Free Download, Borrow and ... by Lucas White. Watch Dogs: Legion, a seemingly ambitious take on the previously character-focused Watch Dogs series, is right around the corner. In this game you'll be able to take control of myriad NPCs, as the Dead-Sec hacker group protests some sort of fictional, fascist installation. It's a complicated game, and as we head into the next generation of consoles (of which this game participates), and that means it's a demanding game.
