Uncovering The Logic Of English
By revealing the logical patterns underlying 98% of English words, Uncovering the Logic of English eliminates the need to guess and provides a logical solution to English spelling. Simple answers are given for questions such as: "Why is there a silent final E in have?" "Why don't we drop the E in noticeable?"

Uncovering the Logic of English: A Common-Sense Approach ...
Uncovering the Logic of English does exactly what it claims to do. English is a complex but not illogical language and this

book reveals the logic. An excellent resource for parents who want their children to learn by understanding rather than memorization.

Uncovering The Logic of English: A Common-Sense Approach ... Uncovering the Logic of English challenges the notion that English is illogical by systematically explaining English spelling and answering questions like "Why is there a silent final E in have, large, and house?" and "Why is discussion spelled with -sion rather than -tion?" With easy-to-read examples and anecdotes, this book describes:
