

## ***Vagos Mongols And Outlaws My Infiltration Of America S Deadliest Biker Gangs***

Lorne Campbell was an officer and enforcer for the outlaw biker club Satan's Choice for over thirty years, before patching over to the Hells Angels. The product of a violent childhood, with a hair-trigger temper and fearless nature, he just wanted a place to belong. He found brotherhood with his fellow one per centers, and a code he has lived his life by. In his time he's seen club life slip further into the criminal underworld and be transformed by cocaine dealing. He killed a rival biker to save his brothers and has been imprisoned for assault and drug trafficking. He's faced off police out to get him, taken revenge on men who betrayed him, and gone to extreme lengths to protect his honour and his club. Written with dark humour and raw honesty, and filled with unforgettable characters living life on their own terms, Satan's Choice is a unique insight into an outlaw world seen through the eyes of one proud and unrepentant biker.

A first hand account of perhaps the most powerful and influential crime group currently operating in Australia and North America. It is the first time ever that an insider has told the true and chilling story of the bike gangs that dominate the drug and illegal weapons trade.

The compelling story of the rise and rule of one of the world's most feared outlaw motorcycle gangs - in the bestselling tradition of Dead Man Running and The Brotherhoods.

A veteran ATF agent describes his remarkably successful two-and-a-half-year stint as an undercover agent with the Mongols, a violent outlaw motorcycle gang, a time during he which he not only became a full member of the gang but also rose to the position of treasurer, documenting their violent crimes and offering profiles of individual gang members. Reprint. 40,000 first printing.

Andrew: Epstein, Maxwell and the Palace. Serial Killers & Mass Murderers takes you into the minds of the criminals who committed the world's most notorious and horrifying crimes. Each of the sadistic murderers profiled here was once known simply as someone's neighbor, co-worker or child. What turned them into killers? In one chilling chapter after another, this book profiles a terrifying succession of homicidal maniacs and asks the question, "What makes them tick?" Through the pages of this haunting book, you'll delve into the psyches of . . . Jeffrey Dahmer The Zodiac Killer Dr. Harold Shipman Son of Sam The Columbine Killers Charles Manson The Night Stalker The Yorkshire Ripper Ted Bundy Charles Starkweather The Boston Strangler And more "The refrigerator contained meat, including a human heart, in plastic bags. There were three human heads in the freezer. Two more skulls were found in a pot on the stove. Another pot contained male genital organs and severed heads, and there were the remains of three male torsos in the trash."

On the morning of April 8, 2006, residents of the hamlet of Shedden, Ontario, woke up to the news that the bloodied bodies of eight bikers from the Bandidos gang had been found dead on a local farm. The massacre made headlines around the world, and the shocking news brought a grim light to an otherwise quiet corner of the province. Six Bandidos would eventually be convicted of the first-degree murder of their biker brothers. Like other outlaw bikers, Bandidos portray themselves as motorcycle aficionados who are systematically misunderstood and abused by police, as well as feared by the public. We now know the Bandidos were anything but simple motorcycle enthusiasts. However, unlike such biker gangs as the Hells Angels, who run sophisticated criminal empires, the Bandidos were highly disorganized and prone to petty infighting, and even engaged in sabotaging fellow members. This is the story of how the Bandidos self-destructed over one dark night. As gripping as any crime novel, The Bandido Massacre takes us inside a crumbling brotherhood bent on self-obliteration and betrayal.

The Autobiography of Jack the Ripper

**The Hells Angels. The Bandidos. Asian triads. Russian mobsters and corrupt cops. Even the KKK. Just part of a day's work for Alex Caine, an undercover agent who has seen it all. After a tour in Vietnam and a stretch in prison on marijuana-possession charges, Caine fell into the cloak-and-dagger world of a contracted agent. Thanks to his quick-wittedness and tough but unthreatening demeanour, Caine could fit into whatever unsavoury situation he found himself. Over 25 years, his assignments ran the gamut from mean bikers to triad toughs. When a job was over, he'd slip away to a new part of the continent or world,**

where he would assume a new identity and then go back to work on another group of bad guys. *Befriend and Betray* offers an unflinching look at some familiar police operations and blows the lid off others that law enforcement would much prefer to keep hidden. It provides an unvarnished account of the toll such a life takes, one that often left Caine to wonder who he really was behind the myriad identities he had assumed and whether justice was ever truly served.

