The value of small-scale qualitative research projects into young people's reading is often underestimated. Yet these finely tuned studies, with a precise focus and highly specialised approach, can provide us with profound insights into the richness and variety of young people's reading practices. Bringing together contributors from six continents, this fascinating volume explores researchers' experiences of investigating the reading habits, preferences and practices of young people aged 12–21. Detailing a variety of empirical methodologies and research methods, its chapters also consider reading in an array of contexts, in various languages and using diverse media. Key issues addressed in the book include: the complexity of sociocultural similarities and differences in young people's reading in international contexts multilingual, bilingual and monolingual readers' experiences of reading how young readers use a range of different print and digital media how our understanding of the range of texts available to young readers and the different contexts of and purposes for reading can be enhanced through small-scale qualitative research. Providing in-depth discussion of contributors' research and findings, and touching on many different contexts, text types and media, this volume will support and inspire current and future researchers, lecturers and teachers interested in young people's reading.

Inspired by a chapter in his 2014 book, "Bare Strength," which featured wounded amputee Marines, celebrated photographer Michael Stokes has created an entire photographic volume dedicated to U.S. Gulf War veterans. "Always Loyal," a large-scale, hardcover coffee table book, showcases the beautiful side of wounded soldiers, whose injuries and/or lost limbs are detailed in intimate, exclusive photographs and information that provide a highly unique appreciation for those brave souls who have fought for the United States of America. The goal of fitness photographer Stokes-who, inspired by a shoot with veteran and amputee Alex Minsky, wanted to put a different spin on how wounded veterans were depicted-was to create a book via crowdfunder KickStarter.com. The result of the book is pure art.

An ode to Alberic 'Briek' Schotte, the godfather of all Flandriens. The heroes of the Tour of Flanders and the Paris-Roubaix are tough and determined. The Flemings specialize in riding on bad roads and in bad weather. This set of photos provides an intimate and emotional portrait of these legendary athletes, landscapes and the Flemish culture. Stephan Vanfleteren has been photographing cycling races in Belgium and its surrounding areas for more than 15 years already. With more than 100 images, carefully selected by photographer Stephan Vanfleteren.

Portraits Nudes Flowers is a collection of photographs by Lima-born Mariano Vivanco (born 1975), one of the world's leading editorial and advertising photographers. It includes portraits of some of the world's most fashionable faces, including Cindy Crawford, Rihanna, Lady Gaga, Naomi Campbell, Ricky Martin, Antonio Banderas, Emma Watson and Sam Smith, among many others. Nudes have been a component of Vivanco's photography since his early studies in Melbourne, Australia, most notably his Candice Swanepoel and David Gandy nudes, both of which are featured here. Flowers have also been a longstanding subject of Vivanco's photographic explorations, and this volume includes a never-before-seen series of Vivanco's flowers. With a fresh and unexpected take on these highly popular subjects, Vivanco unifies his collection of portraits, nudes and flowers in a contemporary fashion.

Jack and Liam, fed up with kiss-my-arse bosses and nose-to-nipple commutes, quit their jobs and move to a small town in Turkey. Join the culture-curious gay couple on their bumpy rite of passage in a Muslim country. Meet the oddballs, VOMITs, vetpats, emigreys, semigreys, debauched waiters and middle England miseries. When bigotry and ignorance emerge from the crude underbelly of Turkey's expat life, Jack and Liam waver. Determined to stay the course, the happy hedonistas hitch up their skirts, move to the heart of liberal Bodrum and fall in love with their intoxicating foster land. Enter Jack's irreverent world for a right royal dose of misery and joy, bigotry and enlightenment, betrayal and loyalty, friendship, love, earthquakes, birth, adoption and a senseless murder. Perking the Pansies will make you laugh out loud one minute and sob into your crumpled tissue the next. "Scott pulls no punches. A good read and hopefully the first of many by new boy on the block." Jane Akatay, journalist "An insightful tale of life abroad - with a twist - from the pen of a serial people watcher. Jack Scott has a way with words and proves that it is the relationships we surround ourselves with that matter most," Linda A Janssens, Writer and Co-Author, Turning Points, Adventuresinexpatland.com

Drawing on qualitative studies of team sport athletes and fraternity members, this book describes the rapidly changing world of masculinities among men in both the United States and Great Britain. As cultural homophobia decreases, university-aged men are influenced to construct a softer version of masculinity – one that is not predicated in homophobia. Inclusive Masculinity

shows that today's youth express decreased sexism, racism and masculine bullying. As Eric Anderson demonstrates, men who value inclusive masculinities are also shown to be more likely to bond in emotional relationships with other men and to embrace a variety of behaviors once coded as feminine, including certain same-sex sexual behaviors. Now available in paperback, this groundbreaking analysis of masculinity and young men will be of interest to students and faculty members within Sociology, Gender Studies, and Sport Studies.

