US repatriates dozens of IS 'foreign fighters'

The last four years have confirmed that the choices the US makes are highly consequential for international politics. Even as geopolitical competition and globalization limit the range of available foreign policy options, the next president will determine how America's diplomatic, economic and military resources are invested, and, especially, what value the US will attach to existing ...

US election: How Donald Trump has changed global foreign policy US President Donald Trump's handling of foreign policy during his first term in office has had repercussions around the world, forcing issues into the spotlight and shaping how diplomatic communication takes place.

US election: How Donald Trump has changed global foreign ...

The US Department of State on Tuesday asked think tanks and foreign policy organisations to disclose any funding that they receive from foreign governments especially from China and Russia. In an official statement, the Department of State alleged that some governments were seeking to 'exert influence' over the US Foreign policy through lobbyists, external experts, and think tanks.

Historians know little about the semi-legendary (well, almost completely legendary) peripatetic Gilgamesh. In the Epic of Gilgamesh, considered the first great work of literature (before dilatant reviewers redefined "great"), carved in cuneiform on clay tablets some four thousand years ago, he is a demigod of superhuman strength who happens to be king of the city-state Uruk in the Sumerian ...