From the bestselling author of *The Hard Way Out* and for fans of *Sons of Anarchy* comes a new book that reveals the cold, dark and dirty secrets of the biker underworld Hells Angels. Bandidos. Outlaws. Vagos. What would you do if a biker sat beside you in a bar? What about if a group of leather-and-denim-clad tough guys established a clubhouse in your neighbourhood? Television and movies glamourize bikers as freedom fighters, men who do things their own way, brothers in arms who party all the time and ride Harleys to escape everyday life, while news reports paint them as criminals, responsible for drug trafficking, brutal assaults and murder. That paradox, each side true in its own way, is what makes outlaw motorcycle gangs so very fascinating. What really goes on behind those heavily secured steel clubhouse doors? In *The Secret Life of Bikers*, bestselling crime author Jerry Langton tells the stories of the men who live the biker life as they have never been told before. Langton has interviewed many bikers over the past decade and shares their stories in these pages, often in their own words. He has also interviewed members of law enforcement to hear the biker story from the other side of the ledger. All told, this book offers highly unique and often bloody insights into the everyday workings of motorcycle clubs: the club hierarchy, the clubhouse, the parties, the initiation rituals, the brawls, the bodies and the brotherhood of blood.

This memoir was recently discovered and appears to have been written in the 1920s by someone who asserts that he was Jack the Ripper. This person is James Carnac, this memoir written shortly before his death is an account of his entire life, including a few short months in 1888 when he became the murderer known to posterity as Jack the Ripper. This book introduces a new suspect for the infamous murders in Whitechapel in 1888. There is information in this book that does not appear to be derived from contemporary newspapers or any other publications and the descriptions of Tottenham in the 1870s, the visits to performances of *Jekyll and Hyde*, the intricate geography of Whitechapel in 1888 are written with pin-point accuracy. There is also a credible motive given for James becoming the murderer Jack and also a reason for the end of the murders. Given the fact that the author also appear to have knowledge about aspects of the case not in the public arena at the time it could be that this actually is the autobiography of Jack the Ripper. Ultimately it is up to the reader to decide if they believe the mystery has been solved at last but even if they end up deciding the account to be a work of fiction it would still be one of the very earliest imaginings of the Ripper case, written in the early years of the twentieth century, a fascinating piece of period writing and a worthy addition to the Ripper canon. Whatever side they come down on there is no question that this book will be a source of much debate.

**So many days I felt like a god, drunk with freedom and power, riding a motorcycle I'd crafted with my own two hands with that winged skull on my back. George Christie was president of the notorious Ventura charter of the Hells Angels for three decades. While Sonny Barger was the club's reckless leader, George was the negotiator, the spokesman. In Exile on Front Street he takes us on an action-packed ride through his years as a Hells Angel, from the bloody brawl that started the war with the Mongols to learning that a contract had been taken out on him by the head of the Outlaws. He describes the brotherhood and the betrayals, being targeted by the Feds and his stretches in prison. He also reveals how the club changed, why he decided to leave for the sake of his family and how the leadership turned on him. Now Christie has decided to set the record straight in this hard-hitting account of what it means to be a Hells Angel through good times and bad.**