This book assesses the construction of masculinities in relation to appearance, embodiment and emotions by drawing on perspectives in psychology, sociology, gender health. Brendan Gough questions conventional assumptions about masculinity and men's health and responds to recent trends in critical studies of masculinities which 'positive' or 'healthy' masculine identities. The book showcases discursively inflected qualitative research using data sources where men's own accounts are prioritised interviews and online discussion forums. Chapters discuss men's appearance concerns and activities and examine male mental health, focusing on vulnerability and its Current trends and key concepts, including intersectionality, inequalities and embodiment are also considered throughout. This book will appeal to students and academic social sciences and humanities interested in gender issues in general and masculinity in particular.

Dylan Rosser's started working for Naked Ibiza four exciting years ago. After visiting Ibiza regularly since 2000, he decided to leave London for it, with the intention of models outdoors in nature, something that was new to him after primarily indoor studio work. 'I wanted to work with more models in different locations at different times to provide a more vivid picture of this Mediterranean island paradise,' he puts it. The range of body types and the mix of clothed and nude bodies means there is something in Rosser's biggest book.

All over the world, in every industry, there are those who have an impact and attract opportunities. They build strong businesses and strong careers whilst having a presence on the world around them. These people are Powerful Leaders, and you can be one of them.

Stars in My Eyes is a revealing and entertaining collection of celebrity portraits, rendered both in acute drawings and in finely observed prose. In the 1970s and 1980s, the well-known artist Don Bachardy made portraits from life, depicting the actors, writers, artists, composers, directors, and Hollywood elite that he and his partner Christopher knew. He then made detailed notes about these portrait sittings in the journal he has kept for more than forty years. The result is a unique document: we enter the mind of the artist as he records the images and behavior of his celebrity subjects—from Ruby Keeler and Barbara Stanwyck to Jack Nicholson and Linda Ronstadt—during their often intense sessions with him. This book contains an international collection of essays by leading philosophers of sport on the ethics and philosophy of the Olympic Games. The essays consider a range of topics including critical reflections on nationalism and internationalism within the Olympic movement, sexism in Olympic marketing and sponsorship, the preservation and corruption of Olympism, the underlying ideology of the Olympic Games, the inequalities of perception in ability and disability as it informs our understanding of the Olympic and Paralympic Games, and comparisons between ancient and modern interpretations of the meaning and significance of the Olympic Games. This book will be of interest to historians, philosophers, and sociologists of sports, as well as to the sporting public who simply want to know more about the grounding ideas behind the greatest show on earth. This book was originally published as a special issue of Sport, Ethics and Philosophy.

The ancient Greeks thought the gods dwelled on Mount Olympus. We can confidently report that they've moved to the Paris Rugby stadium! Elaborating on the photographs taken for the popular calendar of the same name, these tantalizing images feature players of the famous international rugby club, the Stade Francais Paris, in all their unclothed glory. Tony Duran's work worships the human form, whether in his sexually charged nude studies, his sensual fashion photography, or his inventive celebrity portraiture. Duran has take his signature style to Dieux di Stade, where he transforms the athlete into graphic sensual male form.

A month ago, eunuch sword-dancer and spy Varazda collided with ex-soldier Damiskos at a seaside villa during a dizzying week of intrigue, assassinations, and a fake love affair that—maybe—turned real. Now Varazda is back home in Boukos, at the center of a family and community he dearly loves, and Damiskos is coming to visit. Things aren't going according to plan. Varazda's family members suspect Damiskos's motives. Varazda grapples with his own desires. Add in a horrible goose, a potentially lethal sculpture, and yet another assassination plot, and any man other than Dami would be boarding a ship straight back to PHEME. It's going to take all of Damiskos's patience, and all of Varazda's strength, to make this new relationship work. After all that, solving one more murder shouldn't be too hard. Saffron Alley is the second book in the Sword Dance trilogy, the continuation of Dami and Varazda's story from Sword Dance. It crosses over with One Night in Boukos, but you don't have to have read that book to enjoy this one.

Achieving the Sustainable Development Goals through Finance, Technology and Law Reform Achieving the SDGs requires a fundamental rethink from businesses and governments across the globe. To make the ambitious goals a reality, trillions of dollars need to be harnessed to mobilise finance and accelerate progress towards the SDGs. Bringing together leaders from the World Bank, the financial and business sectors, the startup community and academia, this important, topically relevant volume explains what the SDGs are, how they came about and how they can be accelerated. Real-world case studies and authoritative insights address how to direct investment of existing financial resources and re-align the global financial system to reflect the SDGs. In depth chapters discuss how financial institutions, such as UBS Wealth Management, Manulife Asset Management and Moody's Rating Agency are supporting the SDGs. The opportunities arising from Blockchain, Big Data, Digital Identity and cutting-edge FinTech and RegTech applications are explored, whilst the relevance of sustainable and transparent global supply chains is underscored. Significant attention is paid to law reform which can accelerate progress of the SDGs through SME Financing, Crowdfunding, Peer-to-Peer Lending and tax restructuring. To achieve the 'World We Want', much needs to be done. The recommendations contained within this book are critical for supporting a fundamental shift in thinking from business and governments around the world, and for building a more just and prosperous future for all.

