The British Rail Class 323 electric multiple-unit passenger trains were built by Hunslet Transportation Projects. All 43 units were built from 1992 through to 1996, although mock-ups and prototypes were built and tested in 1990 and 1991. Entering service in 1992, the 323s were among the last trains to enter service with British Rail before its privatisation in the mid-1990s. The units were specifically designed to operate on inner-suburban commuter lines in and around Birmingham and Manchester w