This buyer's guide for the classic BSA Gold Star covers the complete range of production from the original 1938 Model M24 through post-WWII models ZB, BB, CB, DB and DBD. It is organized for potential Gold Star buyers to use when inspecting one of these highly desirable machines for possible purchase. Significantly expanded from the previous edition, it includes specialized information and photographs necessary to avoid paying Gold Star prices for the similar-looking B32/B34 and Alloy Clipper "competition models," or purchasing dubious components such as renumbered engines and counterfeit RRT2 gearboxes. The information also will be invaluable for restorers as well as people generally interested in the history of these machines. One chapter is devoted to the 1957 Spitfire Scrambler, a little-known hybrid produced only that year consisting of a twin-cylinder 650 cc engine in Gold Star cycle parts, predating the Rocket Gold Star by five years. The main body of the 4th edition was 21 pages, with 16 figures and 11 tables. The main body of the 5th edition has more than doubled to 50 pages and now has 44 figures and 17 tables containing information on the proper speedometers, tachometers, gearboxes, carburetors, etc., and cover all models, including Clubman, Catalina Scrambler, Road Racer, Dirt Tracker, and Competition 'All Sports'. Sixty-four pages of color advertisements and images from rare sales brochures and magazines contain information for all years of this machine, from a pre-production 1937 description of expected specifications, to a listing in a 1964 sales brochure issued a year after the last Gold Star was manufactured (not covered are the B25/B50 machines that were given the name in 1971-72). For the restorer or rebuilder, a very useful "reverse parts list" specially created for this book has DBD part numbers sorted in numerical order, enabling part numbers to be quickly identified and associated with the corresponding figures in the BSA parts manual. If you ever might want to buy,

## Get Free Vagos Mongols And Outlaws My Infiltration Of America S Deadliest Biker Gangs

restore, or rebuild a Gold Star, the information in this book can save you considerable time as well as keep you from making some very costly mistakes. CHAPTERS: 1. Who Should Buy This Book? 2. (Classic Motorcycle Mechanics); "It is the outstanding book on Goldies." (Walneck's Classic Cycle Trader); "a must-have book for Gold Star fans... like an owner's manual on steroids..." (Cafe Racer). The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompson's classic *Hell's Angels*, vividly recounting a life undercover.

*Biker Gangs and Transnational Organized Crime, Second Edition*, describes and analyzes a rapidly expanding global problem: criminal acts committed by motorcycle gangs. Thomas Barker, one of the world's top experts on outlaw biker gangs, offers fascinating details about the Bandidos, the Vagos, the Mongols, and other "one percenters" (criminal biker gangs, as opposed to the vast majority of motorcycle enthusiasts). He combines this data with a strengthened conceptual framework that makes sense of this complicated picture. U.S.-based motorcycle gangs like the Hells Angels have proliferated, especially in Canada and Europe, to the point where these gangs have more members in other countries than in the United States. Increasingly more often in recent years their crimes are not limited to rumbles or drug use—these gangs challenge the dominance of organized crime, leading to violent conflicts

## Get Free Vagos Mongols And Outlaws My Infiltration Of America S Deadliest Biker Gangs

between the rivals. Germany, Scandinavia, the UK, the Netherlands, and Canada are particularly hard-hit by this rising violence. One of Barker's unique contributions is his Criminal Organization Continuum, building on the groundbreaking network approach to organized crime proposed by Klaus von Lampe. Introduced in the first edition, Barker elaborates his continuum tool and makes it more multi-dimensional to help refine the definition of adult criminal gangs. The product of years of research, this book lays the groundwork for further study by offering students, police, and researchers the most thorough account available of outlaw motorcycle gangs.

Narrated by the visionary founding member, Hell's Angel provides a fascinating all-access pass to the secret world of the notorious Hell's Angels Motorcycle Club. Sonny Barger recounts the birth of the original Oakland Hell's Angels and the four turbulent decades that followed. Hell's Angel also chronicles the way the HAMC revolutionized the look of the Harley-Davidson motorcycle and built what has become a worldwide bike-riding fraternity, a beacon for freedom-seekers the world over. Dozens of photos, including many from private collections and from noted photographers, provide visual documentation to this extraordinary tale. Never simply a story about motorcycles, colorful characters, and high-speed thrills, Hell's Angel is the ultimate outlaw's tale of loyalty and betrayal, subcultures and brotherhood, and the real price of freedom.

