

The Ultimate Vocabulary Builder

The ideal book for people who want to increase their word power. Thorough coverage of 1,200 words and 240 roots while introducing 2,300 words. The Vocabulary Builder is organized by Greek and Latin roots for effective study with nearly 250 new words and roots. Includes quizzes after each root discussion to test progress. A great study aid for students preparing to take standardized tests.

Spanish Made Simple - Speak Spanish Fluently with Real-Life Conversations and Everyday Phrases for Absolutely Beginners Would you like to: - Easily understand Spanish conversations? - Develop confidence when speaking with natives? - Travel abroad and speak Spanish instead of English? But you: - Are overwhelmed with other daily tasks? - Feel like you need to live with locals in order to actually learn it? Right from the first lesson, you will start understanding Spanish better. This book is made for you to follow daily lessons by improving your understanding and speaking abilities. That way even if you start from scratch you will learn quickly a new vocabulary and build Spanish-speaking habits. The best part? This book was made by someone who has a very hectic and busy schedule. I was looking to make the ultimate guide for those of us with 15-30 minutes available a day... and sometimes even less. That way, no matter how busy you are you can still learn Spanish and become fluent quickly. Here is what this beginner's guide can offer you: - Knowledge for Absolute Beginners: Learn the fundamentals that will serve you for the rest of your Spanish learning journey. - Vocabulary Practices: Learn the essentials words and phrases that will make you understand Spanish speakers while traveling in a matter of days - Speaking Spanish with Confidence: The interactive lessons will help you build confidence when you speak with native Spanish speakers - Daily Practices: You will be able to learn anywhere - at the airport, in your car, or even while waiting at the grocery store This is not just a short basic course. This book will take you from an absolute beginner to a fluent Spanish speaker. You need to follow the guide and properly apply the words. If you do that in a few weeks you will already understand and speak Spanish. Scroll up, click on "Buy Now" and Get Your Copy Now!

If You Want To Build A Phenomenal Vocabulary, Spending Less Than 30 Minutes A Day, Then Keep Reading... Here's the deal. You have tried vocabulary videos and lists online, you have tried memorizing words without a proven system in place, you have also wasted your time randomly trying to figure out spellings, but you still see no difference in your practical everyday vocabulary. You still can't figure out spellings and pronounce words the right way. No matter how hard you try, you always seem to find a roadblock. You just can't figure out a laid-out path to all of this. Sounds familiar? If it does, then the protocol inside this book is your answer. Because this is not some theoretical guide filled up with fluff, which leaves you frustrated and takes you nowhere. This is scientifically constructed, yet easy to follow protocol designed for long-lasting vocabulary gains. In this guide, you will discover: The #1 Problem English Speakers Have With Building Vocabulary And How To Overcome It, The Golden Blueprint For Building A Lasting Vocabulary Using 30-Minute Routines, The Hidden Benefits Behind A Strong Vocabulary You Didn't Know About, The Secret Behind Long-Term Retention Of Vocabulary, Simple Hacks To Get Your Pronunciation On Point So That You Speak English More Pleasing To The Ears, 4 Simple Rules To Nail Spellings Almost Always, The Proper Mindset Required To Guide You Through This Life-Changing Journey, Even If You Have Failed At Every Other Vocabulary Building Program In Your Life, This Book Has A Step-By-Step Plan Written In Plain Simple English That Even Beginners Can Follow And Implement To See Results For Themselves. If You Want To Build An Exceptional Vocabulary, Spending 30 Minutes A Day Or Less, Then Simply Scroll Up And Click The Add To Cart Button On This Page To Get Started.

Language Learning Master Class One of the hallmarks of a person of culture is the size of their vocabulary. This book will help you learn a large number of new words (between 500 and 5000 depending on the initial size of your word base), and also to apply your knowledge to practical exercises that test whether you have absorbed your new lessons completely. The biggest goal in any language is to learn new vocabulary elements - both words and phrases - and to then apply the new knowledge thus acquired in real world scenarios. This book simulates that experience in a unique manner: theory meets application in the ultimate English language teaching tool. The correlation between a high level of proficiency in English and success in any career path in the modern world is very high. This book will improve your career options by helping you learn a large number of complex new words in English, and will also help you retain the meanings of and usage recommendations for those words. This book has three main sections: Section 1: In the first section, you will learn hundreds of new, useful words - along with important indicators of the part of speech to which they belong, and a definition in simple English that will help the word stick in your mind. At the end of this section, you will definitely have added at least 100 words to your mental bank of English words to use in a professional context. Section 2: In the second section, you will exercise both the portion of your brain that processes information and conducts analysis of words, and the portion of your brain responsible for word memory. Once you solve the thousands of word puzzles in this section, you would have applied everything that you already know about English, and everything that you learnt in the first section, to give yourself great confidence in your mental agility and in your ability to solve anything that the GRE, the GMAT, the SAT, or any writing requirement at your place of work might throw at you. Section 3: This section is simultaneously a confidence booster and a preview of the upcoming books in this series. In the third section, you will be shown a large number of words. 90% of these are intermediate level common English words, and you will not even have to stop to think to guess their meanings. The remaining words will appear in subsequent volumes in this series, and you will be able to give yourself a preview of what is to come, and try to guess their meanings, even if some of them might be unfamiliar. Once you are done with the book (you can spend either a week of concentrated study or a few months to soak it all in), you will be in a great position to tackle all the difficult English words that life sends your way. Have fun!

