Sonia Delaunay (1885–1979), painter and textile, theater, and fashion designer, made enormous contributions to the development of abstraction in the early 1910s, partly because of her son, Charles. In this new book, Delaunay and six-year-old Charles have a fantastical adventure in a world of color and form, a magical road trip in their car, modeled after her 1925 design for a Citroen convertible. They glide into a landscape of colors and shapes drawn from Delaunay's early abstract compositions--it's as if they've driven into one of her paintings. Mother and son also explore the artist's gorgeous, colorful designs for fabrics and clothing. Throughout, Delaunay helps Charles understand her artistic process and that of her husband, artist Robert Delaunay, by asking him what shapes and colors he recognizes along the way. They end up back in the real world, and Charles realizes that his mother's thoughts about art permeate every aspect of their life.

A gorgeous, expressive picture-book biography of Marc Chagall by the Caldecott Honor team behind The Noisy Paint Box. Through the window, the student sees . . . His future--butcher, baker, blacksmith, but turns away. A classmate sketching a face from a book. His mind blossoms. The power of pictures. He draws and erases, dreams in color while Papa worries. A folder of pages laid on an art teacher's desk. Mama asks, Does this boy have talent? Pursed lips, a shrug, then a nod, and a new artist is welcomed. His brave heart flying through the streets, on a journey unknowable. Known for both his paintings and stained-glass windows, Marc Chagall rose from humble beginnings to become one of the world's most renowned artists. Admired for his use of color and the powerful emotion in his work, Chagall led a career that spanned decades and continents, and he never stopped growing. This lyrical narrative shows readers, through many different windows, the pre-WWI childhood and wartime experiences that shaped Chagall's path. From the same team behind the Caldecott Honor Book The Noisy Paint Box, which was about the artist Kandinsky, Through the Window is a stunning book that, through Chagall's life and work, demonstrates how art has the power to be revolutionary.

Gustav Klimt ha vissuto a Vienna, capitale di un Impero che in quegli anni era il cuore culturale dell'Europa. Sono gli anni della Secessione viennese, della nascita della psicanalisi, delle sinfonie di Mahler e Schönberg, dei caffè letterari. E' questo il contesto unico e irripetibile che ricostruisce Paola Romagnoli in questa storia romanzata, in cui si alternano due voci. Una voce

che narra cronologicamente le vicende dell'artista nella sua epoca. Una voce "metafisica" che si presenta come una sirena nell'Attersee, il lago nella regione del Salzkammergut, a ovest di Vienna, luogo dell'anima del pittore. La chiave narrativa della sirena racchiude in sé la sintesi di tutto ciò che Klimt ha inseguito nelle donne: è sensualità ed eros, è giovinezza ma senza età, è madre e amante, è mito. Ed è un simbolo che segna il passaggio tra vita e morte, poiché accompagna narrativamente gli ultimi giorni di vita di Klimt, stroncato da un ictus nel 1918. Con il piglio della scrittrice ma la conoscenza della storica dell'arte, Paola Romagnoli avvolge il lettore in una vicenda biografica di grande fascino, che spiega come Gustav Klimt, opponendosi alle idee conservatrici dei suoi contemporanei, realizzò dipinti erotici e simbolici che rappresentavano i sogni, le speranze, le paure e le passioni dell'uomo e sia diventato così per il pubblico il pittore delle donne.

The Xi Jinping Thought Now

Follows the painter from his boyhood in the Netherlands to his death in France, depicting his relationship with his brother Theo, his struggles to perfect his art, and his psychological and emotional difficulties.

*This book is based on the discussions carried out in two seminars on the translation of children's literature, coordinated by Maria González Davies and led by Riitta Oittinen. The main focus finally revolved around four questions: a) Tackling the challenges posed by translating children's literature, both picturebooks and books with illustrations, and the range of strategies available to solve specific issues; b) the special characteristics involved in reading aloud, its emotional dimension, and the sphere it occupies between private and public reading; c) the interpretation and manipulation of child images; and, d) the role of the translator, publishers and mediators as active or passive agents whose decisions may finally mirror the images projected by the authors of the source books. This volume is also professionally-oriented and presents examples that underline the interaction between theory and practice. The topics range from Bible translation, to translating the classics, such as Beatrix Potter's tales and fairytales, fantasy worlds for young adults as depicted in Tolkien's *The Lord of the Rings*, or novels such as those by Christine Nöstlinger, as well as stories with a psychological and social function such as the African war tales. Finally, it includes didactic applications that help enhance an awareness of the issues involved.*

Who is Gretchen Oyster? The discovery of a series of mysterious handmade postcards distracts Hartley from trouble at home. A poignant novel for fans of Rebecca Stead and Holly Goldberg Sloan. Hartley Staples, near-graduate of middle school, is grappling with the fact that his older brother has run away from home, when he finds a handmade postcard that fascinates

him. And soon he spots another. Despite his losing interest in pretty much everything since Jackson ran away, Hartley finds himself searching for cards in his small town at every opportunity, ignoring other responsibilities, namely choosing a topic for his final project. Who is G.O. and why are they scattering cards about the town?