Visual culture, performance and spectacle lay at the heart of all aspects of ancient Greek daily routine, such as court and assembly, cult and ritual, and art and culture. Seeing was considered the most secure means of obtaining knowledge, with many citing the etymological connection between 'seeing' and 'knowing' in ancient Greek as evidence for this. Seeing was also however often associated with mere appearances, false perception and deception. Gazing and visuality in the ancient Greek world have had a central place in the scholarship for some time now, enjoying an abundance of pertinent discussions and bibliography. If this book differs from the previous publications, it is in its emphasis on diverse genres: the concepts 'gaze', 'vision' and 'visuality' are considered across different Greek genres and media. The recipients of ancient Greek literature (both oral and written) were encouraged to perceive the narrated scenes as spectacles and to 'follow the gaze' of the characters in the narrative. By setting a broad time span, the evolution of visual culture in Greece is tracked, while also addressing broader topics such as theories of vision, the prominence of visuality in specific time periods, and the position of visuality in a hierarchisation of the senses.

A notorious loan shark is shot dead outside the Old Bailey. The killer is apprehended at the scene and Adrian Stanford is about to take on the toughest case of his career. Can he steer his client past the no-nonsense detective Chief Superintendent 'Iron' Rod Stokes, hell bent, in his last case before retirement, in achieving a murder conviction? Or the acerbic judge known to all as Mack The Knife, whose own resolve is being tested to the limit by an adulterous wife? That's assuming he can keep him alive long enough for the trial to even go ahead. And why is London underworld numero uno Big Jake Davenport showing such a close interest in the case? A wickedly eccentric cast of brilliantly-drawn characters from both sides of the legal divide populate this daring debut from one of Britain's top criminal defence lawyers. Dripping with sparkling dialogue and delicious wit, Murder at the Bailey is a brilliant picaresque romp through the courtrooms, custody suites and Italian restaurants of London. Having spent over 40 years observing crime play out from a ringside seat Milner's first novel draws on his incomparable experience of the law in action and is peopled by characters who have had the misfortune to cross his portals.

Bliss and Dick like to play dangerous games. They enjoy testing each other's limits and do so by taking turns being the dominant partner in their BDSM relationship. This weekend brings them to a remote

cabin in the woods where their playful torture can be messy and their screams loud. But, while intense, everything is all fun and games (and sex) until it turns out that the cabin doesn't provide as much privacy as they'd been expecting. After a dangerous interruption, can they still make it a weekend to remember?

Why is it so hard to talk about sex and sexuality? In this crisp and compelling book, Amin Ghaziani provides a pithy introduction to the field of sexuality studies through a distinctively cultural lens. Rather than focusing on sex acts, which make us feel flustered and blind us to a bigger picture, Ghaziani crafts a conversation about sex cultures that zooms in on the diverse contexts that give meaning to our sexual pursuits and practices. Unlike sex, which is a biological expression, the word 'sexuality' highlights how the materiality of the body acquires cultural meaning as it encounters other bodies, institutions, regulations, symbols, societal norms, values, and worldviews. Think of it this way: sex + culture = sexuality. Sex Cultures offers an introduction to sexuality unlike any other. Its case-study and debate-driven approach, animated by examples from across the globe and across disciplines, upends stubborn assumptions that pit sex against society. The elegance of the arguments makes this book a pleasurable read for beginners and experts alike.

'Powerful and profound.' - Matthew Syed 'Anyone interested in motivation should read this book and think deeply.' - Margaret Heffernan ***Selected as one of the Financial Times's Best Business Books of 2020!*** In this fascinating examination of our widespread obsession with winning, Cath Bishop draws on her personal experience of high-performance environments to trace the idea of winning through history, language and thought to explore how it has come to be a defining concept in fields from sport to business, from politics to education. Faced with the challenges and opportunities of the 21st century, Cath offers a new, broader approach - The Long Win. Cath competed as a rower at three Olympic Games, becoming the first British woman to win the World Championships and an Olympic medal in the coxless pairs event. As a senior diplomat, Cath worked on policy and negotiations, specializing in stabilization policy for conflict-affected parts of the world. In business, Cath has acted as a coach and consultant, advising on team and leadership development and organizational culture, and teaches on the Executive Education Faculty at the Judge Business School, Cambridge University. In this book she brings that extraordinary mix of experience to examine what winning has come to mean to society and to us as individuals and offers a fresh perspective on how we might redefine success - personal and professional - for the longer-term. 'Looking at life from a different point of view is a rare skill. Built on in-depth research and broad experience as well as original thought, this book will change your outlook on everything.' - Clare Balding OBE 'This book is so relevant, timely and exciting for any person or organization wanting to investigate what success means to them. It couldn't be a more relevant book right now and Cath's exceptional ability in so many areas of life make it a gripping read with a lot of key takeaways whatever your area of interest. I wish every leader could immediately read this book as the world would be a better place if they did!' - Goldie Sayers, Olympic Medallist in the Javelin, Coach 'I love this book. It is a must-read for educators, business executives, policy makers, politicians and indeed anyone who wants to understand why we need a new narrative around winning and success. We need a lot more Long-Win Thinking in our homes, businesses and institutions and Cath's book is the place to go to find out why - and how we get there.' - Dame Helena Morrissey