Speak tourism and travel English fluently like a native speaker with these useful phrases, expressions, idioms and words for airports, hotels, restaurants, sightseeing & more. What would it mean for your career to be able to speak and write freely in English when working in the tourism industry or travelling? How about understanding more of what you hear or read? What You Need to Know about the Law School Admission Test Explained Simply

The Complete Three-week Vocabulary Builder

This book provides a comprehensive verbal and vocabulary builder for the SAT, ACT, GRE, GMAT, and LSAT. Includes over 1700 words commonly seen on these tests, together with methods and tools designed to teach the meaning of words in context. Book uses "self reference," antonyms, synonyms, and context to impact word meanings in Words matter. They have the capacity to capture a special moment, elevate people's opinion of you, or resonate with an audience with a beautiful turn of phrase.Used incorrectly, though, words-and specifically a limited vocabulary-cripple our ability to describe our experiences and articulate our thoughts and values. The aim of this book is of speaking but to also bring other people's words to life. The book is appropriate for first and non-native English speakers. Whether you are preparing for a SAT exam or you want to speak more eloquently at your next meeting or interview, this is the book for you!

Hawaii is paradise. The human race is divided into two types of people: those who have been to Hawaii, and those who are planning to visit soon. Hawaiians have achieved great things across continents and countries, and the rich heritage of the islands has reached far afield. Many kinds of people are interested in learning the Hawaiian language: those who are partly or completely Hawaiian, and lovers of the culture from all over the world - in addition to people who are planning to visit soon, and want to get ready for the trip. This book is a good introduction to the vocabulary of the language. It will teach you useful words and phrases in the Hawaiian language - that's an interesting format that will have you engaged and captivated throughout. You may take a while to get used to it, but you will have fun throughout! I am sure that you will be able to use your new-found vocabulary skills to excel at Hawaiian in the short and long term. Good luck!

The Portuguese language is spoken by hundreds of millions of people across the world as a first language, and by a hundred million more as a second language. It is among the top ten most prominent languages in the world in 2021, and the future looks bright. This book will help you remember and practice thousands of frequently used words in Portuguese on both sides of the Atlantic.

Dr. Horace Gerald Danner's A Thesaurus of Medical Word Roots is a compendium of the most-used word roots of the medical and health-care professions. All word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes. For example, esthesia, which means "feeling," has as its prefixed roots alloesthesia, anesthesia, and dyesthesia. The listing then switches to words where the root itself forms the beginning, such as esthesiogenesis or esthesioneuroblastoma. These root-starting terms then are followed by words where the root falls in the middle or the end, as in acanesthesia, cryesthesia, or osmethesia. In this manner, A Thesaurus of Medical Word Roots places the word in as many word families as there are elements in the word. This work will interest not only medical practitioners but linguists and philologists and anyone interested in the etymological aspects of medical terminology.

Authentic examination papers from Cambridge Assessment English provide perfect practice because they are EXACTLY like the real test. Inside IELTS 14 Academic with Answers (without audio) you'll find FOUR complete examination papers plus details of the different parts of the test and the scoring system, so you can familiarise yourself with the test format and practise your exam technique. This book comes with answers, tape scripts and sample writing answers. This book does not contain the audio recordings. A Student's Book with Answers with Audio is sold separately and includes all the material for the Listening tests.

Word Power Made Easy

Merriam-Webster's Vocabulary Builder

A Thesaurus of English Word Roots

Discover It! allows the user to discover hundreds, even thousands, of literary, academic, and professional words. The book is further enhanced by wordbuilders, using a more traditional approach of giving the root and its meaning first, and then giving the words derived from that root. There are also "wordtraxs," which give backgrounds of interesting words, such as "muscle" literally means "little mouse." Included also are writing tips, based upon principles the author used in teaching writing at the university level.

Why use boring old words when you can expand and build your vocabulary—and have fun doing it! A user-friendly, engaging book about the power of words—perfect for educators, parents, and future word nerds. Build confidence and become a stronger reader, writer, and communicator! This fun and hilarious vocabulary builder: Includes over 750 high-level, wondrous, and wacky words! With sample sentences and word history that help new words make sense! Bright and fun illustrations make learning new words fun! Allows to search by category so new word choices are easy to find! Kids with strong vocabularies are better readers, better writers, and even feel more confident tackling math and science. When a kid wants to learn a new word, we often send them to the dictionary or a thesaurus. But dictionaries only work if you know exactly the word you want. This dictionary-thesaurus hybrid is organized by theme and by word roots in context of hilarious sentences, pictures, and fun facts. You'll learn what words mean and then actually use them!

A language is always linked to a culture: Portuguese is special in that it is linked with multiple national cultures on both sides of the Atlantic Ocean. These cultures are so dynamic and exciting that deep knowledge of the Portuguese language is necessary to completely appreciate a trip to any of these countries. This book will put you in a very good place to appreciate the unique culture of Portugal, Brazil, Angola, and so many more beautiful nations. I hope you have a fun time learning!

*The Ultimate Guide to Powerful Language If you've ever fumbled while trying to use "big words" to impress a crowd, you know what it's like to be poorly spoken. The fear of mispronouncing or misusing complex words is real and leaves many of us consigned to the lower levels" of the English Language. The secret to eloquence, however, lies in simplicity:the ability to use ordinary words in extraordinary ways. The Well-Spoken Thesaurus is your guide to eloquence, replacing the ordinary with the extraordinary. While a common thesaurus provides only synonyms as mere word-for-word equivalents, The Well-Spoken Thesaurus is filled with" dynamic reinventions of standard words and phrases. "lofty word, pretentious word *know what it is to *lower reaches, lower echelons *wash in, instilled with, dense with, rich in*

Learn how to improve your LSAT score so that you are accepted to the law school of your choice. The average LSAT score is 150, with over half of the test takers scoring between 145 and 160.

Horace G. Danner's A Thesaurus of English Word Roots is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a new mental linguistic library so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, disacousia, hyperacousia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acousthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacousia and otolacousis... In this manner, A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.