Loosely based on Charles Perrault's "Tom Thumb," seven brothers in modern-day France flee their poor parents' farm, led by the youngest who, although mute and unusually small, is exceptionally wise. Retells in graphic novel format the adventures of the ancient Greek hero Odysseus, also known as Ulysses, on his long journey home after the Trojan War.

With the launch of Biden administration in the U.S. and the 100th anniversary of the founding of the Chinese Communist Party approaching, China has been expanding its military threat and reinforcing its influence over the world. What urges China to seek global hegemony? This book unveils the "dark being" behind the Xi Jinping Thought. Using his spiritual abilities, author and spiritual leader Ryuho Okawa conducted a spiritual interview with the guardian spirit (the subconscious mind) of Xi Jinping, and had him talk of his ambition to become a "world emperor." It revealed various unreported, hidden truths, including China's alleged intervention in the U.S. presidential election, the reason why the

number of coronavirus infection cases differs depending on the country, a horrible experiment conducted in the Uyghur region, Inner Mongolia, and Tibet, and the danger of China's coronavirus vaccine. Knowing these truths is the first step for each citizen and country to take necessary countermeasures. The world must never succumb to the totalitarian country ruled by a merciless leader. "The democratic government of the people, by the people, for the people, is necessary for the current China as well. (...) It is my hope to make Earth full of love, freedom, and a sense of responsibility." — Ryuho Okawa, Afterword—

In a book without words, a young girl creates imaginative stories with fantastical worlds using the shadows of such everyday objects as a vacuum, a shoe, and an apple, transforming them with the click of a lamp switch.

Portrait of an Artist: Claude Monet

The Collected Works of Gretchen Oyster

Inspired by Klimt's famous mural The Tree of Life, this dreamily illustrated children's book tells the story of a magical tree whose fruit saves lives. Painted during the artist's "golden period," Gustav Klimt's The Tree of Life has been interpreted in myriad ways. This children's book

deftly incorporates the mysteries and depth of Klimt's masterpiece into a story for young readers. A young man is given a seed that grows into a beautiful fruit-bearing tree. After tasting the fruit, he can see into the future, including events that will put the lives of others in danger. A king and his lovely princess daughter test the boy's predictions, and love ensues. As children turn the pages of this exquisite book, they will be drawn into the intricately detailed and boldly colored illustrations, which echo Klimt's own artistry. The book includes a gorgeous reproduction of *The Tree of Life*, along with information about Klimt and his work. Designed to encourage children to discover new details each time they open the pages, this is a charming book that will be read over and over again. A small boy named Peter decides that he will give his mother the best gift that he can think of, the moon, but in order to get it he needs the help of many people who will want a share for themselves.

Nicky and the Big, Bad Wolves

Gustav Klimt's and Egon Schiele's sensuous and often explicit drawings are brought together in a beautifully presented volume. Gustav Klimt (1862-1918) and his younger protege Egon Schiele (1890-1918) are considered two of the greatest figures of Austrian Modernism. Whether competing with or inspiring one another, together they reconfigured the way the human body was translated into art. Although both artists are primarily remembered as painters, between them they left 7,000 drawings, many of the greatest of which are now in the collection of the Albertina Museum, Vienna. In 2018 an exhibition opens in London of both artists' drawings from the Albertina. This stunning publication records these precious works, which are very rarely displayed and almost never travel, in all their erotic, intriguing and sometimes disturbing beauty. Leading experts on the period provide authoritative texts that illuminate the important

relationship between the two artists. They analyse the role of drawing in their practice and chart the response of early twentieth-century Vienna to their electrifying work, which still has the power to shock and enthrall to this day. AUTHORS: Marian Bisanz-Prakken is the leading expert on Klimt's drawings and a former curator at the Albertina, Vienna. She is co-author of *Gustav Klimt: Drawings* (2012). The art historian Elizabeth Clegg is author of *Art, Design and Architecture in Central Europe, 1890-1920* (2006). Jane Kallir is Senior Curator at the Galerie St Etienne, New York. Her books include *Egon Schiele: The Complete Works* (1998), *Egon Schiele: Self-portraits and Portraits* (2011) and *The Women of Klimt, Schiele and Kokoschka* (2015). SELLING POINTS: * Gustav Klimt's and Egon Schiele's sensuous and often explicit drawings are brought together in a beautifully presented volume * Accompanies a major exhibition exploring the relationship between the two artists and their continuing influence * The works will be shown at the Royal Academy of Arts, London, from 4 November 2018 to 3 February 2019 * 2018 is the centenary of both artists' deaths, to be marked by a year-long celebration of their work in Vienna 140 colour images

Presents a biography of the Russian artist from his point of view, detailing his struggle to find acceptance for his work and his why he chose the themes he did for his art.