My Life at Full Throttle

You Gotta Be Dirty

*Federal Agent Robert Mazur spent five years undercover as a money launderer to the international underworld, gaining access to the zenith of a criminal hierarchy safeguarded by a circle of dirty bankers and businessmen who quietly shape power across the globe. These men and women control multibillion-dollar drug-trafficking empires, running their organizations like public companies. Accountants, attorneys, and financial advisors, their roots run deep in their communities, and they are laundering billions of dollars a year, manipulating complex international finance systems to serve drug lords, corrupt politicians, tax cheats, and terrorists. In 1987, Mazur began infiltrating BCCI, bankers behind the Medellín cartel. He meticulously gathered evidence for years until, during a fake wedding, federal agents arrested over 40 high-ranking criminals, who were all found guilty and sent to prison. Never before told, this is the incredible, true story of how he did it.*

*The stunning, never-before-told story of Ruben "Doc" Cavazos, international president of the Mongols Motorcycle Club When Ruben "Doc" Cavazos changes his clothes at daybreak, he is no longer a CAT scan technician at the University of Southern California Medical Center. He becomes the man known—and, in a few special cases, feared—as Doc, international president of the Mongols, the fastest-growing and most closely watched*

## Get Free Vagos Mongols And Outlaws My Infiltration Of America S Deadliest Biker Gangs

*organization of its kind in the United States. In reality, the Mongols are a tightly knit band of brothers devoted in equal measure to the club, their fellow Mongols, and their freedom. They live to enjoy life, party, and travel the open road. Above all, they demand respect. When pushed too far, Mongols join together to push back. Just ask the Hells Angels, the Ukrainian mafia, the Mexican mafia, and the U.S. government. All have tested the Mongols' resolve. In Honor Few, Fear None, Doc is ready, for the first time, to share the stories of the Mongols' battle to survive and thrive against incredible odds and sometimes terrible violence. Doc takes you to the streets and into the bars, the secret meetings, the brawls, and the shoot-outs, all proof that if you live like a Mongol does, you must honor few, fear none.*

*In 2001 Jay Dobyms infiltrated a Hells Angels chapter operating in Arizona, in a highly secretive ATF investigation code named Operation Black Biscuit. The aim was simple: to examine the criminal underbelly of the world's most famous biker group, and bring a major case against them. The reality, however, was much more complicated. In the twenty-one months that he spent inside the club, Dobyms became seduced by the outlaw lifestyle: seduced by the physical menace that comes with wearing the patch; seduced by riding his Harley down the highway at 100 miles an hour, eight bikes to a column, one bike's wheels 18 inches from the next; and seduced by the intense bonds he forms within the club, where friends lay down their lives for each other. No Angel is a thrilling, adrenaline-fuelled ride of a book, which lifts the lid on the world's most infamous underworlds.*

*The ultimate reference for Triumph lovers and fans of British motorcycles, The Complete Book of Classic and Modern Triumph Motorcycles 1937-Today collects all of the motorcycles from this iconic brand in a single illustrated volume. In this revised and updated edition, you'll find the all-new Bonneville lineup introduced for the 2016 model year as well as other Triumphs through 2019. Originally formed as a bicycle company in 1885, Triumph produced its first motorcycle in 1902, which was simply a bicycle fitted with a Belgian Minerva engine. From there, the company, in various iterations, went on to build some of the most iconic motorcycles of all time. Written by respected Triumph expert Ian Falloon, this luxurious reference covers all of the major and minor models, with an emphasis on the most exemplary, era-defining motorcycles such as the Thunderbird, Tiger, Trophy, Bonneville, and new machines such as the Speed Triple, Thruxton, and Daytona 675. Detailed technical specifications are offered alongside compelling photography, much of it sourced from Triumph's archives. The Complete Book of Classic and Modern Triumph Motorcycles 1937-Today also features important non-production models and factory racing and speed-record-setting motorcycles that have become integral parts of Triumph's stellar reputation. This is a book no Triumph fan should be without!*

Droban chronicles the inside story of the ATF's infiltration of the Hells Angels, one of the most notorious and violent outlaw motorcycle gangs in history.

