The book frees the actor from the simple, dull acting of this materialistic age we live in and it shows the actor in a simple way, how to unlock the many treasures hidden in their sub-conscious. This book has changed my life and has opened my eyes. To The Actor puts the power back into the actor's hands and gives him a sense of worth.

An actor is a person who portrays a character in a performance (also actress; see below). The actor performs "in the flesh" in the traditional medium of the theatre or in modern media such as film, radio, and television. The analogous Greek term is ?????????? (hupokrit?s), literally "one who answers". The actor's interpretation of their role—the art of acting —pertains to the role played, whether based on a real person or fictional character.

An actor communicates a character or situations to an audience through speech, body language and movement. This usually involves interpreting the work of a writer under the instruction and support of a director, although some work may require the actor to devise a character or improvise the reactions of a character to a situation.