A murderer obsessed with comic strips... When Mayor Marsalis's son, Gerald, is found dead in his studio, his body is stained red and arranged like the cartoon character Linus - with a blanket next to his ear and his thumb stuck in his mouth. Desperate, Marsalis

asks his ex-cop brother, Jordan, to investigate the murder. Yet the killer strikes again. This time Chandelle Stuart, a film producer with strange sexual predilections, is found leant against a piano like Lucy, listening to Shroeder playing. Meanwhile, a beautiful young detective Maureen Martini has moved from Rome to New York to forget the brutal murder of her boyfriend. After undergoing a corneal transplant, she starts having distressing visions that somehow seem connected with the grisly murders. Thrown together, Maureen and Jordan race against time to unmask this killer. But who is Snoopy? And who is Pig Pen? And why does this killer find pleasure in arranging his victims like comic-strip characters? In New York nothing is ever quite what it seems... Nicky's frightening nightmare of being chased by a band of hungry wolves is put to rest by Mother Rabbit's resourceful thinking in an adorable bedtime book by a Ukrainian author.

Originally published in 1889, this work's protagonist Andrea Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women.

Questa è la storia di come, grazie a una dislocazione temporale, Frank Standish Burden detto Wheeler, famosa stella americana del rock negli anni Settanta, si ritrova a Vienna nell'autunno del 1897. La storia comincia in un giorno del 1988 a San Francisco. A mezzanotte inoltrata, al City Lights Bookstore, la celebre libreria della beat generation, Wheeler autografa l'ultima copia di *Fin de siècle*, un'opera che lo ha impegnato per dieci lunghi anni e che ha scritto in onore di Arnauld Esterhazy, il suo insegnante di storia antica e si dirige verso il suo appartamento al pianterreno nel quale vive da quindici anni. Immeritato ancora nei pensieri di *Fin de siècle*, una raccolta tratta dalle sterminate Note sparse di Esterhazy sugli ultimi anni dell'impero asburgico e sulla nascita del modernismo, Wheeler non si accorge dell'inquietante presenza nascosta in un angolo buio delle scale del suo appartamento. Solo quando se la trova di fronte, si rende conto che stringe una pistola nella mano destra e che ha dei tratti vagamente familiari. In preda al terrore, travolto da immagini da un turbinio di immagini, Wheeler sviene e, quando si sveglia, si ritrova sulla... Ringstrasse nella Vienna del 1897, tra bei signori in cappotto nero e tuba, eleganti dame agghindate

abiti lunghi dalla vita stretta, ufficiali con variopinte insegne in bella mostra, operai con gilette e carrozze a cavalli di tutte le fogge... È la Vienna degli anni in cui Freud scopre il complesso d'Edipo, Mahler ha appena ottenuto il posto di direttore dell'Opera, Lueger, borgomastro, diffonde le sue idee razziste ed antisemite che tanta influenza avranno su Klimt lavora ad Atene, il quadro che l'anno successivo diverrà il simbolo della prima mostra dei Secessionisti, e al Café Central si riunisce tutta la Jung Wien, giovani artisti, musicisti, filosofi come Kleist, Schönberg, Wittgenstein. Grazie agli insegnamenti di Esterhazy e alle preziose indicazioni di un misterioso «libricino» che l'eccentrico professore gli ha lasciato in eredità, Wheeler non solo riesce a orientarsi nella capitale dell'impero asburgico, ma in poco tempo si procura abiti adeguati, denaro, alloggio e le relazioni giuste. Suo mentore diventa infatti il non ancora celebre inquilino di Berggasse 19, Sigmund Freud, interessatissimo alla sua figura e ai tratti del suo carattere. È al Café Central, tuttavia, che Wheeler farà gli incontri decisivi che gli sveleranno il mistero racchiuso nel suo viaggio nel tempo, un mistero nascosto nel seno stesso della famiglia Burden. Straordinario romanzo, che ha richiesto trent'anni per la sua stesura, La connessione di tutte le cose è uno di quei rari libri destinati a rimanere a lungo nella mente dei lettori. Un'opera che illumina le ambizioni e gli slanci di una delle più affascinanti epoche della storia e rivela il talento visionario di una delle più grandi voci della letteratura internazionale.