THE BLACK HAND is the true story of Rene Enriquez, aka "Boxer," and his rise in a secret criminal organization, a new Mafia, that already has a grip on all organized crime in California and soon all of the United States. This Mafia is using a base army of an estimated 60,000 heavily armed, loyal Latino gang members, called Surenos, driven by fear and illicit profits. They are the most dangerous gang in American history and they wave the flag of the Black Hand. Mafioso Enriquez gives an insider's view of how he devoted his life to the cause--the Mexican Mafia, La Familia Mexicana, also known as La Eme--only to find betrayal and disillusionment at the end of a bloody trail of violence that he followed for two decades. And now, award-winning investigative journalist Chris Blatchford, with the unprecedented cooperation of Rene Enriquez, reveals the inner workings, secret meetings, and elaborate murder plots that make up the daily routine of the Mafia brothers. It is an intense, never-before-told story of a man who devoted his life to a bloody cause only to find betrayal and disillusionment. Based on years of research and investigation, Chris Blatchford has delivered a historic narrative of a nefarious organization that will go down as a classic in mob literature.

An outlaw motorcycle club is a band of brothers like no other. Hidden away from mainstream society behind multiple layers of secrecy, mythology and a sophisticated campaign of misinformation that portrays them as nothing more than loveable rogues, the brutal truth about the biker world has long escaped public scrutiny. In reality, today's outlaw bikers are at the epicentre of a violent underworld subculture, enforced by a ruthless code of silence, and control a global criminal empire worth millions. Spanning the UK, Europe, America, Canada and Australia, OUTLAWS by Tony Thompson is a compelling, shocking and chilling story of how bikers are born and made, and how and why they die.

Winner of the USA Book News National Book Award for Best Nonfiction True Crime and Best Memoir/Autobiography By the time he was thirteen, he already had attended thirteen funerals. Abandoned by his mother, and with his father, "Mangy" Menginie—president of the Pagans Motorcycle Club, Philadelphia chapter—in jail, Anthony "LT" Menginie is raised inside the Pagans and inducted into a life of sex, violence, drugs, and organized crime. In Mangy's absence, LT finds a father figure in the Saint, a club member who helps teach him the difference between the club members you respect...and those you fear. The author recounts the power struggles that occur when Mangy is released from jail and tries to resume his role as father and president. Soon all hell breaks loose when Mangy betrays the club by going over to the rival Hells Angels, helping to touch off the "Biker Wars" in Philadelphia. The chapter's new president grooms LT to one day confront his father for his treachery. Faced with an impossible decision, LT has to decide where his loyalties lie. Prodigal Father, Pagan Son is a voyeuristic glimpse into the shocking and hypnotic underworld of notorious "one-percenter" biker clubs, hit men, drug dealers, and the other individuals who operate under no other rules than the "club code." But more than this, Menginie's story is the gritty and powerful true tale of surviving amid personal trials and tragedies, and of one man's determination to escape to a better life.

### Inside the Hidden World of Organized Crime

#### Under and Alone

The gripping account from an ex-con who infiltrated three of America's most violent biker gangs. Working undercover for the ATF in separate investigations that spanned years, and crossed the US continent, Charles Falco penetrated three of America's toughest and most lawless motorcycle gangs: the Vagos, Mongols and Outlaws. Falco spent almost three years in the Vagos, rising to second in command of the notorious Victorville, California chapter. He even served time in San Bernardino's Murder Unit to protect his cover and the investigation. When the operation against the Vagos drew to its dramatic conclusion, Falco was forced to seek refuge in the Witness Protection Program, but found he could not stay on the sidelines for long. Again using his talents and hard-won experience he infiltrated the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. Falco's years of undercover work culminated in the arrests of sixty-two bikers, and was the key to one of America's most successful RICO prosecutions against motorcycle gang crime. Charles Falco's story, told with Kerrie Droban, delves into the brutal realities of the biker underworld, in an explosive narrative laced with danger, violence and Falco's incredible courage.

The definitive collection of first-hand accounts of the world's outlaw motorcycle gangs, with contributions by Sonny Barger, Hunter S. Thompson, Ed Winterhalder, William Queen and many more. Outlaw bikers consider themselves 'the last free people in society', unconstrained by the regulations that hem in ordinary citizens. And they guard their privacy jealously. Drawing on seventeen years of studying and participating in biker culture, the author has compiled this one-of-a-kind collection of original biker writing. Here are insider accounts of landmark incidents in biker folklore, including reprints of classic writing from biker-originated magazines, handouts, websites and books. Gangs featured include the Bandidos, the Hells Angels, Henchmen MC, the Outlaws, the Mongols, the Annihilators, the Diablos, the Gypsy Jokers, the Rebels, the Straight Satans and the Vagos. And with contributors such as Freewheelin' Frank (one-time secretary of the Hells Angels), Edward Winterhalder (among the most powerful members of the Bandidos) and Sonny Barger (founder of the Hells Angels). Also included are those rare accounts by outsiders who have succeeded in 'looking in' on the gangs: Hunter S. Thompson's Hells Angels: A Strange and Terrible Modern Saga; writing by William Queen, the undercover agent who infiltrated America's violent outlaw motorcycle gang the Mongols; and Daniel R. Wolf's account of riding with the Rebels.

