In this sharp and funny urban fantasy novel, booze is magic, demons are real, and millennial Bailey Chen joins a band of monster-fighting Chicago bartenders instead of finding a "real" post-college job. Bailey Chen is fresh out of college with all the usual new-adult demons: no cash, no job offers, and an awkward relationship with Zane, the old friend she kinda-sorta hooked up with during high school. But when Zane introduces Bailey to his monster-fighting bartender friends, her demons become a lot more literal. It turns out that evil creatures stalk the city streets after hours, and they can be hunted only with the help of magically mixed cocktails: vodka grants super-strength, whiskey offers the power of telekinesis, and rum lets its drinker fire blasts of elemental energy. But will all these powers be enough for Bailey to halt a mysterious rash of gruesome deaths? And what will she do when the safety of a "real world" job beckons? This sharp and funny urban fantasy is perfect for fans of Buffy the Vampire Slayer, Scott Pilgrim Vs. The World, and grown-up readers of Harry Potter. Includes 14 recipes from a book of ancient cocktail lore.

What you have in your hands is the story of what author-bartender- painter-raconteur Mike Muri "used to be like," and it ain't pretty. In fact, it is one of the most graphic, harrowing descriptions of the life of an alcoholic you will ever read. If like me, you also think it is howlingly funny, bitterly perceptive and disturbingly familiar, then you may well be an alcoholic, too

Vaudeville Humor: The Collected Jokes, Routines, and Skits of Ed Lowry contains vaudeville jokes, skits, and routines from the first three decades of the twentieth century originally compiled by comedian Ed Lowry (1896– 1983). Although occasionally found in bits and pieces in anthologies and in some period dramatic comedies, vaudeville humor has never before been available in one collection— performers rarely if ever kept a record of their jokes and routines. Fortunately, Ed Lowry was an inveterate collector. He kept copious notebooks of jokes and routines that he not only commissioned but also stole from other comics, clipped from newspapers, and copied from now defunct popular magazines of the day. Editor Paul M. Levitt has reorganized the material into categories that preserve some of the flavor of Lowry's scrapbooks yet provide for finer distinctions. Part one, " Jokes," is organized by subject matter and cataloged by genre, dialects, and wordplay. From " Accidents" to " Work," this exhaustive catalog of humor features over one thousand jokes with topics that range from city slickers and country hicks through midgets and old maids to Swedes and tattoos. Part two, " MC Material: Biz, Jokes, Routines, and Skits" is germane to the job of master of ceremonies, routines, and skits. It features topics from fractured fairy tales to stuttering. Part three, an appendix, " Ed Lowry Laffter," reproduces a privately published collection that is now a rare collector's item. " Although some of the jokes can undoubtedly be found in other places," explains Levitt in his introduction, " I know of no source as rich as this one for the twenties and thirties, a period so abundant in humor that for years afterward it fueled radio, cinema, and television."

August, twenty ninth, 2005, is a day that will forever be remembered by the citizens of the Mississippi Gulf Coast, for that was the day that changed our lives forever. Hurricane Katrina devastated our beautiful coast with her powerful winds, blinding rain and the highest storm surge, ever documented, in the history of the United States. This book is about many of our restaurants, along the coast, that were damaged or destroyed by Hurricane Katrina. Each of theses restaurants share the history of how they came to be as well as their personal Hurricane Katrina story. They have also graciously agreed to share some of their most delectable recipes, and believe me you will want to try them all (preferably in their restaurants) Some of our local Mississippi Coast Residents shared their very favorite recipes with us as well. Though not originally from Mississippi, Lee & Linda call the Mississippi Gulf Coast home.

Linda writes children's book, as well as adult fiction and Lee is the illustrator. They both enjoyed successful careers in Television and Print advertising, and most recently were employed as Special Project Managers with Books Are Fun, a Readers Digest Company. Linda's first book, Awakening Nicholas, was written under the pen name of Lindsay Delaney; since then she has written the first two installments in her Strawberry Fairy series titled The Strawberry fairies Save Sandcastle Island and The Strawberry Fairies and The Secret Of Mystery Island . The third installment, The Strawberry Fairies And The Treasures Of Pirate's Island will be released soon along with Willow House; a mystery that takes place in the city of Ocean Springs, Mississippi.

Who knew sleeping with the enemy could be this fun? Was the one night stand a good idea? Well, no. Probably not in retrospect. In my defense I had just moved back into my grandparent's house, I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped 'LOSER' on my forehead. So when the guy behind the bar started giving me THE look...you know, the one that promised I'd be screaming his name into the wee hours of the morning? When that guy also has the perfect amount of scruff on his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack...when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse and ride it! Pun fully and completely intended. And accurate by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out WHO the bartender was, I was already falling for him. A romcom from a secret duo of USA Today Bestselling Authors, comes the first COMPLETE STANDALONE in the Modern Love Series.

