Put your guitar down and go outside and take a long drink of light with your eyes. Go walk in the park and take off your shoes and socks and feel the grass under your feet and mud between your toes. Go see a baby smiling, go see a wino crawling, go see life. Feel life—all of it, as much as possible. Find a human melody, then write a song about it.

The Universal Tone My Life Kindle Edition Carlos Santana

Ghostwritten by esteemed US jazz journalist Ashley Kahn -- who accurately captures Santana's speaking voice so that it sounds as though the guitarist is relating his life story to a close confidante -- The Universal Tone intertwines the events of Santana's musical and personal life with deep philosophical reflections. Though he's revered as a god by some, Santana is not afraid to disclose his foibles and reveal his human frailties.

The Universal Tone - Record Collector Magazine

Traditional universal life insurance policies adjust the cost of insurance (COI) each year you age, because your mortality risk increases every year you get older. This means your policy needs a growing surplus of money to account for the increased cost.