## Get Free Vagos Mongols And Outlaws My Infiltration Of America S Deadliest Biker Gangs

A kid raised by his father's fists on the wrong side of a blue-collar town, Lorne Campbell grew up watching the local bikers ride past, making him wonder what that kind of freedom and power would feel like. He soon found out. At the age of 17, he became the youngest-ever member of the Satan's Choice Motorcycle Club and spent the next five decades living a life for which he does not ask forgiveness, only that his story finally be told, and that his family finally understand what drove him to live the way he did.

The Outlaws Motorcycle Club's story is told here for the first time, by criminal underworld author and former infiltrator Alex Caine. They are the original biker gang, and their sixty years of war with the Hells Angels is the stuff of legend. Right down to their signature logo (a skull known as "Charlie"), the McCook Outlaws Motorcycle Club, formed in 1935, defined the look and sensibility of the twentieth-century biker. In the 1950s, a rising gang of toughs in California threatened to steal their thunder. But, recognizing an opportunity for expansion, the Outlaws reached out. The nascent Hells Angels sent them home to Chicago, beaten, humiliated and forever bent on the Angels' destruction. Sixty years and thousands of maimed and murdered later, the Hells Angels are a dominant criminal empire. The Outlaws, loosely allied with the number-two club in the biker universe, the Bandidos, sit contentedly as the number-three power, though they rule in places like the UK, the Great Lakes, Florida and the US Midwest. Less concerned with making money than the Angels, they continue to define the vicious biker character like few of their peers. Working undercover, Alex Caine witnessed the buffering of the big clubs' US turfs in a Bandidos-mediated truce between the Outlaws and Angels in the 1980s. But like every deal between bikers, that one soured, and a storm of unimaginable violence and scope is brewing. The alliance is expanding and determined to unseat the Angels for once and for all.

"A funny, raucous, eye-opening, wholly non-partisan trip in search of Americans who love their guns"--

Relates the undercover work of George Rowe, who infiltrated the Vagos motorcycle gang, spending three years working to take down the gang from the inside.

An inside account of the Hell's Angels, told by one of its most notorious leaders. In August 1964, a disheveled band of motorcyclists mysteriously appeared in Milwaukee. Over the course of the next decade, the Outlaws Motorcycle Club (OMC) became synonymous with acts of intimidation and violence. In the ruthless world of renegade bikers, the OMC's Milwaukee chapter became known as the "Wrecking Crew." *You Gotta Be Dirty: The Outlaws Motorcycle Club in & Around Wisconsin*, examines the evolution of outlaw motorcycle clubs in the United States. From 1947 - the early 1960s, the influence of rogue riders - the one-percent of motorcyclists living outside the law - spread from the west coast and in to America's heartland. In Wisconsin, investigators linked members of the Outlaws to at least eleven murders. Four of the innocent persons killed were women and two were elderly. Three children also lost their lives: A fifteen-year-old boy was killed by an explosive device; an infant perished in an arson fire; and a ten-year-old boy was executed vis-a-vis a gunshot to the head. During the tumultuous 1990s, the Outlaws orchestrated a guerrilla-style offensive in a quest to beat back the expansion of the world's largest one-percent motorcycle club - the Hells Angels (HAMC). During this

period, the HAMC began courting the Hell's Henchmen Motorcycle Club, a group with chapters in Chicago, Rockford, and South Bend, Indiana. The Hells Angels' bold move into northern Illinois touched-off a seven-year conflict that was exacerbated by beatings, bombings, and shootings. "As a former outlaw biker investigator," wrote author and retired Milwaukee Police Department Detective Larry Powalisz, "I participated in the investigations of several of the incidents documented in this well-researched book. This history of the Outlaws Motorcycle Club shines a bright light on the one-percent motorcycle subculture."

