Under a Falling Star by Jae - Goodreads

Under a Falling Star can be best described as a cross between *Jericho* (for the slightly corny and quirky humor), and *Tropical Storm* (because of the tough boss and sweet co-worker-falling-in-love-scenario). I say that to mean that the premise is not very original.

Overview Falling stars are supposed to be a lucky sign, but not for Austen. Her new job as a secretary in an international games company isn't off to a good start. Her first assignment-decorating the Christmas tree in the lobby-results in a trip to the ER after Dee, the company's second-in-command, gets hit by the star-shaped tree topper.

Under a Falling Star by Jae, Paperback | Barnes & Noble®

Solid, well-written and charming romance. Jae just writes good stories. This has a clever take on a traditional plot, interesting tension and development, and is perfectly crafted as

always. This is as 'trad' romance as you can get, and set as an office romance to boot, but she manages to make it new, refreshing, and hold your interest.
