The Tommyknockers Stephen King  
The Tommyknockers is a 1987 science fiction novel by Stephen King. While maintaining a horror style, the novel is an excursion into the realm of science fiction for King, as the residents of the Maine town of Haven gradually fall under the influence of a mysterious object buried in the woods.. King views The Tommyknockers as "an awful book."

---

The Tommyknockers - Wikipedia  
Master storyteller Stephen King presents the classic, terrifying #1 New York Times bestseller about a terrifying otherworldly discovery and the effects it has on a small town. "Late last night and the night before, Tommyknockers, Tommyknockers, knocking at the door..."

The townspeople of Haven are "becoming"--being welded into one organic, homicidal, and fearsomely brilliant entity in fatal thrall to the Tommyknockers. In this riveting, nightmarish story, Stephen King has given us his tautest, most terrifying novel to date. And the next time someone raps at your door, you may want to keep the chain on. It just might be the Tommyknocker Man.

## The Tommyknockers - IMDb

Though exposure to the Tommyknockers, who piloted the alien ship, has harmful effects on residents' health, the people of Haven develop a talent for creating innovative devices under their increasingly malignant influence. In this riveting, nightmarish story, Stephen King has given us a "brilliant, riveting, marvelous" (The Boston Globe) novel.
