### **Problems?**

To troubleshoot a Samsung television that cannot connect with a network or particular apps, check to make sure there is a network connection. Use the remote control or buttons on the television to navigate to Menu, Network and then Network Status. If there is no connection, ensure the Internet router is properly connected to the television.

### **~~What Are Tips for Troubleshooting a Samsung TV?~~**

Samsung Smart TVs are loaded with many popular apps like Netflix, YouTube, Xfinity, Amazon, and HBO Max. If you have an app that is freezing, not loading, or crashing, you should:

1. Cold boot the TV.
2. Update the TV's software.
3. Delete the app from the TV and download it again.
4. Reset Smart Hub on your TV.

### **~~Samsung TV won't turn on~~**

Here's how our home repair service works. Step 1. Check for any software updates applicable to your device, and follow our troubleshooting guides to confirm a repair is required. Step 2. If your product needs to be repaired, please proceed to our booking form to arrange your repair appointment. Step 3.
