Of Roses Alison

Alison Weir, one of the foremost authorities on the British royal family, brings brilliantly to life both the war itself and the historic figures who fought it on the great stage of England. The Wars of the Roses is history at its very best--swift and compelling, rich in character, pageantry, and drama, and vivid in its re-creation of an astonishing, dangerous, and often grim period of history.

Indeed, what drove the Wars ever forward was the temperaments and egos of the principal characters. Weir takes us back in time to the reign of King Richard II and his deposition by his Lancastrian cousin Henry of Bolingbroke who became King Henry IV. Many historians count this as the origin of the Wars of the Roses.