Grammy Award winning artist T-Pain brings *Can I Mix You A Drink?*, a liquor guide inspired by his Platinum hits, combining unique drinks with an experience that only T-Pain can provide. In 2007, "rappa ternt sanga" T-Pain released his hit single "Can I Buy U A Drank (Shawty Snappin')," propelling the artist to mainstream royalty. Since then, the Tallahassee, Florida native has secured his position as one of the most successful and diverse hip-hop artists in the world. It all started, really, with a song about liquor. T-Pain's extensive career has been punctuated by libations. It's been a part of his music, his business acumen (having secured a number of ambassador deals with liquor brands like Jose Cuervo), and his overall persona. Now, T-Pain brings his love of mixology and music in book form, titled *Can I Mix You A Drink? Working with Mixologist Maxwell Britten, former Bar Director to Brooklyn's James Beard Award Winning Maison Premiere, T-Pain sets cocktails to music.* Each drink has been carefully curated to reflect a sentiment from one of his hit songs. Drink by drink, T-Pain explores levels of new flavors (and potencies) to create a work that can be used for parties, local bars, pre-gaming before the club, or even just a quiet night at home. It's nearly impossible not to hear T-Pain's music as you read through the drinks and their unique combinations and names. Considering T-Pain is known for unorthodox mixes in his music, expect the same from his drinks, along with some classic cocktails modified by T-Pain himself. Whether you're a fan of T-Pain or a fan of drink-making, *Can I Mix You A Drink?* is the cocktail book for you.

Certain lines define a movie. Marlene Dietrich in *Morocco*: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in *I'm No Angel*: "I'm very quick in a slow way." Jane Fonda in *California Suite*: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.

Movie Quotes To Get You Through Life is a hilarious collection of over 2000 movie quotes organized by situations in which they may be used in everyday life. *Movie Quotes To Get You Through Life* is a fantastic book for any movie fan or anyone who loves to quote movies.

Tokharian Tales is a collection of post-futuristic seemingly science-fictional short stories set on an Earth that is being abandoned, including a love story about a scientist who falls in love with a ghost ... a romance that goes horribly wrong on the floating bridge between Hawaii and Viva-Mexico ... a story set in the Outzone, the dark underbelly of the internet ... a retro-futuristic novella about a quixotic social anarchist who dreams of spaceships during her datura trances ... storybook-tales for 67th century children about robots and replicants, osterlings and Oospheroids ... and the adventure of Shridmar Joe, Hovercipher Pro, in the most dangerous dance of a strange game you've ever played! Thousand years ago, the Tokharians lived in a lush oasis with orchards and vineyards where they grew gourds and peaches, melons and grapes. They had iron-smelting furnaces and Buddhist stupas. Merchants rested under mulberry trees, and in the marketplace they sold Chinese brides, Kashmir wool, Bactrian rubies and lapis-lazuli. Gone now, desert now: the oasis has dried up, and a desert wind blows sand over the shattered stupas, the stumps of mulberry trees. The Tokharians either departed or they died in the desert which overtook them. But distance yourself: the same thing is happening again as we dismantle the Earth to fly to the stars. The same desert wind blows over America, over the ruins of Santa Fe and New York City. The wats and shrines of Thailand have been unbricked, removed, and re-assembled in orbit around distant stars. Likewise, the massive Mesoamerican suntemples of Viva-Mexico have been transplanted to the jungle greens and desert sandstonewhites of other planets aroundindigo-orange stars.... About the author: Jason Murk is an existential anarchist from New Mexico who flies through the summer skies in sadhoo-tripsterly tradition in his own hovercipher. What's a hovercipher? You might as well ask what's existential anarchism - open this book and find out!

Cosmopolitan: A Bartender's Life is a memoir of the bartending life structured as a day in the life at Passerby, the bar owned and run by Toby Cecchini. It is, as well, a rich study of human nature—of the sometimes annoying, sometimes outlandish behavior of the human animal under the influence of alcohol, lust, and the sheer desire to bust loose and party. It's not a pretty picture, but it's always compelling through the gimlet-eyed gaze of the author. As his typical day progresses, from the almost pastoral quiet of opening the bar and setting up to the gathering rush of customers dropping in after work to the sheer madness of catering to a crazed crush of funseekers, Toby Cecchini muses over a life spent in the service industry and the fascinating particulars of his chosen profession. Topics touched on include dealing with regulars, both welcome and not; sex and the

bartender; cocktail connoisseurs (and drinks he refuses to make); learning the bartending ropes of the Odeon when young and newly arrived in New York; the sheer man-killing pace of keeping those drinks coming at flood tide; and the manifold varieties of weirdness and bad behavior that every bartender has to learn how to manage. Cosmopolitan: A Bartender's Life is the hip, behind-the-scenes look at the frenzied yet undeniably fun atmosphere of that great establishment—the bar—and Toby Cecchini is, by turns, witty, acute, mordant, and lyrical in dealing with the realities of his job, shedding plenty of light on the hidden corners of what people do when they go out at night.

This book is about the feelings and experiences of John J. Daly during his early teenage years and through to his premature death while in his early fifties. The poems illustrate the author's zest for life, feelings of love, as well as his times of sorrow and loss.