The Outlaws, the Hells Angels and the Sixty Years War

In the Godfather Garden is the true story of the life of Richie "the Boot" Boiardo, one of the most powerful and feared men in the New Jersey underworld. The Boot cut his teeth battling the Jewish gang lord Abner Longy Zwillman on the streets of Newark during Prohibition and endured to become one of the East Coast's top mobsters, his reign lasting six decades. To the press and the police, this secretive Don insisted he was nothing more than a simple man who enjoyed puttering about in his beloved vegetable garden on his Livingston, New Jersey, estate. In reality, the Boot was a confidante and kingmaker of politicians, a friend of such celebrities as Joe DiMaggio and George Raft, an acquaintance of Joseph Valachi—who informed on the Boot in 1963—and a sworn enemy of J. Edgar Hoover. The Boot prospered for more than half a century, remaining an active boss until the day he died at the age of ninety-three. Although he operated in the shadow of bigger Mafia names across the Hudson River (think Charles "Lucky" Luciano and Louis "Lepke" Buchalter, a cofounder of the Mafia killer squad Murder Inc. with Jacob "Gurrah" Shapiro), the Boot was equally as brutal and efficient. In fact, there was a mysterious place in the gloomy woods behind his lovely garden—a furnace where many thought the Boot took certain people who were never seen again. Richard Linnett provides an intimate look inside the Boot's once-powerful Mafia crew, based on the recollections of a grandson of the Boot himself and complemented by never-before-published family photos. Chronicled here are the Prohibition gang wars in New Jersey as well as the murder of Dutch Schultz, a Mafia conspiracy to assassinate Newark mayor Kenneth Gibson, and the mob connections to several prominent state politicians. Although the Boot never saw the 1972 release of *The Godfather*, he appreciated the similarities between the character of Vito Corleone and himself, so much so that he hung a sign in his beloved vegetable garden that read "The Godfather Garden." There's no doubt he would have relished David Chase's admission that his muse in creating the HBO series *The Sopranos* was none other than "Newark's erstwhile Boiardo crew."

One Percenter: The Legend of the Outlaw Biker illuminates the origins of the rebel mentality in America, from the annals of human history all the way to today's motorcycle clubs.

In 1977, Wayne "Big Chuck" Bradshaw was Jersey tough. He was a member of the outlaw Pagans bike gang, a One Percenter, and had earned his colors in a world of boozing, bloody bar fights, and high-stakes crime. But after getting too close to extreme violence, Bradshaw made the life-threatening decision to change his path. The toughness Bradshaw used to survive the biker life led him to a distinguished and heroic career as an undercover narcotics officer for the same New Jersey police department that had once arrested him. Bradshaw tells his story with the truth of the streets, from his time in the U.S. Army to his decision to join the Pagans, to the wild adventures of working narcotic stings. He rode with truly dangerous criminals and then returned to those same places as a cop. He tracks down fugitives in Jersey's toughest neighborhoods, risks his life rescuing dozens from a fire in a seniors' residence, and volunteers in the aftermath of 9/11. Jersey Tough is an unflinching memoir of personal struggle, of battling with darkness, and ultimately of redemption.

A legend in the biker community, Peter "Big Pete" James was the most revered gangster in the Outlaw Nation. He first perfected his skills with the Hells Angels, the Outlaws' chief rival, before persuading thousands of disgruntled members from splintered Outlaws chapters to unite. Together, they formed a powerful criminal syndicate involved in extortion, contract murders, drugs and arms trafficking, money laundering and assassinations. Then a shocking medical diagnosis knocked James sideways, forcing him to face a new life on the outside of the organization he built, dodging snitches, federal law enforcement, and contract hits. In *The Last Chicago Boss*, James provides a startling and unprecedented expose into the inner workings of the Outlaw Nation from the unique perspective of its renowned leader, all brought to life through never-before-revealed interviews, police files, wiretaps, recordings, and trial transcripts.
