has undergone trials and tribulations, but is finally reaching the end of construction. An unforgettable part of Barcelona’s skyline, its multiple facades and towers are stuffed with ornate sculpture and mosaics, making it a feast for the eyes.
